## Alakerouns

### By Mhairi mom min Cymru, OP

‘Take and make a thynne foyle of dowh, and kerve it on peces, and cast hym on boillyng water and seep it wele. Take chese and grate it, and butter imelte, caste bynethen and aboven as losyns; and serve forthe.’ From ‘Forme of Cury’, 14th Century

This recipe is an adaptation of an early – and delicious – version of an American favorite: macaroni and cheese. It appears to have been a favorite dish in England at least 700 years ago (judging by the number of cookery books including it), although their noodles were not tubular as we are accustomed to. The very word ‘macaroni’ comes from the original shape of the noodles – long, straight lines ‘macron’.

#### Ingredients:

1 lb broad noodles (try making them yourself for more authenticity. You may also use prepared pasta ‘sheets’ available at some grocers. If you use pack-

aged lasagna noodles, I prefer the ‘no boil’ type, as their shape is more appropriate).

½ Cup or more grated cheese (white cheddar, Parmesan, or jack cheese will be most authentic. If you are really ambitious, fresh, homemade ricotta or farmers cheese or both is especially good!)

2 tbsp butter (or more)

¼ Cup milk or half & half

Freshly ground nutmeg to taste

**Directions:** Boil noodles in lightly salted water until tender. In a buttered, ovenproof serving dish layer half the noodles, half the cheese, the other half of the noodles and the remainder of the cheese. Pour liquid evenly over the top and cover. Bake at 350° for about 30 minutes or until all cheese is melted and most liquid has been absorbed. Let stand for about 10 minutes and ‘serve it forth’.

## August Business Meeting Notes

TP Business Meeting Minutes  
08/20/2018

Opening words from Their Excellences:

- Long and Short was amazing, I liked how everything was set up. It was a smooth set up and tear down. Thank you to everyone. It was a great event.
- We have Sept Crown coming up in a couple of weekends. There will be a baronial encampment at crown and also a pavilion next to the eric for shade and seating. If you want to camp with their excellences we need tent size ASAP.
- Lebus was a wonderful event and their Highnesses were there but only gave out 2 awards as they did not have many recommendations, if you want to suggest someone let their excellences know and they will help get things passed along (especially as the website is down).
- The Baroness charges Everyone in this room to write at least one recommendation.

### Officer reports:

**Seneschal – Gwyneth –**

- My thanks to Zulaikha for running the being in my absence, we are on track for administrative change over at the September meeting with court change over at their Excellences pleasure.
- I appreciate everyone's patience while the Kingdom webteam tackles the server issues plaguing our web presence. We are aware and doing what we can.
- Officers, if you are seeking successors it deputies please remember to be advertising your positions. On Facebook, in the Privy, in person... Spreading the word is key. Also, when you find someone interested in applying they need to email the Seneschal in order to be officially considered. It doesn't have to be

much, an introduction and statement of interest can get the ball rolling. We're nice people, especially to potential officers, I promise!

- As you transition to the new 365 email addresses please be certain that forwarding is set up from your Gmail accounts. Especially with the current web presence issues we need to be checking both places for incoming messages.

- I'll see you in September

**Demos –Fortune –**

- Greetings, I am on vacation and am unable to be at the meeting.
- State Fair: I have not received a response concerning the state Fair from them. At this point, there is no TP demo there. I will try to plan it for next year. I will also look into Marion, Polk and Lincoln county Fairs.
- Canterbury:
- Where to begin...
- We had lots of fighting, displays and fun.
- Our encampment really impressed many fair goers as well as the staff. We we're complimented many times on our accuracy, our friendliness and our easy way of making things work without complaining. I know we have already had people come to fighter practice, and many other inquiries from the fair.
- If you want more details, let me know and we will fill you in.
- Most items are back at the shed, and the rest will go back when both Melanei and I are in town

**Social Media – VACANT –**

- Nothing to report. Accepting applicants, please send an email to myself and their Excellencies expressing your interest in the position

**Family Activities Coordinator –**

Duversa –

- Not much have

changed. Raised \$71 selling snowcones. Duversa is working on the paperwork. Her Excellency reminded the officers and populace that Kids must have a parent or guardian present to participate in FAC. Also 12 and under have to have a parent/guardian within site and sound. 13-17 needs a parent or guardian on site but they can be out of site and sound.

