

The Drivy

Barony of Terra Pomaria

Martinmas

August 25, 2016

*Remember, remember, the 5th of November,
Wasn't there some kind of plot?
It should be no mystery
Why this treasonous history
Ought never be forgot!*

The Barony of Terra Pomaria invites you to join us for explosive Martinmas fun on November 5th, 2016, a most auspicious date for a most auspicious gathering! Challenge yourself and others in the rapier championship and prize tourney contests, or our A&S Championship! Take a class! Feast at our feast! Participate in a largesse derby! Take a chance and bid on an item (or ten) in our silent and live auctions! And as for any villainous scum that may be a-lurking and a-plotting, we will have a chance for our children to help hunt them down and save the day. We look forward to having you join us for a day of friendly competition and dastardly deeds!! Unless, of course, they can be averted.... Let noble lords and ladies gather to defend our beloved Royals from vile plots of dread treason!

There will be a dayboard available at midday of soups, rolls, vegetables, etc for a small donation. All proceeds from the dayboard go to the Summits General Fund. The event will conclude with a pre-registration only feast created by Baroness Ainslee Goldheart and Mistress Mhairi mon myn Cymru. During the feast there will be a live auction to benefit the Baronial Regalia fund and live entertainment from the Baronial Courtiers at his Excellency's command. For those of a fiery spirit and quick wit there will be a Shakespearean insult competition betwixt courses. We will be collecting non-perishable food items at Gate to benefit the Marion-Polk Food Share.

Baron and Baroness' Opening

Words: We have been to a few events. Some of them phenomenal. Thank every one for Investiture. People felt very welcomed. Personally thank those who took care of the Baron at War. We want to have more of encampments where we can all get together in evenings and talk. Thanks for the joyful service.

Officer Reports

Seneschal: Attended the seneschal meeting at Coronation - NMS no longer being used rather Member Discount. NMS must be submitted

in 10 days to kingdom. Kingdom website has had a lot of downtime. Attacks against one branch. Moving everyone to their own server. For events must not comp individual rather an office. Event staff must be approved 30 days prior to event. Replacement for offices should be recruited through enthusiasm. It is important to use dedicated official email addresses. Taking on Fortune as special project deputy. Stepped out to discuss. Vote carried.

Social Media Deputy-VACANT:

Nothing. Accepting apps

Family Activities Coordinator-

VACANT: Nothing. Accepting apps

Exchequer: Bank balance:

\$10975.19. Ledger balance:

\$10765.19.

Financial committee decisions:

\$400 gate seed for Investiture was approved. The committee voted to purchase a 10 x 20 pop-up, with options to be discussed first with the Chamberlain. The Long & Short comp list was approved. There was also an emergency vote at the event to add the Herald to the list. It was approved to tithes an additional 10% to the principality for Investiture. I am still planning to step down in January and would

really like to have a head start working with a deputy to ensure a smooth transition. Feel free to contact me if you would like to know what all is involved with being the exchequer, no strings attached!

Chamberlain: We currently have 11 kitchen utensils checked out to Countess Berengaria de Montefort de Carcassonne. They were checked out for An Tir West War and we are coordinating the return. All items from Investiture and Long & Short have been returned except for the privy lights. Five of the 6 lights, Sir William Brennan is replacing the batteries before returning them. The other one went missing during Long & Short. We have a large amount of lost and found from Bar Gemels and Investiture. The event stewards have pictures of all items, but I have custody. If something went missing and you think it may have been at one of these events please let me know. Long and Short only has one found item, but it's a BIG one. If you are missing a dayshade, please contact me! I'd also like to remind the event stewards that our customary requires that we publish a list of those items in the Privy, and I'd also recommend sending out a list on facebook and the yahoo group.

This is the July/August 2016 issue of The Privy, a publication of the Barony of Terra Pomaria of the Society for Creative Anachronism, Inc. (SCA Inc.). July Business Meeting cont.

In the case of Investiture, publishing in the Echoes would be a good idea as well. Owner of dayshade was located.

Librarian: Nothing new to report with the library itself. As mentioned before I've been notified several times my term ended in January. I'm sorry I fell behind on that. Lady Blackthorne has also informed me that there is another interested in the post. It might be wise for me to step aside and let the more active person take the Librarian reins.

Heavy Marshall: A few different people are showing up. One young fellow using loaner gear.

