This was a special business meeting as the only
order of business was the baronial polling that
started at 645 with the attendance of most officers
the polling ended at 9pm

Officer reports that were emailed to me are as
follows

Officer Reports

Seneschal – Zulaikha–

- This has been a slow month for my office. I have just recently received the materials for the polling on Monday and am getting ready to send out the absentee ballots. I went with Melanae (sp?) to sign the contract for the storage unit and inspected it with her. I look forward to when we have the chance to relocate the barony's belongings and organize them

YAFA – Duvers

- Not a whole lot has happened since 12th night. Families are working on level 1 worksheets at home.
- We had multiple people ask me how to move around in the website and right now it's difficult so lots of individual questions have been asked and answered.
- Bar Gemels is the TP children's championship so that's the next big thing in April, I hope to be able to give out a whole ton of tokens based off of what the kids have worked on and entered and have completed work sheets.
- We had a calligraphy day in TP that I hosted (being the Sable Sable deputy of education and contests) and Pauleena completed all items that are in level 1 to complete the calligraphy 1 badge. Her family is getting her registered in the website as soon as it plays nice with them.
- There will be a calligraphy and costuming contest at March coronet open to children and tokens 1 or and 2 will be eligible for completion and receiving depending on how much work is completed.
- Ulf and I are working on what classes will be at Egils. There will be a medieval lapidary class specifically what gemstones are period and which are not-I'm teaching that might as use my degree for something.

- Santinus Contarini is our Rapier Marshal in TP, he has agreed and requested to be background checked to be the YAFA contact for Rapier and to take over as youth Rapier since that's now a thing and will be signed and approved at kingdom A&S this weekend.

- Next up is building yac practice weapons. At bar gemels we have the traditional bar wench smack down, but we have like 2 swords and they are shot. So I'm thinking if we have weapons built by the kids they can learn how to build them and share them and then they can work on the fighting tokens at the same time. I really do not expect families to buy a full suit of armor for a kid to work on fighting tokens when the kids don't really want to do full on fighting. Learn about it yes, do it forever and put in that expense, no.

- Additionally I am still building kits. Currently we have kits for embroidery and fabric is being donated. Sewing kits are being put together (waiting for fabric), painting kits are ready, calligraphy kits are in the works I am working on getting calligraphy pens. Weapon kits are next that's pool noodles duct tape and pex pipe so that is a summer activity kit.

- For fund raisers, we've been asked to do sno cones again at summer events since we have access to a sno cone machine and people enjoyed it and we can make regular sugar syrup ones and adult sno cones.

Exchequer –wystan

- Ledger balance - \$9,364.67

- Bank balance - \$11,864.67

- The finance committee did not conduct any business since the last business meeting.

Heavy Marshal – Randall

- No accidents injuries, or incidents to report. (attendance report atta

- Fighting has tapered off to due cold weather, illness in the ranks, and Valentines.

- Two heaters are present now at the site so that should help with the chill in the air.

- All in all this is pretty standard for this time of year hope you all are getting well, and ready your selves for another fun tourney season.

Rapier-Santinus

- This month we averaged 3 fighter per practice. The rules for Youth Rapier are set to be signed at Kingdome Arts and Sciences and the Queens Rapier Championship at the end of the month. There was no Rapier activity in the Barony outside of practice.

There will be no Rapier practice on 2/21/2019 so the Rapier community can help with the demo scheduled the same night.

Web Minister – adele

- Updates have been steady as we prepare for Bar Gemels. The date, location, basic description, and the menu are posted. My concerns about posting the Privy online were resolved after the

last meeting when several officers and members of the populace explained how Terra Pomaria has been proactive by being careful not to include private or sensitive information in the Privy.

- The Award Recommendation form stopped working properly. For the moment the form has been removed and the email address for the baronial coronet has been added, with suggestions for writing a recommendation. Once we launch the new website I plan to revisit this.

Chatelaine – Luther

- I hope you are well, For the month of February I have to report 1 new inquiry via the email and regret to report the February Ceilidh was cancelled due to weather and mundane concerns. I do have to report a pending demo on Thursday the 21st for a Boy Scout troop. An after action report will be completed for March business meeting.

Gold Key-Alyna

- Gold Key did not go to February Ceilidh as that was cancelled due to weather concerns. Gold Key will be at March Ceilidh. There was a donation this month of a couple dresses. A couple items were loaned to a long time Barony member so they could clothe a newcomer going to Summits A & S. Return of those items has being arranged.

