Agenda for TP Business Meeting

09/17/2018

Meeting Attendance:

Olaff Beer Gripper, Zulaia Al Zarqa, Luther Gutman, Santinus Contarini, Melannei A Thenaios, Aaron of TP, Melinda of TP, Kenji, Cloviis, Ximena, Stephen the Fat, Wystan Albryght, Christmas Carol Duncan Makai, Keridwyn, Ymanie the Midwife, Ulf the Wanderer, Duessa of movilla, Rowan Spiritwalker Alyna Trewpeny, Randall Blackwolf Adele Neuton Rafe Neuton, Emelyn Fulredy, Marcus Valeria Ursilie of Stonehenge

Meeting starts: 7:03

Opening words from Their Excellencies:

Welcome to business meeting! We are excited to see you all at our first business meeting as Thegn and Baronesa. Thegn Clovis has been working on three new youth awards for service, arts & sciences, and marshal prowess, and on modifications to the Silver Pillar. His intention is to not diminish the importance of the award, but to make it easier for the populace to express their wishes (more information will be forthcoming). We attended May Crown and our tent did not blow away! The Kingdom law is being updated, including adding EDI language to the bullying policy and also reducing the number of events required for a barony from three to two events per year. Thorsteinn and Rustam competed in the Crown tournament, Duessa was fought for by Ivan Shieldbane, Weylyn fought in the rose tournament (and protected Her Alpine Highness from the weather during the final bout!), HE Lindis and HE Genevieve had many important conversations about EDI and how the new policies are being implemented in our Kingdom, and Ulf made sure the Baronesa did not wander alone through the foreign lands.

We are working to create a Youth Archery Championship and Throw Weapons Championship, to be included in the festivities at Long & Short.

We plan to respond to emails within 48 hours and ask that all official communications and requests be submitted that way. Also, please continue the dad jokes! We love them and they make the world a better place. On that note, Ximena frequently signs out of Facebook, so if you have a post or something she is tagged in that she needs to know about, please message her and let her know. Thank you and we look forward to the next three years as your Thegn and Baronesa!

Officer reports:

Seneschal Zulaika– Present

•First off: Bar Gemels! The event went smoothly from what I could tell. Many thanks to Sindri for their leadership, Gwyneth for her dedication to getting this PayPal thing going, and Luther for being a strong backbone to the kitchen, as well as each of their's teams. I know there were a few hiccups, but things were ironed out well and notes were made to prevent future repetitions of those issues. Most importantly: the transition of the Baronial Coronets occurred!

• have contacted the camp regarding a potential refund due to not using some of the cabins, as well as to recover an accidentally abandoned Baronial cooking pot.

•As for Bar Gemels 2020, we are going to need to think about whether or not we want to try to use this camp or not. Once I pointed out the pricing change, Janet was quick to correct it, but she has had to step down and I do not know how flexible the new contacts may be. Duessa has already been in contact with the facility in Turner where we held March Coronet 2018 and has information on their pricing as well.

•As per the Baronial Customary, bids will open for Bar Gemels 2020 as of the June Business Meeting and will remain open through the August Business Meeting.

•I am currently working on updating the officer roster in the drop box account, so don't be surprised to have messages from me asking for legal names, addresses, etc, as well as your start date in your position.

•Unfortunately I took a job offer to the Midwest im looking into getting a debuty and easing out of this position by the send of summer

Family Activities Coordinator- Duessa-

•We have a new champion for youth, Kat from Dragons Mist.

•17 YAFA tokens were presented at Bar Gemels.

•The website is still wonky.

Background checks are being worked on. If you haven't received the form please let me know by the 1st. I am doing another run to get them sent. There's an email snag I'm

getting fixed..

•If you need a background check please let me know.

•Oh and surprise i am now the kingdom YAFA contingency officer which means I'm the main contact to help mentors wade through the "stuff" (what I already do all the time anyhow just now officially.

•And the An Tir assassins guild is being built it's basically creating tasks to be completed at events for kids and adults get to play along. Badges will be made so kids know who to look for. Each task will be completed and points given. Each task is a different yafa skill from different worksheets. But it's to move kids further into division 2 and 3.

Exchequer – Wystan –

•Ledger Balance \$13,202.61

•Bank Balance \$13,560.88

•I am working on finalizing the Bar Gemels event financial report and need the outstanding advances to submit their receipts and returns. per the financial policy all receipts need to be submitted with 60 days, so please get them back to me ASAP. If you have an expenditure relating to Bar Gemels that has not yet been submitted please let me know so I can include it in the projections.

•The Exchequers office is in need of deputies. The Chamberlain has been looking for a successor and the Contingency Exchequer Deputy has to vacate the position due to other obligations. Being an officer is a great way to support the barony, takes only a small amount of time, and experience working for a non profit looks good on a resume. If you are interested in either position please contact myself or the seneschal.

Chamberlain-Melannei

•This past month there were many checkouts and returns for Bar Gemels. I believe all items have been returned at this point, minus a pot that may have been left on site. I've checked in with the event steward concerning that one.

•A great deal of lost and found has been repurposed and will be prizes or largess in the near future. Additionally the lost and found from Bar Gemels was published and most of it has already been claimed and returned.