Rapier Marshall: Practices are still light with 4-5 fighters. There have been no accidents or incidents. We would welcome Darien and Monica Streight to the fighting community. Attached is a scan of the minor consent form for Darien. No rule change updates that I am aware of. There will be Rapier demonstrations at the Upcoming Canterbury demo with yours truly acting as Rapier MIC. The golden apple tournament was held on July 7. The format was two-handed sword with the winner being Levi Grimes. I would like to thank Magnifico Luciano Foscari and Eoghan ÓBriain for letting us use their blades for the tournament.

Lists-VACANT: Nothing. Accepting apps

Target Archery: June was a great month for archery with weekly practices and a great event at Long and Short. Where 11 archers competed in the Championship shoot with 7 of the archers vying for the title of Archery Champion. Radu Dragomiur was the winner of

the shoot. I, Keziah, have completed my term as Marshal and have stepped down. Further reports will come from the new Marshal, Jacques d'Orange.

Equestrian Marshall: Last practice was on 6/25/16. We had 4 riders and 4 horses. There were a total of 9 people in attendance, 2 being newcomers. I still have some repairs to do on some equipment, which is largely just wear and tear. I don't expect there to be much cost in this repair, mainly time. Next practice is July 30th. As always, please let me know if you would like to attend, and if there are any requests for ground crew classes that can be addressed as well!

Youth Combat Marshall-VACANT: Nothing. Accepting apps

Herald: No new registrations this month yet, though the LOAR is due any day now. I'll report on it next month so I can get this one out on time. At our business meeting I'll be delightedly showing off the VERY cool (and newly beflagged) arms of Marcus Valerius Taurus! Huzzah for him! The big news, of course, was Long & Short. Here's a list of the awards given out by our baron and baroness: Clovis - Gime Stone - Ruby, Randall Blackwolf - Silver Apple, Elizabeth Turner de Carlisle - Order of the Iris of St. Elizabeth, Elspeth Ainslee Goldheart - Heart of St. William, William Geoffrey the Rogue - Defender of Terra Pomaria, Radu Dragomir - Archery Champion of Terra Pomaria, Sigmund Helmschmiede - Silver Apple, Peder Georg Jensen - Heart of St. William, Nadezhda Volynskaiia - Honorary Citizen of Terra Pomaria. Their Excellencies also designated a

handful of new retinue, and even some pages! Exciting stuff! I want to give huge, huge thanks to some major helpers at that event: Andrew Crowe, Ji'lid al-banna ibn Hyder, and Santinus Contarini. Each of these gentlemen took over one of the three field tournaments we held that day, and though I tried to be on hand to help, they each carried their entire event single handedly. This happy pregnant herald got to peacefully man the consultation table (where I received three clients), finish getting my archery marshal certification, and save my energy for evening court. I also had a large number of people pop up as needed to help with town cries, and just generally had more volunteers than I had work. It was lovely. Thanks, everyone. Remember, I'm looking to step down this fall, so keep rubbing your chins and pondering whether you want to step up to the most fun office in the society!

Arts & Sciences: Last month's A&S was held at HL Ulf and HL Duversa's home. Duversa taught a marzipan class in which there were 2 participants (and many tasters). Ulf taught a Norse wooden bench class that had 6 participants. This brings the totals to 2 teachers and 8 participants. Both classes were well received and requests were made for more cooking and woodworking classes. Plans are currently in the works to meet those requests. Next class will be belt frog, for holding mugs. Mhari will be doing pie making class in sept or oct.

Chronicler: May and June minutes were posted to the yahoo group. I have sent February thru May

July Business Meeting cont.

Privies to Kenji for publishing on the web. June's will be done this week. I submitted my quarterly report.

Grete Boke: VACANT Nothing. Accepting apps. Seneschal has supplies.

Web Minister: I am working on a few updates and playing around with moving the account to a Wordpress or Squarespace account to make it easier for my successor. Speaking of which, I am looking for someone to take over, if you are interested let me know.

Chatelaine: 5 newcomers contacted me. One is a family of 3 attending archery practice. Ceilidh site - working on contacting them. One new comer at the meeting tonight she is from Caid.

Demo Deputy - Canterbury Faire Demo: Gate list was turned in. I am contacting my volunteers to let them know what they need to bring/ not bring. I will need to borrow the Barony's Water cooler, small round tables, Banners, one sandwich board, Eric ropes, poles, blocks and games.

Toledo Faire Demo: Marcus is Point person. Volunteers are set up. They will be using the Demo boards and Brochures.

YMCA Demo: Looking for Volunteers for a Friday August 12th for a demo at the YMCA Summer camp. Point person is Mhairi.

Looking at Board game night at the local game stores for September. Highness is very interested in game nights so one on one connections can be made.

Norwescon approved of our

participate as entertainment on the stage. Suggested do a heavy fight demo. Aug 13 & 14. Need fighters and support staff.

