***Barony Of Terra Pomaria***

*May 2008*

## ***Baron & Baroness:***

*Greetings unto the Populace of the Grand Barony of Terra Pomaria,*

*April has been a very active month in Terra Pomaria.*

*We started the month off coming together on a regular basis to get the projects, display boards, and logistics all finalized for the Barony's first large scale public demo in a long while, at least in the last six and a half years We have been in the Barony. All we can say is our hearts are swollen with pride at what the Barony accomplished at the Demo. The displays were beautiful, the fighting was impressive and you, the people of our Grand Barony, were courteous and welcoming. You showed the world Terra Pomaria's soul. The hard work, the planning, preparation and perfect execution of the Demo resulted in much fruit already. We had 15 new people come to the Ceilidh the following Monday, We have new fighters in the Barony, We have many people contacting us for more information, and the greatest display of success for the demo was the large number of new faces that we saw and met at Bar Gemels. To all that helped, a hearty WELLDONE!!!*

*Bar Gemels was a great time. We had a tremendous amount of fun. Congratulations to all of the winners of the various competitions that were held. We were honored to have Their Alpine Highnesses in attendance, along with several members of the Noble Estate (Landed Barons and Baronesses) from near and far lands. It was also great to see His Lordship Sergeant Yeoman Grimmar and thank you to all those who contributed to the fundraising efforts to help him through his battle with Leukemia. To all the bar wenches and bouncers in the tavern, all those that told stories and sang songs to entertain, Thank you.*

*Thank you to the autocrat and staff that put on such a fun event.*

*And finally, thank you to all that volunteered time and service at the event and thank you to those that stayed to clean up after the event was over.*

*Like last month we would like to take this opportunity to remind the populace that the barony doesn't run itself. The operation of the barony relies on the time of dedicated volunteers that serve as officers, and deputies. These positions are opportunities to learn more about the operation of the society and meet some great people. If you are interested in pursuing such an opportunity please contact the Baronial Seneschal Miestrin Lindis. So come get involved and help the Barony prosper.*

*Also we have several gatherings available throughout the month, Ceilidh, Open Castle, Fighter Practice, Scribal night, Arts & Sciences days. Come join in the fun and get connected. Be active in your Barony.*

*Remember that May Ceilidh will be the last Ceilidh until October and we will be dancing! So come out and join us. Let's make it a big one, bring your friends.*

*Tourney season is right around the corner and there are many events to attend. We look forward to seeing you all and spending time with you at events. The members of the Barony are always welcome to camp with us. We look forward to spending time with the populace both at tourney and at war.*

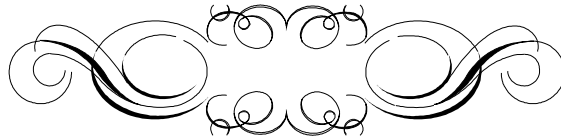

*In Service and looking forward to the Tourney season,  
Sir Ruland and Emma von Bern  
Baron and Baroness of Terra Pomaria*