**Exchequer – Wytan –**

- The Bank Balance is \$14,194.43
- The Ledge Balance is \$12,967.55
- The Finance committee con-nived to approve the following expenditures:
- The acquisition of a Pop-up for Gate

- Reimbursements for Long & Short Trash and site copy expenses

- Long and Short gross income of \$1530 was deposited 8/17. Preliminary financial report for the event shows a profit of \$78.12, pending any further expense claims.
- No other business was conducted.

**Chamberlain – Melanei –**

- Items were checked out for Canterbury and Long and Short and I'm told all items were returned. Fortune, acting as Seneschal deputy, filled in for me while I was out of town. I understand the Barony also acquired new items while I was away. I'll be visiting the shed this week to update my inventory.
- I am in my third year as Chamberlain and I am looking for a successor. If you have any questions about the office I would be happy to discuss it with you.

## August Business Meeting Notes

**Librarian – Nicolaa-**

- Nothing to report

**Heavy Marshal – Randall –**

- All practices are going well. 4 new people are looking to armor up. No accidents or injuries to report.
- We also hosted Long and short of it event at Stonehenge farms. 11-12 entrants, two tourneys, no accidents or injuries to report.
- Other things I would like to purchase a set of full gauntlets for the baronial kits I have been loaning out my pair to cover the many who would like to play without shields. I have found an affordable pair for 94 dollars with an enclosed thumb on eBay 6 dollars under my yearly budget. Also, I am looking for donated plywood to construct two more strap on heater style shields I have most of the other needed supplies on hand.

**Rapier Marshal – Santinus –**

- The heat killed practices this month. We held 1 practice with 3 fighters. All other practices were canceled due to it being too hot to fight.
- No new rules
- No golden apple due to no practice.
- The Rapier tournament scheduled for Long and Short was canceled. We did have 3 fighters participate in some pick up fights once the day cooled off.

**Lists Minister – HE Peder Jensen**

- The only lists activity to report on that I have information for was for the two heavy tournaments at Long and Short of it. Lists for both tournaments we're kept by Alaina Blackthorne
- Noblesse tournament:
- 11 entrants, double elimination style.
- Ivan Shieldbane and Marcus Octavius Rufus were in the finals.
- Ivan Shieldbane was the victor.
- TP Defender:

- 9 entrants, 6 rounds of varying weapon styles.
- His Grace Tjorkill Kanne and Marcus Octavius Rufus were in the finals.
- Marcus Octavius Rufus was the victor.
- The Marshall has the list forms.

**Target Archery Marshal – Duncan –**

- Greetings Baron, Baroness & Populace,
- Archery and Thrown Weapons numbers have risen over the last few practices. We have averaged between 6 & 15 folks.
- Also, we have a new Golden Arrow Champion, Christina Spence. She beat out a field 11 archers. Congratulations to Christina.
- We held this event a few weeks ago. It was called Long & Short of It. I watched this Barony come together as a group like I have never seen in 21 years of playing this game. We also held three Championships. One baronial and two for the Principality. All three were very successful and I am proud to have been able to be a part of them. Thank you for allowing me to be a part of that success.
- New TP champion is Iuri

**Equestrian Marshal – Tassi-**

- There was practice last Friday, no problems at practice. Long and Short was awesome
- Next practice is Aug 26th

**Youth Armored Combat – VACANT-**

- Nothing to report. Accepting applicants, please send an email to myself and their Excellencies expressing your interest in the position.

**Herald – Emelyn –**

- Long and short was awesome. We sent off 7 submissions from the event. I have Heraldry wills and permission to conflict forms for those interested. There has also been interest in taking this office.
- Discussion was held for an officer candidate

- Marcus will be assuming the position of Herald

**Arts and Sciences – Ulf –**

- The July class was on chainmail and was successfully taught by Wystan. Many people showed up and made pieces to take home. At Long and Short our Barony brought forth many items for the largesse competition. It was great to see all of the different things people made.
- July's coastal A&S day only included Marcus. The August coastal day will be on August 25th. He will be out of the country in September so there will not be a coastal day that month.
- As of the August meeting we have not had any other applicants show interest in the position, so I am officially putting my name in to change from a temporary officer to the fully warranted officer. With my busy schedule this month I was not able to get a class scheduled for August. I will announce the September class as soon as possible.
- Do not forget we have the upcoming Bear and Apple tavern with our A&S championship. If people wish to enter I recommend getting the entry and documentation together soon. It is a short 2 months away!
- There was a discussion of an officer candidate.
- Ulf will assume the position fully

**Coastal A&S – Marcus –**

- Will be hosted next weekend.

