## Barony of Terra Pomaria

### Words from Their Excellencies

June 25, 2016

Unto the glorious and joy filled lands of Terra Pomaria do we, Weylyn and Lindis, send greetings!

As we all take a deep relaxing breath from the activities of the last few months we would like to take a moment and reflect on all that has occurred.

As we said a tearful goodbye to Their Excellency's Peder and Ainslee we were awed by the support of the populace at Egils. To see so many Terra Pomarians, decked out in Blue, yellow, and white, waving silk banners, and showing the pride they have in these lands we were aware of the weight of the coronets being placed on our heads and proud to have the opportunity to show the crown the splendor of the land of the apples.

Moving into Investiture we were proud of the support the populace showed to Turk and Vesta as we said goodbye to 6 months of laughter and the Summits shining bright. The cheers rang throughout Stonehenge Farms for the arrival of the fierce Prinz Sverre and kind Princezza Brecca. Terra Pomaria's service and welcoming nature reminded the principality of the sweetness of the apples of the north. Weylyn and I were proud of how many of the populace showed up the day before to assist with set up and stayed late into the day to tear down. Your service in those moments helps build community and insures our autocrats continue to serve.

The Long and the Short of It, though small, was a gargantuan amount of fun. Equestrian, Heavy fighting, Archery, Arts and Sciences, heraldry, Archery, ceremony, friendship, silliness...even bocce ball, this event had it all! Again we were proud and amazed at the generosity of Terra Pomarians. We were honored to share with you all our first court and honored still by the populace who showed support in swearing fealty and service. As we strive to help foster and grow our beloved Barony, we also had the chance to take on several Pages of the realm to into our service. May the youth of our barony challenge us to remember to take time to play and have fun as we travel this road together.

The defenders tournament was hard fought and the ultimate victory went to Viscount Sir William Geoffery the Rogue inspired by his consort Viscountess Dianne. The Archery Championship culminated in the skill and accuracy of Radu Dragomir, inspired by the lovely Viscountess Acacia. Please welcome our new champions!

As we look to the future we begin to prepare for WAR. West /An Tir War will find Baron Weylyn on the field, carrying the banner of Terra Pomaria alongside our Defender and the Summits Army. All fighters of the Barony are encouraged to follow Weylyn into battle for the glory of our King and An Tir and the Summits! We will be hosting a Baronial encampment near the war field. If you have not made arrangements please stop by and be welcomed.

July Coronation, held near Vancouver Washington will be the next on our Progress after war. We hope to see you all go to support our Crown and Kingdom. Crown events are a wonderful opportunity to expand your knowledge and skill through classes and witness the pageantry the society has to offer.

We are overjoyed to begin this adventure with you all and hope to see you at events this summer.

In service to Crown, Coronet, and Terra Pomaria,  
Weylyn Middleleson, Baron of Terra Pomaria  
Lindis de Aquisgranno, Baroness of Terra Pomaria

### Baron and Baroness' Opening

**Words:** Weylyn had been a whirlwind last few weeks. Thank everybody. Had amazing turnout at Egils. How wonderful we all looked. Did us very proud. Many compliments. Amazing event set up and tear down was made so easy for both events. We should support fighters by showing at War. So come out and let them show their honor. LinDis amazement. Reminded how strong barony is. Had momentary thought of how wonderful stewarding was.

Volunteering is what makes us. Thank you everyone. Thanks for everyone patience with polling. The net three years will be different. Hope we all have a great time for the next three year. If you wish to read thought our well worded and flowery things read the privy.

### Officer Reports

**Seneschal:** Much has happened in the past month; The changeover has taken place amid great pomp and circumstance and such an outpouring of affection from the Barony it brought tears to me eyes. It was a glorious sight to see and I am so proud of Terra Pomaria for proceeding with grace and dignity in these past several months of many changes. HL Mathea has gone on to pursue opportunity and adventures in the West Kingdom and we wish her well. In her absence I have stepped forward as Interim Seneschal. The position of Seneschal is open and accepting applicants for the next 3 months. All interested parties may apply in writing to Their Excellencies and myself. On the third month their Excellencies will make a selection. Paperwork was signed at Investiture to warrant me as the Interim Seneschal and allow the business of the Barony to continue.

Nov 18 to 20 is the Seneschal and Exchequer retreat. Per policy the Barony will reimburse exchequer and seneschal and one deputy each. Waivers are both forwarded for Investiture and Long & Short.

### **Social Media Deputy-VACANT:**

**Family Activities Coordinator-VACANT:** Back check felix fortune myself submitted.

**Exchequer:** Bank balance: \$12,394.35. Ledger balance: \$10,710.07

Financial committee notes: On May 17th, the committee voted to raise the Long & Short budget by \$200 to cover an unexpected jump in biffie costs. The committee also voted to approve the L&S comp list. Committee member at large from the populace will take place tonight. I do plan on stepping down in January, and would really like to have a deputy trained to take over. Plus, there's that whole deputy seneschal/deputy exchequer in the same house thing. If anyone is interested in knowing more about the position, please get a hold of me. I'm more than willing to meet up and chat.

