Baron and Baronessa's Opening

Words: Greetings. Francesca is under the weather and will be unable to attend tonight's meeting. It has been a busy and hectic time for the barony, but, it has been a good opportunity to meet and get a chance to know these five couples. Please remember, this is not a vote. This process gives us the opportunity to express our thoughts and concerns about the five candidates to their Majesties. It is the Crown's decision as to whom will be the next Baron and Baroness of Terra Pomaria.

We don't know when they will announce the Crown's choice. 11th night is the next big event. We hope that you will attend.

Seneschal: Polling is the big news going on. The Meet and Greet had 36 people. The question and an-

swer session had about 50 people. Regardless of the outcome, the polling has been great to bring the barony together. Thank you to everyone for keeping things moving. It doesn't matter who the Baron and Baroness are if no one is playing.

Tanist Elizabeth Turner de Carlisle

Officer Reports

Exchequer: Statement balance as of 10/31/12 was \$7279.73. Our balance as of 11/19/12, is \$7894.81, \$605.47 of which is Ithra's. Which gives us a balance of 7289.34. We will be having a financial committee meeting in the next few weeks to go over the budgets for officers, if you can make it and let us know if there are any big expenses coming up next year that would be great. I do not know when it will be yet, I will send a message out on the TP officer's list. The financial committee meetings are open to everyone. They are not closed.

Chamberlain: absent – looking for a replacement.

Librarian: absent – looking for a

replacement.

Heavy Marshall: This Thursday's fighter practice and Golden Apple Tourney are cancelled due to Thanksgiving. I have the Rapier gear, which was recovered by our new rapier marshall.

Rapier Marshall: For being revived for such a short time, rapier is flourishing at the weekly practice. At every practice I have attended we have had eager rapier combatants, one night there were 6! I have not yet completed an inventory of the rapier gear but will do so at the earliest opportunity. As I will be unable to attend practice for a while due to the demands of the work, I have turned the rapier gear over to the Baronial Marshal until I can fully resume my duties.

Lists: Nothing to report.

Target Archery: VACANT. Do we have any target archery marshalls in the area at all? Tassi is a junior and working on a senior. She is not able to hold both equestrian and TAM positions.

Equestrian: Last practice had 6 horses! No practice this month. Thinking the 1st weekend in December for practice. I am hoping that some SCA people can come to this practice as we have some new people that are interested but don't know much at all about the SCA.

Youth Combat Marshal: As far as she knows there are no YAC armor for the barony. She wants to put together 2 full sets of armor for it but doesn't have budget for it yet. Simon and Mathea will be getting together with her to talk about her needs and put it forward to finan-

cial committee.

Herald: Deputy conducted court heraldry for An Tir court held at Terra Pomaria ceiligh held 12 Nov 12. One device request was received but guidance was provided by Rae of Cour du Val.

A&S: Apologies for not being present in person, as I am recovering from surgery.

A&S this month was well attended; in addition to having an open house we had a class on Introduction to Meat Curing, taught by myself. Six people, the maximum I felt I could teach, attended and made either bacon or pancetta. Everyone got to take home a pound of their meat of choice. There was so much interest that I plan to hold another session at some point soon, and possibly add more classes such as Intro to Sausage Making.

Because of Thanksgiving weekend this month, I am going to cancel A&S this month. Next month, because of Christmas, A&S will move up by one week to Sunday the 16th of December. I'd like to have a culinary discussion--people who are interested in learning about period food or discussing it can bring recipes if they have any. We can compare sources, discuss interpretations and possibly do some cooking if people are interested.

I have been contacted by the group of people in Waldport about doing an A&S day on the coast in January. I think this is a good idea. Because of 12th Night and Urselmas, we will have to move January up by a month as well to the 20th. They are interested in a day of heraldry;

anyone interested in teaching please contact me. There can be any number of things that could be taught, from book heraldry to heraldic display to voice heraldry. I think that spreading the barony to the coast is a great idea, and would encourage everyone to go. Carpools can be arranged, for example.

