AS XLI

Barony Of Terra Pomaria

June 2007

Announcements

Baron and Baroness:

The tournament and war season is now upon us. As the populace of Terra Pomaria begins to travel and attend events through out this great Principality and Kingdom, please always remember that you may be the only person from Terra Pomaria that a person in a far off land may ever meet. We ask that you do your best to put forth the friendly, courteous, and honorable face that Our homeland is known for. We want the barony to continue to be known far and wide for the great people that reside and play here.

While you are at events, near or far, please strive to learn new things and meet new people. Bring back what you learn and the stories of the great people you have met, friends you have made, exciting things you have seen, and the battles you have fought. Then during the cold wet months of the feast season many stories will be told and new crafts discovered through what you experienced.

We are honored to serve you as your baronial coronets and look forward to a great tourney season.

Yours in Service,

Sir Roland and HL Emma von Bern

Baron and Baroness of Terra Pomaria

Seneschal

Greetings unto their Excellencies Rolland and Emma and the officers and populace of Terra Pomaria,

I would like to thank all those who attended Bar Gemels and made it such a successful and fun event. Thank you also to the autocrats Fionna and Dame Elaine for doing such a great job in such a short amount of time.