**Chronicler – Fortune –**

- I'm sorry I'm not able to make the meeting tonight, but I promised my son a trip to Disneyland, and right about now I should be enjoying an awesome show and dinner. Kenji has volunteered to take notes for me.
- The July Privy was finished and sent to the web Minister for publishing, but with the An Tir server down,

## August Business Meeting Notes

so is our website so it has not been published yet. As soon as it can be arranged, it will be.

- I am looking for articles, how tos and recipes to include in the August/September Privy. If you have any you are willing to share, please let me know.
- I'm still looking for a replacement.
- There was a discussion of an officer candidate.
- Olaf will be assuming this office immediately with Fortune training him as his deputy for the first few months.

### **Grete Boke – VACANT –**

- Nothing to report currently. Accepting applicants, please send an email to the Seneschal and their Excellencies expressing your interest in the position.

### **Web Minister – Kenji –**

- At this time the website is still down, and it is unclear when it will be restored.

### **Chatelaine/Castellan – Luther –**

- For the month of August I bring joyous news. Thanks to the mighty efforts of Her Ladyship Fortune, we have seen 3 new fighters and one new family join bringing in 7 new faces. The efforts made at Canterbury cannot be understated. Also a prospect for a new home of Celidh is currently being explored.

### **Gold Key – Alyn –**

- Gold Key went to Long and Short and was used by 12 people. We also had a sale of items not needed as much, and raised \$29.00. Gold Key will be at October Ceilidh.
- I am looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward, as I feel this office is very helpful to those who want to dip a toe in our fun but may not be able to come up with an outfit on their own. Seeing

the joy on a girl's face when she gets to dress "like the Princess", or helping someone new to the Society feel more like they belong, or helping anyone who may not have the right garb for the weather we are actually getting - that makes it more than worthwhile. (Especially with the weather - the number of cloaks/hoods/warm garb I have helped people with at cold/wet events....)

- On another note, I am thinking more on the pants question, as a pair was used at Long & Short (for the first time since I started with Gold Key). Perhaps having a few pairs that are greatly adjustable - baggy with elastic cuffs and oversized drawstring waist? It just doesn't make sense to haul around a whole box worth of pants in specific sizes just in case one person needs them, but if someone wants a pair it'd be nice to have something for them. I am open to suggestions.

### **Scribe –**

- Four charters were painted for L&S
- A total of 10 were sent to L&S for various awards, using charters that we had painted in reserve
- For Bear and Apple Tavern, we will need a total of 10 charters to paint: champions, irises, ruby gimestones, emerald gimestones, thank you cards. If you are able to assist, please make arrangements with Genevieve Choue or another scribal member.
- Genevieve Choue is tracking charters. If you have charters in progress or blank charters, please email [nmperard@hotmail.com](mailto:nmperard@hotmail.com) or find her on FB

Six attendees at last scribal night on July 18th.

- Scribal night cancelled for August due to absences of facilitators (building will not be accessible).
- We are attempting to update our charters by revising and rotating

in archived designs as well as create some new ones. Assistance is much appreciated. See a scribal member if interested.

- Scribal officer position is open! See TP webpage for message from your seneschal about application process.

Officer reports:

### Seneschal – Gwyneth –

- This month has been focused on gathering the Seneschal accoutrements that I've scattered in my 27 months holding this office. Getting ready to hand over the reins to my successor Zulaikha, in whom I have every faith.
- Synopsis of September Crown Seneschal's Meeting (kindly notated by Eoghan O'Briain of Dragon's Mist) -
- Officers can be reimbursed for "continuing education" event expenses if the branch's financial policy specifically states it and/or the financial committee approves the expenditure. Of course, that means that the officer must spend the majority of the event taking the classes that they are sent to take but are free to pursue other interests if a class is not available for their position at any given time. (e.g.: a time slot between 2-4 has no exchequer classes, then the exchequer may take a rapier class during that time) Also, this means that deputies can be sent to these events and reimbursed if the financial committee approves the expenditure. There was also a clarification that these expenditures should be ratified by the branch populace. However, I think that that is specific to the branches' financial polity.
- 2) Starting with July Coronation next year, Kingdom is piloting a new Crown event policy where Kingdom, as the branch, will be hosting the event. Approximately 18 months out from the future event, they will be taking applications for the Event Steward. Applications will include basic eventing resume, vision for the event, rough idea of staffing and activities/schedule, etc. Once an Event Steward is chosen, that individual will create the event budget, and have it pre-