Gold Key: Gold Key was available at Long and Short, was used by 4 people. All four returned their items, as did one of the gentles who had borrowed items at Investiture. I spoke with the other person and put their item on long term loan for the season. As of 7/18/16 I have received almost all of the Gold Key items, including the loaner feast gear. There are a few items that are still out (being washed), and then transfer will be made on those. I will be working on inventory, and coordinating with Gwenneth to get them to the offered storage. Please let me know if there is something else that needs Gold Key before the first fall Ceilidh, and I'll see if I can get it there.

Scribe: June's scribal night was included in last month's report. Many charters were painted in the Iron Scribal challenge at Long & Short and were sent along with the Principality Scribe. In July, Scribal Night will be Wednesday, July 20 from 7-9pm at the Ike Box Cafe in Salem. Work on current and upcoming baronial charters will continue and we have some Principality charters that need some paint!

Past Events

Bar Gemels. - Will be in for august meeting. Waiting on info from others

Long and Short - Seneschal working with steward on report. They had family emergency.

Investiture - The check and financial report has been mailed to principality. The rest of the report will have to wait I am still waiting on some reports from people. 134 adults 16 children.

Upcoming Events

Martinmas, November 7, 2015: July 13 planning meeting 12 people in attendance. Need gate and volunteer coordinator. And family activities. Plotting on highness life. Feast coming together well under Ainslee's guidance. Added \$10 lower feast fee for ages 6 to 12. Putting a recipe book together as a fund raiser. Milda will coordinate day board. Donations received from the dayboard will go the Principality. Auctions planned: silent and live. Need items. Contract and check to church.

Old Business

Fund raising for thrones. Baron and Baroness working on guidelines. Legion Hall pro con list. Maybe only doing the special events when there will be a high count of attendees.

Pavers - Radomir has pavers to start the project. Fortune offered ones at parents.

Sca.org signs- our signs rock. Reflective coating cost for adding the .org - the inexpensive option ruins look of sign. Found company that would cost \$14 per sign. With 13 signs - too much. Other options getting reflective tape and cutting the letters our selves for \$8 to \$10. Brought up getting fluorescent paint which would cost a little more Gate popup options. Milda asked for clarifications on specs.

July Business Meeting cont.

Baronial storage. Need better idea of volume of stuff.

Bar Gemels is still accepting bids.

Officer Reports

Seneschal: Welcomed newcomers. In the past month, following finance committee's approval, the Ceilidh site contact was reviewed and signed. A check was signed and both were delivered to the Willamette Historical Society by HL Fortune. I have requested more information on the Seneschal and Exchequer retreat for November and am awaiting response. Use your gmail address for sending

reports. It is really helpful. Suggest that if you have documents that need to be saved create a drop box with gmail account, so they are there for the next officer.

Social Media Deputy-VACANT:

Nothing. Accepting Applicants.

Family Activities Coordinator-

VACANT: This is a vacant office and any interested parties are invited to e-mail their Excellencies and myself.

Bb.terrapomaria@gmail.com and tpseneschal@gmail.com

There was activity this month! Administrative, but still important. I am pleased to announce that I have received confirmation from corporate of my approved back ground check for Family Activities. The back ground check is good for two years and while I am not personally interested in the office, I am happy that we will be able to have family activities at Baronial events.

Exchequer: Bank balance/ledger balance: \$10,285.19

I am still looking for interested parties to learn the ways of the Exchequerate! I will provide a free, no obligations consultation to anyone who would like more information.

Finance committee decisions that were made in the last month: Financial committee voted to approve the Ceilidh site fee of \$480 and payment was made.

Chamberlain: We still have 11 kitchen utensils checked out to Countess Berengaria de Montefort de Carcassone and 5 lights checked out to Sir William

Brennan. The demo deputy checked out many items for the Canterbury demo. All have been returned except for the games and children's activities supplies, which she used the next week at another demo. I have sent the dimensions of the shed to Bera as requested. Width 112" X Depth 119" X Height 103" We use nearly all of the floor space, and all of the shelving space against the walls. I have purchased a replacement cord for one of the coffee pots. The cost was \$14.79 and I'll be requesting reimbursement.

Librarian: Nothing new to report with the library itself. I'm mostly just waiting to hear news on the new Librarian so I can get the books and shelves packed up and over to them. Until then everything is doing fine here. Till next report.

Heavy Marshall: Attendance is low at weekly practices. I am building up loaner armor, we now have 4 helms available. I will be working with His Excellency to get the rest of the kits in better shape and more usable by a wider range of people. As always it is a positive note that there were no injuries this month. Have been getting mountain's edge visitors. Fighter practice on the 25th is canceled.