- I am still looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward. Please contact me if you would like more info on what this job entails.

Scribe Gwyneth

- February Scribal night will be on the 20th from 6-9pm at Young at Art Studios 1255 Broadway St NE #190, Salem OR 97301. There is parking behind the building or on the street. Please come join us!

- would like to begin work on digitizing the Baronial Charter Library. Including past designs. I will be looking into getting these old charter designs scanned professionally and saved to the OneDrive associated with the Scribal 365 account.

Polling ended at 9pm as did the business meeting .
No new business was discussed

January Business Meeting Notes

Terra Pomaria Business Meeting Notes

Meeting start time: 7:00

Opening words from Their Excellencies:

Ursumus is this weekend if you like fighting there's crash space in the barracks
Thanks everyone who attended the QA at ceilids i was cordial and not stressful
From our perspective the polling has gone awesomely especially the candidates that have been on display
Coronet and tourney season start attending to your items so you'll be ready to go

Officer reports:

Seneschal – Zulaikha–

December

Demos –Fortune

- Unfortunately I have to step down as the Demo Deputy effective the January 2019 business meeting. Please understand that I still love doing the Demos, and organizing them, but my current health and outside influences dictate that I cannot do the job as well as it needs to be done.
- The Demos that we currently have on the schedule for the upcoming year are:
- YMCA camp: June 28th
- Canterbury Faire: July 20-21nd or July 27-28th
- Walker Middle School: May
- We've been contacted by Abiqua Academy, but no plans have been made.
- I am willing to help out to keep these demos going since we have committed to them.
- It is my hope that in the future (hopefully near future) I will be able to resume my passion inside the SCA, but in the meantime, I will simply support the Barony as a loyal subject and Courtier.

Social Media –Ymanie

- Pretty uneventful New kingdom and principality Getting used to new event posting

YAFA – Duversa

- 12th night we had a yafa meeting. One of the main points is creating level 1 project kits for kids and families so that the families are not spending more money than they need to. The sca is an expansive hobby and we need to keep costs very low. So I've ordered the first items for a few different tokens which can be used for level 2 and 3 and some cross tokens.
- Fundraising is something we need to contin-

ue to do. Pretty much every event we should have some sort of fund raiser for yafa.

We need teachers and mentors if you'd like to be either please let me know.
An tir is still the leading kingdom in tokens achievements and participants.

●Bar gemels will be busy but we can use the same format as we have used in the past. Last year was far more easier and we had more participants and people didn't feel rushed or left out.

●If you have time and can please if possible we need some easy to carry game boards like painted fabric to give to kids. Most of the worksheets are being tweaked if you are using them and you run into something that's hard or makes 0 sense let me know.

●Kingdom now had a library of items that can be loaned out for yafa. We're working on creating a library database.

Also the website itself where you log in and do all the things it's not what we really want and it's not user friendly but it's what we've got but we are working on other ways to do this easier.

Other stuff

●I am the new kingdom sable deputy of contests and education. There's been requests for calligraphy in terra Pomaria I'm working on getting a date and time but we've got I believe 3 teachers who have volunteered. We may need crash space and it will be happening some Saturday in february. It's not an sca event so garb not required no site fee just need to bring materials and I'll get that info asap.

●2020 coronet waiting k contracts for the Oregon Christian convention center same price as last time I am not the event steward just getting the ball rolling

●2021 known world fiber symposium working on this we need to assemble a team and then talk to kingdom and submit a bid to society. That's the info I have so far.

●2020 no one has been awarded crown or coronation 12th night is in adiantum. We do have places we just need to figure out where. I'll help but I can't be the event steward. Summits scribal symposium it's been asked we do this type of thing in July August September or October. We can do flkct against fighting and camping events because scribes don't scribe at a lot of outdoor events. I just need help figuring out when is feasible. It

isn't a principality event but in the summits region. Maybe call it Saturday scribal a to z.

●Clovis mentioned doing the demo at river-front park. Is it possible we just have a party? Like rent the pavilion set up some tents bring some things dress up make some food and dance? People will see what we are doing and ask. There's people who have picnics all the time for gaming larp and even juneteenth without being a big giant demo.

Exchequer – Wytan

●Ledger balance - \$14,207.21

●Bank balance - \$14,207.21

●I am still working on resolving the changes to the signer card completed.

●End of Year report has been submitted. The financial committee will need to select a new representative from the barony's officers to sit on the committee.

