The Barony of Terra Pomaria

May 9, 2013

Words from Their Excellencies

Greetings to the populace of Terra Pomaria.

Bar Gemels has come and gone and I have to say that I have only heard great responses from everyone who attended it. Congratulations, and thank you to all who helped out and made this event so successful. And thank you to all of the populace that attended the event and were so welcoming to Their Majesties and Highnesses.

They shared with us how much they enjoyed the event, and it was because of all of you.

Now with this down, we are looking forward to Long and Short, and to War. I, in particular, am looking forward to camping, spending time around fires, and bardics under the stars. We want to take this opportunity to extend our offer of hospitality to anyone who wishes to camp with us, or even to just drop by and say hi. Camping season offers a great opportunity to spend time just enjoying the company of others.

In Service,
Baron Peder
Baroness Ainslee

The Long & Short of It

Our greetings unto all who read these words. As the days lengthen and the weather warms, the Barony of Terra Pomaria finds itself wanting to test the many skills of our populace and neighbors. The Long and Short of It will be held June 7-9 and will contain many ways to test your skills and perhaps learn a few new ones. There will be a tournament for the Heavy Defender of the Barony as well as the Archery Championship for the Baronial Archery Champion. There will be contests to challenge those that partake of the Arts and Sciences, a Rapier Tournament to test your steel against your honorable opponents, classes to learn new skills, merchants to show and trade their wares, and more. We welcome all that wish to attend and enjoy your time with us. More information will follow at:

Finance Committee Meeting Minutes

April 14, 2013 Financial committee meeting

In attendance: Cheri Beatie, Vern Pierce, Meredith Alden, Melanie Mitchell and Robin Giles.

Meeting minutes taken by: Melanie Mitchell.

Meeting Started: 2:20 pm.

Vern: So far we are doing pretty good on on quarterly budgets. For Ceilidh: we have spent \$250 of the \$400 budget. We didn't use all of our budget last year, due to contract changes. We will use more than our normal budget this year to accommodate the contract changes from last year. Very little has been spent of officer budgets. We haven't brought in any money in the first quarter. The coffee stop monies were deposited in April.

(Coffee Stop-brought in just shy of \$200. Mathea is pretty sure more than \$50 was spent, although we haven't received reimbursement request, but there is a huge amount of stuff left over that can be rolled over to Bar Gemels or the Chatelaine's supplies. We need to plan better in the future, as there was a lot of over purchasing. Mathea is not sure it is worth keeping the stop open in the wee hours of the morning, but we don't have to. It is a potentially viable option for fund-raising in the future. Mathea is now on their mailing list. We had a higher quality of product than than others groups do, and there was good feedback.)

The quarterly report is done. I sent off the stuff for our financial policy. I just need to print off a form and mail it to the Kingdom exchequer.

The cash box is going to cost about \$30, and I need to order it. It was previously approved as an expense, but it was not purchased. Vern, Cheri, and Meredith voted to approve the expense.

Ben Mitchell, the first aid officer, has put in a request for an emergency treatment cot for \$130. The cost is about \$30 more than the regular cots, and a cot is extremely helpful for exhaustion, heat exhaustion, treatment for something on the feet or legs. He liked that the head or foot could be inclined and someone could be strapped to it and used as a litter. These types of treatments are standard first aid, per Cheri. Vern, Cheri, and Meredith voted to approve the expense.

We got numbers from the Principality for the lawsuit reimbursement. They are returning \$1502. The Principality has requested that we donate some or all of the reimbursement to the Principality General Fund. We originally donated

April Business Meeting Minutes cont.

\$1581. Mathea suggested that we put it to the populace, saying we will give them between 30-60% and suggest 50%.

Cheri and Vern discussed the cashbox policies and how money would be handled at Bar Gemels.

We have one bid for coronets from Vrin. The sketch is gorgeous. It will be \$1100. It is not adjustable. Making it adjustable would raise the price. The device can be changed easily if we do change it in the future. Cheri will request bids from Alail and Tjorkill. If they do not want to submit bids, we will look to the Summits for bids.

Mathea proposes that we start a dedicated fund for regalia. It would be for regalia, maintenance of regalia, materials to make regalia, etc. She also proposes that we use the remainder from the lawsuit reimbursements to seed this fund. Cheri, Vern, and Mathea voted to approve the start of the dedicated fund and used the remainder of the lawsuit reimbursement to be the seed.

Meeting ended 3:31 pm.

(Chronicler's note: After this meeting the Baroness realized that the bid amount for the coronets provided in the meeting was incorrect. The \$1100 was for materials only. The final bid was \$2200. The correct amount was provided to the officers at the following business meeting.)

