Heavy Championship :

It's going to be a six round multi weapons tourney. Each round will be a single, weapon style...Single, Sword, Sword and Shield, Mass Weapon and Shield, Great Weapon, Pole Weapon and Two Weapons.

We'll fight it using what is known as Hocktide Rules. Fights will end with traditional sca death or if two strikes land on a limb. For each limb strike, the fight will pause and reset, acknowledging the blow.

Points will be awarded as follows...1 point for entering, 1 point for a reasonably period kit as judged by TEs, 1 point for a Heraldic Surcoat or Painted Shield, 1 point for a voice herald or heraldic banner and 6 points from fighting.

Archery Championship:

A Royal Round, whatever the SSAC shoot for the month of August is going to be, an Apples and Oranges Shoot (this is something I made up and am still working on finalizing. Basically a target with apples and oranges, points for hitting apples and negative points for hitting oranges, with a few fun things thrown in.) Finals would be a wand shoot. Starting at a distance to be determined, finalists will get to shoot 5 arrows. After retrieving we will move up a few steps and repeat. First to hit their wand 4 times will be the winner and new champion.

Equestrian:

The Privy

Barony of Terra Pomaria

Long & Short—Cont.

July 28, 2017

There will be mounted gaming and a "Noblesse Oblige" challenge course competition, as well as mounted archery, foam jousting, and mounted archery (assuming we have riders authorized for these activities present.)

This is always a fun event and this year should be no exception.

Over night boarding is available, but limited, so I will need to know in advance who intends to bring horses with the intent of having them stay over night on site.

Contact me via private message here on Facebook or via email troy@troygriffith.com to let me know you are bringing horses or if you have any questions.

Long and Short Rapier Activities for 2017

This year's Rapier activities will start with the settling of a challenge between Msr. Christian and Lord Samwell Langdon to determine who has a better grasp of command in Melee tactics. This will be a 6 on 6 melee with the details worked out by the two team captains.

After the initial melee we will then just use the time we have left for additional melee scenarios as participants desire for a fun afternoon of melee activities.

Any garter challenges that happen will be held at this time.

Site Information:

Quiet Hours will begin at 10:00PM. All event attendees will be required to sign the equestrian waiver.

Baron and Baroness' Opening

Words: Unto the populace of Terra Pomaria do Weylyn and Lindis send greetings.

As the sun shines bright in the clear blue sky of An Tir we find ourselves enjoying the camaraderie of our populace on the battlefield and in the shady groves throughout the Kingdom. We take great joy in seeing the

faces of our Barony doing the things that bring them joy both far and near. There has been no event we have attended where we have not beamed with pride as you have taken the marshal field, provided needed service, or raised your voices in laughter and cheer.

We hope to see as many as will allow at The Long and the Short of it, August 11-13 2017, at Stonehenge farms to witness the heavy combat and archery championships. All who would vi to become champion should be prepared to present themselves in morning court on Saturday to declare intent. Although formal letters of intent are not required, they are strongly encouraged.

We further encourage all those who desire to serve as part of the Sergeantry of Terra Pomaria present formal letters of intent to US in Saturday morning court. Letters of intent should be persona appropriate as the research in this will be your first

step down the path of a Sergeant, Yeoman, Gallant, Lancer, or Courtier. The process in becoming part of the Sergeantry will comprise of approximately 9 months of guided or individual study ending with a Sergeant's trails event in the spring. We look forward to meeting the new cohort!

Terra Pomaria is strong because of the heart of her people. You are the heart of the lion.

As always, we are honored to serve you.

Officer Reports

Seneschal: Demo Deputy: I do not have a lot to report at this time. Quarter 2 reports were due on Saturday. To my knowledge the Barony turned in 12 of the requested 16. Monthly reports received were 12 of the requested 17. 100% reporting continues to be my goal. As does the education of the offices. To that end I would like to suggest once again that we do a deputy reporting month.

Due to the Eclipse next month it has been decided that for the

safety and comfort of our officers to cancel the August meeting. However, reports are still due. Reports in August may be submitted by the deputies. If your office does not have a deputy, consider this incentive to find one! But reports must be completed and sent to their Excellencies, the Chronicler, and myself by 11:59 pm August 18th.