●The Chamberlain has provided the committee with pricing for a storage facility for discussion at tonight's meeting.

Chamberlaine-melannei

●First, I've requested reimbursement for a large duffel bag for the top of the gate pop up. It will not always be feasible to put it away in the pop up bag as the top with often be torn down while wet.

●The big news regards the shed. Back in the summer the finance committee charged me with finding a storage facility for the baronial equipment with a budget of \$150 a month. It's taken me a while to do so, both because of modern life and because there were many options to consider. I have decided on Northwest Self Storage in Salem on Del Webb near the cross streets of Salem Parkway and Cherry.

●A 10'x18' unit is \$149 a month, with discounts for prepayment. The finance committee is discussing rental and the possibility of prepayment. Hopefully we can sign a lease by the end of the month.

●The storage facilities access hours are 6 am-10 pm every day which fits our needs for evenings and Sundays very well. It is also a larger size than I could get within budget at nearly all the other places I researched. If the finance committee approves the rental, we will need to coordinate a date to move the baronial equipment from Baron Cesare and Baroness Astrid's home to the new shed.

January Business Meeting Notes

The storage facility has a moving truck that we can use at no charge. I'll request help on Facebook once a date has been set.

SEEKING SUCCESSION

Librarian – Vacant

Nothing to report

Heavy Marshal – Randall

• We have been experiencing a slight rise in attendance. Fighting at the new site though cool is not unbearable due to rain and cross winds. I attended 12th night but was unable to attend the marshal meeting due to unfamiliarity with the site. We have two fighters being placed on vigil soon we have two well deserved knights. Not much more to note I still seek a replacement and a deputy.

Rapier-Santinus

• This month we had an average of 4 steel fighters show up for 3 practices held.

• Due to illness I was unable to attend the Marshal's meeting at 12th night to find out about any new rule changes.

• There was no Rapier activity outside of practice this month.

List minister-Peder

Nothing to report

Target Archery Marshal – Dunca

• 10 to 25 at practice

• No injuries nothing else to report please attend practice on tuesdays

Equestrian Marshal – Tassi-

• Not much to report. Our last practice was in November with 5 in attendance.

The holiday season has passed and our small group is working on potential practice dates for the 2019 year. It is looking like several subday practice dates will be included for the year as Sunday's work very well for two participants.

Proposed practice dates include:

March 24

March 30 or 31

April 13 or 14

April 20 or 21

May 4 or 5

May 11 or 12

June 1 or 2

June 15 or 16

June 29 or 30

July 13 or 14

Aug 3 or 4

Aug 17 or 18

Aug 24 or 25

Sept 5 or 6

Sept 14 or 15

Sept 21 or 22

Sept 28 or 29

Oct 5 or 6

Oct 12 or 13

Nov 2 or 3

Nov 9 or 10

• I think we will likely pick one Saturday and one Sunday per month. July and September are tough months and I believe I missed a few conflicts so if someone wants to let me know which ones I missed that would be helpful.

On a side note, I cannot recall if my deputy is an actual official deputy? If not, I would like to figure out how to make that happen?

Herald – Marcus –

• Pretty quiet month

• Looking for volunteers for bar gemels

Arts and Sciences – Ulf

Chronicler – Olaff

Didn't get a chance to work on the privy for January I will have info on February that will include January info

Grete Boke – – VACANT

Web Minister – adele

• Another quiet month for the website. We had another recipe submission for the Culinary section and there have been minor content updates regarding the polling.

• It came to my attention at 12th Night that Kingdom Web has been busy securing documents that include mundane personal information behind a member login, including their newsletter. We are currently posting the Privy publicly on the Terra Pomaria website, and while I feel fairly comfortable with this, it's worth noting what's happening with other publications in the society and making sure we are in compliance.

Chatelaine – Luther

For the month of December the office of Castilian has to report a success-

ful Ceilidh hosted at the new facility. It featured the 3rd annual Gingerbread competition. We had over 30 attend the event and 9

teams competed for the build in house event and 1 bring from home entry. I have updated to the new email after much delaying and report I am playing catch up with prior emails I have missed due to the delay.

Gold Key-Alyna

• Gold Key went to January Ceilidh, was not used. Gold Key will be at February Ceilidh.

• I am still looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward. Please contact me if you would like more info on what this job entails. (Apologies for those of you getting duplicate emails, I am still not sure who has the new accounts set up so am sending to both again this month.)