Meeting started via e-mail at 10:44 pm April 14, 2013.

Meeting initiated by Cherie Beatie. E-mails sent to Vern Pierce, Meredith Alden, Mathew Shultz, George Beatie, Melanie Mitchell, Traci Earhart and Rose Mary Garrels. Voting committee members: Vern Pierce, Meredith Alden, Mathew Shultz, George Beating.

Cherie Beatie, Event Steward for Bar Gemels event, proposed the following comp list for Bar Gemels.

Royals Required by An Tir and Summits Law

King Ulfr Blodfotur Fallgrson: Gate, Saturday Meal, and bed space

Queen Caoimhe (Keeva): Gate, Saturday Meal and bed

Doge Luciano Foscari: Gate, Saturday Meal

Finance Committee Minutes cont.

Simon Swanbourne (exchequer)
Kenji (chirurgion)
Magdalena (Gate)
Catarine Quiting (Lists)
Weylyn Middleson (marshall)
Don Crestien (Rapier Marshall)
Baron Gawin (Target Archery Marshall)
Maedhbha (Herald)
Leaf Wyndswift (youth champion)
Ulf the Wanderer (Family Activities Coordinator/Youth Championship)

Melanie Mitchell provided an explanation for why the bed space was provided for the Queen and King, when previously it had been decided not to offer this to Royals at Bar Gemels. There was a miscommunication by one of the event staff, who was unaware that this policy had changed in recent years. She offered the infirmary to the King and Queen. Luckily, the Infirmary is available to us as part of our contract, and the Chirurgion is staying in one side of it. The other side has beds as well. Offering the King and Queen space to stay there does not cost the Barony any more than we planned on paying when the bid was originally made.

Four members voted to approve the list. No response was received by Mathew Shultz when meeting ended April 19th at 11:55 am.

April Business Meeting Minutes

Terra Pomaria Officers Meeting---April 15, 2013

Meeting Start: 7:04 pm

In Attendance: Melannei Athenaios, Kenji, Fortune verch Thomas, Berengaria de Montfort de Carcassonne, Egen Brauer von Regensburg, Catarine Quhiting, Mhairi mon myn Cymru, Ainslee Goldheart, Peder Georg Jensen, Ulf the Wanderer, Du vessa of Movilla, Ethan Ulfson, Elianna Ulfsdottir, Countess Astrid, Duke Tjorkill, Berte le Webbere, Tassi, Somatra Devi, Akasha Devi, Alyn Trewpeny, Suvia, Emelyn de Munemuth, Lindsay Thurlow, Anja Shihova, Michel Evers, Simon Swanbourne, Milda of Hay, Captain Scott

Minutes taken by: Melannei Athenaios

Mathea is out of town due to work so Bera, her deputy, is running the meeting.

Baron and Baronessa's Opening Words: This last month was fairly slow as we did not attend as many events as the month before. Ceilidh was well received, although the baron was unable to attend. The event season is underway. Please volunteer whenever you are able. People will be needed at gate, kitchen, setup and tear down etc.

Officer Reports

Seneschal: Quarterly reports are due at the end of this month; please send them to your Principality superiors and Cc me at . Many thanks to Du vessa, Egen, Ulf, Fortune, and Kenji, who have already gotten their reports in. I'm still in need of bids for the Prelude to War, Martinmas, and Spring Coronet 2014 events. There are some proposals in the works, but nothing formal yet. If anyone has any ideas or is interested in helping on any of these events, please come

April Business Meeting Minutes cont.

talk to me.

I want to remind everyone that all members of the populace are welcome at business meetings as long as everyone is polite and respectful toward everyone else.

Duessa has been promoted to Principality Youth Armor Marshall, so that position is open. Also, Gold Key is still open. If anyone is interested in these two positions please let me know.

Exchequer: Statement balance as of 3/31/13 was \$7438.01. Our balance as of 4/15/2013 is \$7282.42, \$574.57 of which is Ithra's. Which gives us a balance of \$6863.44. So far the officers have spent very little of their budgets. I will try to inform the officers who have spent money, how much they have spent and how much is left.

Spending was approved for a \$30 cashbox, and a \$130 patient cot for the Chirurgeon. The finance committee would also like to start a dedicated fund for a regalia fund to pay for maintaining and replacing regalia.

We got numbers from the Principality for the lawsuit reimbursement. They are returning \$1502. The Principality has requested that we donate some or all of the reimbursement to the Principality General Fund. We originally donated \$1581. The finance committee would like to give 30-60% to the Principality and would like feedback regarding how much to give.