Her Excellency has found a wealth of potential sites in Terra Pomaria and I have requested Lord Wystan to assist me in contacting them. I hope to find more potential sites within our great Barony.

I am hoping to submit a bid for September Crown 2018, and as such will be reaching out for assistance as I have not personally run a Kingdom level event before.

Yours in Joyous Service

Gwyneth Blackthorne, Seneschal

Ledger balance: \$10,918.27

Bank balance: \$11,484.66

budget to the office of the archery marshal for equipment repairs. The committee also approved a bid for Martinmas.

YIS,

Librarian: Greetings nothing to report and no money has been needed for the library at this time

Heavy Marshall: Warmer months now upon us. More fighters are showing attendance. Still we have nights of no shows mostly due to to event\tourney season currently attempting to armor up a father and son with extras donated from Sir Dublin. I refitted a center held heater so new lefties have another shield. I had a question come up with the new demands on youth activities having background checks. I have a father and son where the father is signing off the waiver for his under age son can heavy fight. Do I as a marshal need to get a back ground check if I am marshaling under age combatants? Good news no incidents or injuries to report.

Rapier Marshall: This month wasn't a bad month averaging 6 fencers per practice. No Rule

changes that I am aware of. No activities in the Barony besides practice. Due to An Tir West War the Golden Apple tournament for July is postponed until July 20.

We are looking forward to showing our marshal skills at the Canterbury demo on July 29 and 30.

Yours in Service

Santinus Contarini

Rapier Marshal

Lists-VACANT: Alynna in handling rapier lists at BG. Need a Heavy list master.

Target Archery: This month has been a solid month of weekly practices. We, of course, took a break on Independence Day. We have seen 10-14 archers every week and often have a spectator or 2 come and hang out with us. Plans are being made for our next social night with new fun shoots, including, I'm told, moving targets. Practices will continue on a weekly basis and will be on our outdoor range quite soon. Please come join us at Long and Short for the Archery Championship and open range times. The range will be under the supervision of Archos Duncan. May your aim be true,

Lady Keziah Murdock

Archarius to Dame Johanna

TP Target Marshal

Equestrian Marshall: Nothing to report

Youth Combat Marshall-VACANT: nothing to report

Herald: Nothing to report

Arts & Sciences Greetings all,

July Business Meeting cont.

Last month's A&S was a huge success, there was one instructor, six participants, three observers, and one dog :) As of this report there is no class planned for this month, but by the time I report in person at the business meeting I will have something scheduled.

Coastal A&S was a kite making class, unfortunately only the instructor was in attendance and while he did make a kite, the winds were not cooperative and it was not able to be flown. This month is the Summer Festival demo. There will be an A&S display present to show the work of our coastal artisans. More information will be available on this, for interested parties, in the near future.

YIS

Lord Radomir

Chronicler: Nothing to report.

Grete Boke: VACANT nothing to report

Web Minister: Working on a few updates to the website and have also had some interest in regards to a deputy. We will be discussing the job duties in further detail and will report back at an upcoming business meeting.

YIS

Kenji

Chatelaine: No report

Gold Key: Gold Key was not used this month as there were no local events or Ceilidh. I am planning to have Gold Key available at Long and Short. I would appreciate

borrowing a tent again if possible; if not, I should be able to set up my wedge to handle changing (may just be a bit cramped for the taller people...).

I will not be at July Business Meeting this month. I will see you all at Long and Short.

-Alyna Trewpeny

Gold Key

Scribe: In June, Scribal Night was Wednesday, June 21 from 7-9pm at the Ike Box Cafe in Salem. It was hosted by Genvieve Choue and was well attended, with people working on charters and notecards.

In July, Scribal Night will be Wednesday, July 19 from 7-9pm at Young At Art, located at 1255 Broadway St NE #190, Salem, OR 97301. This is a new venue for Scribal Night and we're very excited about it. We'll have charters to get ready for Long & Short.