**Chamberlain:** During the past month the Barony loaned several

items to Bera and all were returned in good order. As of Friday night all of the items checked out for Investiture had been stored on site for Long & Short. I expect them to be returned Sunday. I purchased two collapsible lanterns for the gate box and requested reimbursement.

**Librarian:** I hope every ones doing well. Nothing new to report with the library itself. I've been notified several times my term ended in January. I'm sorry I fell behind on that. Lady Blackthorne has also informed me that there is another interested in the post. It might be wise for me to step aside and let the more active person take the Librarian reins until such a time as i can come back to the meetings and get deeper into the SCA again. I feel terrible that I basically vanished after taking the post. I hadn't expected life to flip flop so badly around them. The position is open three months send apps. One interested app currently.

**Heavy Marshall:** Randlall Blackwolf was asked to step in and help people learn how to fight and make armor, as deputy. Sign change form. No injury or accidents.

**Rapier Marshall:** Practices have been light, but we had two practices delayed due to functions at the school. Happily, there have been no incidents or injuries to report. Golden Apple was a fun format, with Kenji winning. The next rapier Golden Apple will be July 7th. There was no official rapier at Investiture. And, of course, there was The Princess Bride Tournament at Long and Short. With Christien de Valois as the winner. Santinus and I are in

the process of transferring the Rapier office to him. I am willing to stay on as a contingency deputy. If he is OK with it, we can start the process at business meeting. Santinus spoke to his experience and plans. Stepped out. Vote carried. Sign form for change.

**Lists-VACANT:** If interested, please send applications to the Baron and Baroness and Seneschal.

**Target Archery:** May was a busy month! We had practices every week, except 1. We canceled thee practice between Memorial Day and June Investiture as no one was able to attend. We have regularly had 5-7 archers in attendance including some children archers. No injuries to report. During June Investiture we had 8 children compete in a children vs. adult archery fun shoot. The children beat the 4 or 5 adult archers. Despite the heat, much fun was had by all out at the archery range. Great championship Radou is new champion.

**Equestrian Marshall:** Not much to report this month. The next official practice is May 25th. As always, please let me know if you are interested in attending. Long and Short of It is this weekend. I believe we have a number of horses attending. As always, please be mindful and make sure to ask the horse owners about petting or providing treats. Fingers can sometimes look like carrots! Please make sure to sign ALL of the waivers too!

**Youth Combat Marshall-VACANT:**

**Herald:** We've had six items registered since my last report!

Baron Weylyn and his lovely lady (E) Leora registered names and coats of arms, while Andrew Crowe registered an alternate name and a badge. Lady Fortune's arms were reblazoned to fit new standards (differentiating between new-world and old-world plants). I have a flag for Marcus Valerius Taurus almost done, but it won't be up to speed by the meeting tonight. Should be good to go moving into the coming month, though. Queued up for the future are Keziah, Weylyn, and Leora, all of which are going to be great fun. Good job, everyone! Keep submitting things while you've still got me! Speaking of which, it's time for me to start looking for a successor. Technically I'm not due to step down until January, but I'm having a baby in December, and I'd like to get our new herald in place before that happens. Please let me know if you're interested in learning about the position! My plan is to stay on as a deputy, so you won't be in it alone. :) That was about it -- my official Long and Short report will be for next month, but generally speaking, let me just say it was a big success. Woo~

**Arts & Sciences:** There was no A&S during this reporting period due to the May class being moved up so it didn't conflict with events. Starting July A&S will be on the 4th Monday of the month until the conclusion of the eventing season. Next Sunday will be the bench & marzipan marchpane classes.

**Chronicler:** Nothing to report

**Grete Boke:** VACANT Discussion of what the office is and does (official historian). Also, what has been done by past officers.

## June Business Meeting cont.

**Web Minister:** Updating the website as I receive additional information. I am looking at alternative set ups for the site (Wordpress, squarespace, etc.) and will report more as I learn more. Seeking replacement.

**Chatelaine:** I would like everyone (who hasn't already) to welcome my Deputy Losir (Alexa Grey) Many of you may already know her, if you don't please take the time, she is a wonderful lady. As she has held this office in the Barony before I have every faith she will excel at it when she takes over this season. Its been a rather hectic month. We have had 2 events this month, keeping everyone hopping. I was only made aware of 2 newcomers at Investiture, however the Principality Chatelaine was in attendance so any others were likely directed to her. At Long & short I had the pleasure to meet several newcomers, most of which had come with an SCA member so they had their own tour guide already. One lovely lady, Louisa of Lorne, who was new had even created her own personal newcomers badge, which was wonderful to see. I feel we will see much more of her and she will be a wonderful addition to the populace. Speaking of the newcomers badge/device. There has been a lot of chatter about it recently, and the pennons that the Barony has are now back in the Barony. The badge design was created so that people who are new can readily identify people who go the next step beyond the normal welcoming and engaging level of the SCA. Members and households can post a form of the device in there encampment/space etc to show