pared for approval at the Crown event the year prior. (e.g.: for July coronation 2021, the application process begins at 12th Night 2020, and event budget to be approved at July Cor 2020) The expectation is that Kingdom will select a region for which the event will take place, and, hopefully, have a list of acceptable sites for each region. That way the approved Event Steward will be able to determine the best site in that region for the individual event. It will be very possible that an Event Steward will not be local to the event. Apparently, other Kingdoms have been using this method successfully. What this means to individual branches is that we will have no oversight to the running of the event as Kingdom will be handling all the monies and supervision. As far as money goes, all reimbursements and checks will be released by Kingdom. They are looking into the probability of setting up an Events Account with a specific Deputy for this purpose and all check requests will have to be made by mailing, possibly emailing, a check request form to the Exchequer (or the Events Deputy), with the check being mailed out by them to the recipient. To answer the question of profit sharing: the 40% profit share that would normally go to the hosting branch, would now be split up amongst the branches that actively volunteer for the event. Each individual volunteer will declare for whom they are representing. Then the percentage breakdown of volunteer effort will determine the branches' portions. – CLARIFICATION HAS BEEN REQUESTED AND WILL BE FORTHCOMING

- Our Alpine Prince and Princess will be at Acorn War this coming weekend, and they will officially welcome Mountain Edge into the Summits. They asked all who were able to attend to come and welcome our new sister group.
- I am leaving this position with a wealth of knowledge I will always treasure. Holding this office has been a fantastic learning experience, I am thankful for the skills I've acquired, and the faith placed in me. I feel as if being with you, all working to-

## November Business Meeting Notes

gether to serve our Populace, has made me a more complete and well-rounded person.

- When I was first approached for this office I was terrified and convinced I would fail completely. But the faith, support, and encouragement I have found among our officer family will stay with me forever. While I was far from the perfect Seneschal, I truly did my best, and I know those efforts were appreciated. Despite the growing pains, personal stress, panic attacks, and mad fumbling, I truly believe that this is one of the best offices to hold. It certainly opened my eyes to an aspect of my Joy in the SCA.

- I've learned how to take direction, criticism, suggestions, and compliments. These are four things I wasn't so great at taking before, and now I feel as though I can apply that in many different situations. The interpersonal skills I have found, the appreciation for our differing backgrounds and cultures are valuable lessons that have opened my eyes to the world around me.

- I've also learned to be open-minded, to value other people's opinions and to consider other ideas along with mine, to end up with a great result.

- Being part of this team has taught me skills that I can use in more than just the professional area of my life. My relationships on a personal level are in a better place than they were, thanks to some of the things I've learned from many of you.

- I've come to realize that being a part of a team is a lot more than just sharing credit. A team effort takes compromise. When you are on a team you must at times lead, follow, and more often than not, meet in the middle.

- My wish for everyone here is that you all continue to experience success, to feel fulfilled in all you do, and to have nothing but pleasant results with each completed task! While that may be an overly optimistic wish, it is sincere. The combined efforts of this council are awe

inspiring and capable of changing the world. At least our small corner of it.

- It's been a pleasure working here and I will truly miss it. I take with me fond memories, valuable skills, and I hope to one day leave an impression on others like the one you have left on me. I'm not certain where exactly I'll land but I strongly doubt I can stay away for very long.

- I look forward to witnessing your future successes. Thank you for letting me be your Seneschal, and don't worry I promise I won't go far. Terra Pomarian from the start, Terra Pomarian forever.

- Coincidentally HL Anna von Engelberg and Sir William Brannan have told me they are not interested in running Equestrium for the 2019 season.

- The Council needs to vote if we want to run a different event that weekend or graciously allow Briaroak to have it for the 2019 event season.

- decisions will be made at November biz meeting

This is the missive received from Lion's Blood Herald.

"Tonight Adiantum approved an exploratory bid to host Kingdom Heralds & Scribes in 2019. I would like to roll this into Bear & Apple 2019, as Adiantum is hosting it within our borders. This only works if Terra Pomaria agrees ?I'm happy to provide whatever information is necessary so that it can be talked about at your next business meeting. I want to let Black Lion Principal Herald and Argent Scroll Herald know as soon as possible, and I really want to get this symposium back down to the Summits.

If approved, I would be 100% in charge of being the liaison for the symposium piece, and the class tracks would be arranged by Argent Scroll Herald. All that would need to be accounted for is an increase of between 40-50 people."