Rapier Marshall: Practices are getting a little bigger with an average of 6 fighters. No accidents at practice. No rule changes that I am aware of. There are no upcoming events. I have attached the MIC forms for the Canterbury demo. I will submit the forms for YMCA demo on 8/12/2016 with next months report. Golden apple was held on August 4. The format was double elimination sword and

August Business Meeting cont.

buckler with the sword in your non-dominant hand. The victor was Don Andrew Crowe.

Lists-VACANT: Nothing. Accepting Applicants.

Target Archery: no report not in attendance

Equestrian Marshall: Not much to report this month. Practice last month was cancelled. Next practice is scheduled for August 20th from 10am-12. As always, please RSVP if you would like to attend. I believe temperatures will be extremely warm on Saturday.

Youth Combat Marshall-VACANT: Nothing. Accepting Applicants.

Herald: Not much going on this month. We had no registrations or returns among the populace, but the kingdom of An Tir did transfer control of all its minor heraldic titles to the localities that use them. That means Terra Pomaria now officially owns the title "Hazel Leaf Pursivant," e.g. the title I'm currently using as baronial heraldic officer. Doesn't really make a practical difference, other than removing some red tape if we ever decide to change it. At the business meeting I'll be presenting the (very pretty) recently-registered arms of Keziah Murdock, in the form of her new flag. My queue at the moment is just Baron Weylyn and Lady Leora, but I expect that line to get a lot longer in the coming months, as we have a ton of stuff lined up and awaiting approval on OSCAR. It's pretty awesome. I'm also currently super available to work with anyone who'd like input on name or armory ideas. :) We're drawing ever nearer to the day I'll need to step down, so I hope people are thinking

about stepping up! I'm imagining that September will be a good time to make the call official, and October would be a good time to chose someone, and November would be a good time to swear the new person in. I'll be the herald in charge at Martinmas, but it'll be a fantastic opportunity for my successor to get some practice in, too.

Arts & Sciences: July A&S was the leather belt frog class, there were 4 people in attendance (and one kitten). One instructor and 3 participants. The class was fun and the participants seemed to enjoy themselves, this will be a class that will be repeated in the future. For those who do not know, we were asked to move out of our house at the end of our lease due to one of our landlords needing to move back in. This was extremely short notice for my wife and I, only a month, so we started looking for a new house. While we did look at places in the Salem area we also looked at homes in the Portland area due to my work being in Lake Oswego and my school being in downtown Portland. We found an amazing home in southern Wilsonville's Charbonneau area. Unfortunately this puts me just over the county line into Clackamas county and out of TP. I will always be TP in my heart no matter where my home is and I would love to remain your A&S Minister at least until my term is over. To do so though I would like to request finding me an active deputy who lives in the area. Provided we can find me a deputy, I am officially requesting the ability for me to stay on even though I am no longer

living within the TP border.

Chronicler: I have not accomplished much this month and was not able to get caught up. Hopefully this weekend I will have time to publish July minutes and complete June's Privy. At least this is on time.

Grete Boke: Nothing. Accepting Applicants.

Web Minister: Working on some updates to the site and looking for a replacement web minister. Keep sending me updates and corrections everyone.

Chatelaine: There hasn't been a great deal going on from my position. Most of this months activities fall under our incredible Demo Deputy extraordinaire. Demos for both Canterbury Renn Faire and Camp Greider YMCA camp. Those should be covered in her report. We have had a few new faces stop in at Fighter practice and archery. Nathan, Monica and Darien. They have been working with the rapier fighters at practice. I have had 2 other contacts via email, routed to me via the Seneschal. Still working on those. I have also been approached on 3 separate instances by people asking about the SCA from just the stickers on our car. Flyers are great, but we feel that perhaps business cards or postcards might be a more convenient form to share the key details/web addresses/email etc. Is this something that has been brought up or could be re-addressed? Not much else going on with the office. It is my hope to convey the office over to my deputy Losir as soon as we are able. Our family is still

August Business Meeting cont.

enduring a significant ongoing health situation, for which I am the primary care-giver. I feel that I am not able to give the position the attention it deserves. When the time comes I will happily stay on as the contingency deputy in case of emergency.

Gold Key: A selection of children's sized items from Gold Key were available for viewing/trying on at the demo at Canterbury Faire, 7/23/16-7/24/16, and was much enjoyed. That selection plus a couple larger sizes was also checked out by Lady Fortune for use at the demo held 8/12/16; she should be getting it back to me shortly. As always, please let me know if there is something that needs Gold Key before the first fall Ceilidh, and I'll see if I can get it there.