newcomers that it is a place to sit a spell and feel like they have spot to call home for a day. We all know that most of the Barony falls into this category, but to the newcomer who is quiet, or introverted, having that beacon to look for can be the icebreaker they need. It has been discussed in the past to create some badge etc to identify newcomers. This creates that ability in reverse. However, as Louisa created her own and wore it quite proudly, I feel creating a few of these that newcomers can have available to them if they wish to wear one. Those and the newcomers necessities loaner bags can help people to feel more at ease at those first events. I was also approached at non events on 2 occasions and unfortunately was caught without any fliers or postcards. If other people have had that issue, I would like to suggest a special purchase. To create Baronial/SCA calling cards that people can carry and hand out when people inquire. Example, when we have to stop in to a market while in garb. Having a card handy when people ask could be of benefit. Simply directing them to both the SCA newcomers portal and the Baronial website. On other issues. All the property from my predecessor has been returned. It will be cleaned and inventoried and stored until it is needed again. There is quite a bit of paper goods etc. much of the foodstuffs are passing their shelf life and will most likely need replacing before next Ceilidh season begins.

**Demo Deputy:** Below is my list of current Demos and whether or not any changes have been made to

their information. Yoshikai Demo- Complete. Everyone had a good time. we have been invited back next year by the same teacher and another one. Canterbury Faire- July 22-24th I'll put the call out for volunteers this week. I am looking for fighters and artisans alike. Toledo Faire: July 23-24th - Volunteers needed. If you want crash space, Marcus has offered his home. We will put the call out for volunteers out for that as well. YMCA Camp- August 12th, Friday- We have been asked to put a demo on t the local YMCA day camp on Friday August 12th. Any and all volunteers needed. For more info, contact me. Cmp Toaloli (sp?)- I have been contacted, but have no further details at this time.

**Gold Key:** Gold Key was available at Investiture, was used by 2 people. Both still have their items and are planning to be at Long and Short; I will get them back then. Also at Investiture I received two children's items from Vis. Luciano to add to our collection. Forgot to include in May's report that Berta donated 3 items to Gold Key. Gold Key will be available at Long and Short. That is the last event I am aware of that need Gold Key until Ceilidh starts next fall. Please let me know if there is something else that needs Gold Key before now and then, and I'll see if I can get it there.

**Scribe:** The May Scribal Night was Wednesday, May 18 from 7-9pm at the Ike Box Cafe in Salem. It was attended by 6 people. 4 (Gwyneth, Melannei, Alyna, and Rebekah) painted invitations for Long and Short. Sindri worked on calligraphy for Long and Short invitations.

## June Business Meeting cont.

Lynne worked on painting note cards. The June Scribal Night was Wednesday, June 15 from 7-9pm at the Ike Box Cafe in Salem. It was attended by 3 people. Lindis and Nina painted cards. Sindri worked on calligraphy for Long and Short. In July, Scribal Night will be Wednesday, July 20 from 7-9pm at the Ike Box Cafe in Salem. Work on current and upcoming baronial charters will continue and we have some Principality charters that need some paint!

### Past Events

**Investiture:** Greetings, Investiture was HOT, but a lot of fun. I am still getting all of my information put together for the full report, but I do know enough to say that we paid all the bills, and I didn't have to fill out any extra paperwork for emergencies and injuries. My full report will be given next month.

**Long & Short:** Great time. Report forthcoming.

### Upcoming Events

#### **Martinmas, November 5, 2016:**

Now that the mad cap event crush that made up April, May, and June is over we can all take a breath as we gather our thoughts, focus, and strength for Martinmas. The contract and check are being handed to the event site liaison at Business Meeting and the first event planning meeting is scheduled for Wednesday July 13th at Better Than Mama's cafe inside in the Broadway Coffeehouse at 1300 Broadway St Salem Or. **Member at Large:** The Member at large for the financial committee was selected by drawing blue cards: William Brannon.

### Old Business

Fundraisers for thrones: currently no funds saved, but will ask for bids so that we know how much needs to be raised. Baron & Baroness will come up with guidelines for what is wanted. There is a scheduled auction at martinmas that is slated to go to this fund.

Garage Sale Fortune has cans that need to be turned in. Jack le'Orange volunteered to take them.

Legion Hall should we keep manning bingo night concession? One night a month from 4:30 to 9:00 pm. Cost benefit is not high. Need more volunteers. Create a pro con list and dedicated volunteer list. If we are to continue this there must be a strong show of support.

Pavers have not moved forward on this.

Coast liaison discussion is tabled until a meeting with the coastal members can be arranged to discuss how to meet their goals and explore options.

Business meeting site No movement on this as all explored options are unsuitable. It was suggested that we start looking for non-food related options.

SCA.org signs Needs to do more research on the costs for updating the existing signs.

Baronial storage asking for a committee to look into options and costs. Need to come to terms with the fact that this will cost the barony. Bera and William volunteered to look into some things. William volunteered his place for storing a trailer if that is the way we go.

### New Business

Bar Gemels now accepting bids. Keep in mind that they must be submitted 3 business days before business meeting. Send them to the Baron and Baroness and Seneschal. If you are interested in being a steward, the Seneschal has resources.

New comers event would like someone to look into an event with no fee focused on newcomers.

Bera requests to borrow some of the baronies things for royal tea at war. We see no problems, ask that Bera transport. Vote carried.