Much discussion ensued. Final consensus was to give 30% back to the Principality and use the rest to be the seed money for a regalia fund to pay for maintaining and replacing regalia. We will consider upping our regular tithing when the finance committee discusses that again.

Chamberlain: I have started invento-

rying the shed. I am expecting a whole bunch of requests to get items in the shed for Bar Gemels. If you have shed requests this week, call or text me, as I will not be able to check e-mail often.

Librarian-VACANT: no current interest.

Baron Peder and Baroness Ainslee presenting awards to the participants of the Youth Championship at Bar Gemels.

Heavy Marshall: Please thank Durin whenever you can as he has hit every practice this past month. We are working on armor for some people. Next week is Golden Apple. It is Diego's Golden Apple this week. I will send out a message about the format before this week. Next week, Heavy practice will be canceled due to the closeness of Bar Gemels. Rapier has really picked up. We've had 4-5 rapier fighters at fighter practice every week.

Rapier Marshall: Absent-As your Rapier marshal is still deployed to NJ, the rapier report will be provided by the Heavy Marshal. I would like to remind those interested in authorizing for rapier combat that Saturday morning of Bar Gemels will be an opportunity to do so as both the Rapier Marshall and Terra Pomaria's

Rapier Champion will be available to authorize prospective combatants.

Lists: I was lists for Golden Apple, and Diego won.

Target Archery-VACANT: no new interest.

Equestrian Marshall: Practice at end of March. We had 2 horses. We completed a new piece of equipment, the speed quintain. No practice this month due to illness and Bar Gemels. Crown is the third weekend of May so I will try to find a different weekend to do it.

Youth Combat Marshall: We have bits and pieces of armor that have been completed. Duessa has moved to Principality Youth Armored Marshal, and will give Weylyn the bits and pieces that are completed or will shortly be completed.

Herald: Army responsibilities overruled SCA for time and attention. I researched conflict checks for (2) armorial designs – Alina & Peder. I coordinated for field and court heraldry, and town cry coverage during Bar Gemels. Rachel Spitler (aka Emelyn de Munemuth) expressed interest for book heraldry deputy. I will not be here for next month's meeting, due to the Army.

A&S: Not a huge amount has happened this month for A&S. This month's meeting was canceled because I had to rebuild a shower. This month's falls over Bar Gemels and I'm canceling A&S for April. In addition to the overlap, my instructor for pewter casting is in the running for Adiantum's baron and may be a bit busy. Bera and I both taught classes at the Knowne World Culinary Symposium. The class for May is CHEESE. Anja—We will be doing Candle dipping on

April Business Meeting Minutes cont.

Tuesday night at my shop, Ancient Light, in Waldport. We are going to try to do something every Tuesday night, and everyone is welcome.

Chronicler: The Privy went out this month, despite a computer's near death experience and loss of Privy files. The Privy has 60 subscribers. Any submissions for The Privy needs to be sent to me via e-mail by May 1st.

The chronicler's computer's screen was broken, by a series of unfortunate events masterminded by a four-year-old. I have ordered a replacement and it will be fixed shortly. I have requested that the webminister add the release forms for photographers, models, and creative releases. They are fillable online, with an electronic signature.

I am still receiving reports at the wrong e-mail address, one that I cannot access consistently. Please double check that you have removed from your contacts AND "other contacts" if you have gmail. The correct address is and the website does have it listed correctly.

Grete Boke: nothing to report.

Web Minister: Updating as I receive information. Working on the Long and Short web page. I have not completed recreating the populace page for the site yet. I want all of the officers to send me a brief description of their job to put up on the officer's page. I'd also like to put up pictures of the officers, in garb preferably, so people know who we are. This will be helpful in helping people find who they need to talk to.

Chirurgion: No injuries to report, I will be obtaining a cot to be used to assist with treatments on site. We will have a Chirurgion warranted at Bar

Gemels!

Chatelaine: This month's ceilidh had a games tourney and an SCA 101 class. Tami won the games tourney. There were 40 people in attendance. I met 4 people at Celidh, who were friends/siblings of one of our members. We discussed the possibility of

Baroness Ainslee and Baron Peder presenting the Silver Apple award to Clovis for service to the barony.

participating in two parades on the coast in a previous meeting and I asked for more information. One parade the due date is past, and they are still looking into the other parade. Marius will contact Fortune with more information. Next month's ceilidh will be a bardic and potluck for ceilidh.

Gold Key: OPEN. Baroness says a few items were borrowed at Ceilidh and will make sure there is a good selection available for Bar Gemels.

Scribe: No activity last month but we do have a place for Scribal this month.