Chronicler: The Privy went out this month. It now has 48 subscribers. The deadline to submit pictures, Words, event copy, or articles in the Privy is the first of each month. If you aren't receiving the Privy and want to, please send me an e-mail through the officer's page of the website.

Grete Boke: VACANT. Is there anyone interested in the position? Ji'lid voiced interest but needs to see what happens with baronial polling.

Web Minister: have been working on polling web site and other updates.

Chirurgeon: Warrant currently lapsed but working to get that corrected.

Chatelaine: VACANT. Report from Ainslee, acting chatelaine- Ceilidh has been going well. There's been new people and people that I didn't see last year. The meet and greet at the Keizer Heritage Center went well. The Hall loved us and would love to see us back. December, I'm thinking potluck. Period cooking is encouraged and I'm hoping to do a food prize. There was a demo at a high school that went very well.

Gold Key: We lugged garb out to the high school for the demo. Ceilidh has had a few pieces go out and come back in good shape. We have pieces that are never going out and I am looking at repurposing.

Scribe: If you do have a kingdom charter out we would like them back, finished if you can. We have cancelled scribal for November and December due to holidays, but the room is reserved for January.

Family Activities Coordinator: absent. Since the last business meeting I received all of the baronial FAC boxes. I now have a total of 3 large plastic bins, 1 wooden box and 1 small plastic bin. I will have a full inventory by the December business meeting. I noticed that we have plenty of games to play and many toys that can be used as

prizes. I started working on collecting pictures to make a baronial coloring book to be used at events with the first use at Bar Gemels. We want both line drawings to color, activities, and educational stories.

Event Reports

Archery Championship November 13 2012-Per event steward, final report has not been completed but will be done by next meeting.

Bar Gamels April 26-28 2013: not much new to report. Mhairi and Chris are working their tails off getting the menu together and it will be in the January Crier. Azizah says she will remake the Youth Champion regalia that was destroyed in the fire.

Long & Short June 7-9 2013: Open for bids. Looking at Adair again
ODOT Rest-Stop: Bera-The date is December 29th, Saturday. Northbound in Albany Santiam Rest stop. No fee, nice building, wifi is available. Mathea requested a show of hands on availability to attend and determined we had enough to man the Rest stop on that date.

Archery Championship October 12 2013-Open for bids.

Martinmas November 2 2013:
Open for bids.

Seneschal-We need event stewards to volunteer early, rather than wait until a few months before. You can talk to Mathea to get matched up with a supervising event steward. Lindis-I cannot commit to event stewarding for now but would be willing to commit to supervising.

Old Business

Melannei-Queen Astrid's request to do something for deployed troops.

I am making copies tomorrow (hopefully) for two baronial arms and three kingdom populace badges. I would love to have help painting those if possible. I know it's a very busy time of year, but if you have extra time that you can devote to

Dame Juliana van Aardenberg
receiving the Sable Chime

one of these five small illumination projects, please let me know. Terra Pomaria has two soldiers, and we need to provide something from the barony specifically. Lord Rychard of Croune (aka Kroon) and Brittany Johnson. Brittany has specifically mentioned missing candy during the holiday season. The list of request items was butterfingers, kit-kats, hershey's cookies and cream bars, candy canes, top ramen, instant mac and cheese and possibly Christmas cards. Mariana offered Sir Mor-

gan's hazelnuts and Mhari offered dried apples. Fortune has already picked up some candy.

New Business

Fortune-February 21, 2013-Demo for cub scouts-about the same time as fighter practice, but Peder says we'll move fighter practice and golden apple tourney for the day. We have about an hour and 45 minutes. Parents are going to be listening to fundraising pitch but leaders will be there to wrangle kids. 1st grade – 5th grade. 39 people total. Suggestions of making tabards and fighting tourney. Still working out the details.

Spring Coronet 2014: Bera has been looking at Polk county fairgrounds for tentative site. Mathea is going out to look at it and hash out details. Any potential event stewards please get in contact with Mathea.

Meeting ended 8:04 p.m.