Scribe: The July Scribal Night was Wednesday, July 20 from 7-9pm at the Ike Box Cafe in Salem. It was attended by 5 people. Rose Atherton painted a principality charter that I need to pass on, Mellanei and Lyonete de Cousturiere worked on note cards, Alyna hung out and worked on some weaving, and Sindri made a couple of sample alphabets on pergamenta. In August, Scribal Night will be Wednesday, August 17 from 7-9pm at the Ike Box Cafe in Salem. Work on current and upcoming baronial charters will continue and we have some Principality charters that need some paint! As always, there will also be some note cards for those who don't feel up to tackling a charter.

Demo Deputy: Lots to report. We had 3 demos since the last

meeting.

Canterbury Faire- We had hundreds of people through our camp area. We demoed weaving, armor, Rapiers fighting, Board games, wood carving, stone carving, garb, wire weaving, chain mail...and lots of other stuff. We participated in Schtick with the Queen, and Dancing with another group. The following people volunteered: Fortune, Santinus, Rook, Mariotta, Melenai, Aaron, Melinda, Kenji, Samwell, Branduh, Rafael, Levi, Elizabeth, Berte, Alyna, Elijah (not SCA name), Brittany (not SCA Name) Thanks also to: Ulf, Duessa, Mhairi, Sigmund, Gwentyth, Ainslee and Peder for lending us stuff to show off as well. We passed out about 100 flyers. We had one injury on the Rapier field, but it wasn't enough to need medical attention. (Bad arm shot. no Equipment failure.) We were also tipped 5 dollars by an extremely insistent Lady whom we taught to weave. Melanei (our deputy exchequer) was on site so the money was immediately handed over to her. 3 separate teachers would like in classroom demos (mainly short 1 period lectures on certain topics). We also have 6 names with email addresses.

Toledo Fair- Lots of people visited the booth. Brochures were passed out. 7 names and email addresses were collected. The demo consisted of Demo boards and other A&S displays. Bera, Rowan and Marcus worked the fair. They said they had a great time!

YMCA Summer Camp- This Demo included Rapier fighting,

Blacksmithing, weaving, Heraldry, board games, and garb. There were 40 kids. IT WAS HOT! We are already on the books for next year with changes. Most likely move it inside. The Volunteers were: Santinus, Jinaro, Mariotta, Ainslee, Catirine, Sigmund, Mhari, Gwyneth and Fortune.

Comic Con- The Comic con demo did not happen this year due to lack of guaranteed volunteers. We are already in discussions with the con for next year. With enough lead in notice we can make it happen.

Future Demos: Will be making phone calls to set up the medieval board game nights and get them on our schedule.

Lin wants to thank for understanding the need for flexibility on demos. Even though it may be a great idea we need the bodies to do it and do not want to burn people out.

Upcoming Events

Martinmas, November 7, 2015:

The Martinmas Meeting held on August 10th was attended by 5 people including myself. We discussed plans for the web page. Web copy has been sent to the Web Minister. More to follow as it becomes available. Radomir has resigned as my Co-Steward due to a case of real life. If there is another interested in the position, I am taking applications. Alaina Blackthorn of Dragon's Mist has

August Business Meeting cont.

signed on to be our Gate Steward. I am still seeking someone to keep the children's activities running smoothly on the day of the event and someone to be in charge of decorating the church. Crier copy submitted today.

Old Business

thrones – need guidelines,
pavers – if you have pavers you don't want he'd love to get them. Once has enough will be asking for volunteers to build it.

Sca.org – will be submitting a bid at next meeting. There are some that need repairs.

Storage options – used 3 to 5 grand. Tags are based on length and will need to plan on replacing tires. Storage 800cubic feet. That means a 12 foot trailer.

Bar Gemels accepting bids.

Stewarding is fun. We have 8 months which is lots of time to make it a stress free experience. Interested, take to some of the past stewards.

Looking at calendar and hoping to move I and s back to august. To give us more time between our events to reduce the drain on the populace. Would keep the June date reserved for other possibilities.

New Business

moving an officer - demo from chatelaine to seneschal as demos are mini events. Consulted hierarchy and it is acceptable.

Motioned, seconded and carried.

Seneschal regalia – was some now only had banner and gavel. Lin would like to have each office have regalia, so that we could all process in. also to have something

to hand over to new officer at ceremony.

Auction items – we make stuff, some of it super nice. Would like to see some of that as auction items to raise funds. Also prizes for events.