Family Activities Coordinator: I've been preparing for Bar Gemels. We have the youth championship at Bar Gemels. This will focus on A&S and Heraldry. The archery and heavy

portion will be postponed until later in the year. I need coloring pages for the coloring book. Right now I have 5 pages but I would like to have more. I would need to have them by this weekend to include them for Bar Gemels. I hope to have a full coloring book by this time next year. Fortune is going through background check and will become my deputy as soon as it goes through.

Event Reports

OTE Rest-Stop March 23, 2013: Everyone who came out had a really good time, and we got a lot of compliments that we had a really good spread. We were able to cover all the shifts, and we pulled in around \$200. So far, no one has submitted any receipts for reimbursements, so that's pure profit. There is also a ton of supplies left, which will be put toward Bar Gemels and/or ceilidh supplies. In general, I think it's a good idea for the future, but I think we need to plan a little better in advance to avoid extra purchasing.

Upcoming Events

Bar Gemels April 26-28 2013: It's coming along well. We sent the schedule to Their Majesties and it has been approved. The Comp list has been approved. This Saturday, the 20th from noon-5 pm we are having a pie day at Mhairi's house, making chicken pie, cheese tarts etc. for the event. If you want to learn how to make them, or just to help, please contact her to so she knows how many people to plan for. We are having a pas d'armes. Egen will publish the rules on the lists and facebook tomorrow. He highly recommends anyone who will be participating to read them in advance. The theme is pageantry. Have as much of

April Business Meeting Minutes cont.

your arms displayed, banners, personal heralds etc, displays of chivalry etc. This is a tournament of peace, a way they distracted knights when there was no enemies to fight. Msgr. Christien has put together a wonderful rapier day. There will be a 3 hour authorization workshop before the tournament. If you e-mail him your information before the workshop he will have your cards ready at the end of the workshop. There is a brewing competition-anything fermented. The youth championship has a bardic section that will happen during the lunch hour in the main tavern. Around lunchtime I strongly encourage you to stop by the tavern and support these children, as it takes a lot of guts to do this. Suvia is running the children's clothing contest. All of the entries will be donated to the western children clothing exchange. She is still looking of one really amazing prize to give for the Baroness's choice.

Long & Short-June 7-9 2013: The site is reserved but I only received the contract from the site today. I am still looking for volunteers and teachers for classes. This will be a jam-packed event. We've had our first autocrat event. We will have a siege cooking competition, a hunt & smuggle. There will be a box that you will have to fit all your ingredients that you bring. Next autocrat meeting is May 5th. Need Archery marshall. We will have heavy defender. We have a scribal competition, largess contest, (6 like items) the winner gets a prize and the the entries are donated to largess. There will be a bardic.

A Prelude to War, August 9-11, 2013: No bids. Egen is still looking into sites, and different names.

State Fair Demo August 25 2013:

We are still looking into it. Someone else will have to run it. I can get it all organized but won't be in town.

Martinmas November 16 2013: No bids. Berte is still looking for a site.

Spring Coronet March 28-30 2014: no bids

Old Business

Acorn War: The autocrat team has asked if we could help and receive a portion of the proceeds. It is the last weekend in June (28-30), which is right after investiture and right before West War. They moved the

Newly named Santinus de Ferrara receiving his Award of Arms from Their Majesties at Bar Gemels 2013.

date because they wanted to make it easier for us. Consensus is that we do want to help. The Baroness will commit for us to help. They didn't ask

specifically for someone to head any department, but they will need volunteers for gate, marshalling, equestrian...

Baronial Garage Sale: This has been a great source of income for the Barony in past years, getting income from outside our members. Bera will look into sites.

New Business

Summits Road Show: We would like to hear from fighters and consorts for ideas of an agenda. How can we make combat more enjoyable for the audience, the consorts etc... Contact Tjorkill, or Durin.

Duke Tjorkill's workshop: Duke Tjorkill has gotten the ok to have space in his workshop for us to use. If anyone can help any time during the day M-F to clean up the shop it would be appreciated, so that we can start doing armoring workshops or teach about leather work etc. There probably would even be room for an indoor fighter practice. During the day is free of charge, evenings they'd want a donation for paying for electricity. If you have ideas of what you'd like to do or learn, please contact Vrin or Tjorkill.

Coronets: The first bid for the coronets has come in from Vrin. It is sterling silver, and should be able to fit a large head or a smaller head with padding. They incorporate local plants and animals in the design. The total would be \$2238.61. We have also asked for bids from Tjorkill and Alail. We would like to give metal workers within the barony first crack at bids.

Meeting ended: 8:45 p.m.