•I'm stepping down today, but will have a few items to wrap up in the coming month, gathering the information I've accumulated over the past three years and more for the

the exchequer and completing a final improvement to the new shelves in the shed, due to a design flaw.

- If you have an interest in serving the Barony, please consider stepping up as Chamberlain. While it is not a lot of work, but it is an extra load on the Exchequer when they already have a great deal of responsibility. You still have lots of free time at events.

Librarian –VACANT-

Heavy Marshal -SEEKING SUCESSOR - Randall

- Greetings tourney season Is in full swing fighter practices will be kinda light during this time as people don't wanna get hurt before a event looking forward to seeing people at Egils.

- No accidents or Injuries to report .

- We held Bar Gemels again and great fun was had despite a few armour issues. Duke Tiernan won the Noblis Oblige tourney and Lucianno won the bar room brawl.

- We had a small amount of weapon and armor damage . but everyone had a good time. A helmet popped open during one fight hold was call in time stopping other fighter.

Rapier Marshal - Santinus –

- The last month was decent with an average of 6 fencers per practice. We had one new youth fencer. Her waiver is attached to this email.

- I have not been made aware of any new rules changes.

- The Rapier activities at Bar Gamels were more popular than planned with 24 fencers signed in to lists for the tournament. I would like to thank the Marshals of An Tir who were present and helped with marshaling between fights.

- I do not know of any upcoming activities planned in the Barony over the next month.

Lists Minister – Peder

- There were two heavy tournaments held at Bar Gemels.

- The Tavern Brawl was in a grand melee format, where each participant had two "lives", Last fighter standing. As this style of tourney does not lend itself toward record keeping, lists were not kept.

- The prize tournament was held in a standard double elimination format. There were 17 participants and the tourney lasted 6 rounds followed by the Finals. His Grace Tiernan Dal Cais defeated Sir Lorencio in said finals.

Target Archery Marshal – Duncan –

- were having a pretty decent turn out because the weather seems to be getting better no injuries to report

Equestrian Marshal – Tassi-

- Yay, I have things to report! My report is that we finally have insurance for equestrian practice! First practice is scheduled this Sunday 5/26/19! I have additionally sent a request to the Webminister to make several changes regarding equestrian practice, which includes practice date updates as well as information regarding the requirement of helmets for all persons sitting or riding on a horse, which has to do with the site owner's private insurance policy. Wearing a helmet is generally a good idea regardless and most are not phased by this request.

Youth Armored Combat –VACANT-

Herald – Marcus

- There was a lot of activity at Bar Gemels. Two consults were completed for names, and a third was begun at heralds point. Also town cry was used a lot. A big thank you to Emolyn for handling the courts of their excellencies. Also a thank you to Jilied, and Jillian Johnson for heralding the tournaments.

Grete Boke -Vacant-

Web Minister -Adele

- Website has been updated with the new Baronial Coronets, and the polling pages have been retired. The Culinary page is alive and well as new recipe submissions continue to be received and posted.

- This month the Kingdom Webminister reached out all the local webministers with an easy-to-fill-out form for the quarterly report. One of the form fields asked what classes I would like to see offered in the future. I mentioned how popular HL Gwyneth Blackthorne's pre-reg with PayPal has been, and

suggested a class on how to do this. I also noted how much of a learning curve Office 365 has been, and how a basic overview might be useful.

- She immediately offered to come to our Barony and do an officer training. Arrangements are now in the works to make this to happen.

Gold Key – Alyna –

- Gold Key went to Bar Gemels, was used by 11 people. With the approval of the finance committee, 5 items were sold to interested people, for \$25.00 total.

- Gold Key did not go to May Ceilidh, but arrangements were made for one person to borrow an item. Gold Key will be at Long and Short (the next event/gathering, as Ceilidh has ended for the Summer).

- I am still looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward. Please contact me if you would like more info on what this job entails.

April Business Meeting Notes

Meeting starts at 701

Attendance: Olaff Beer Gripper, Berengaria de Carcoassane, Catarina Quhiting, Acail Hars Excellences closing words
Greetings unto truly the most amazing populace of the Known World,
April brings both the hope of spring and the sadness that comes with the passing of the season.

It is with joy and pride that We welcome Clovis and Ximena as your new Baron and Baroness. We are sure they will continue the kind and loving spirit of Terra Pomaria for the years to come.

As we find ourselves at the end of our tenure as your Baron and Baroness we thought it good and right to share with you the accomplishments of the last three years.

As we began our reign we shared the wealth of the land of orchards with all who would cross our paths. The bounty of the orchards was appreciated as we traveled to the farthest southern Border of An Tir to the windy wiles of Eastern An Tir. We encouraged community within our borders by beginning projects to increase populace awareness of our heritage in the form of the "Family tree" banner and helped with many a project to show the artistry and talent of you all. Through your talents we now have so many tokens of pride as the halls of Terra Pomaria are shrouded with warmth and beauty crafted by your own hands.

When our northern cousins found themselves robbed of all of their regalia and history we stood with our Cousins and you all contributed to create for them new banners, replace tools, and show the brotherhood of Baronies of the Kingdom.

As time wore on we have grown the armies of Terra Pomaria! Our strength in numbers has increased to demonstrate we can not only beautify but also protect our borders and the borders of the Summits.

Time and again we have welcomed people from all walks of life. Terra Pomaria is seen to be one of the most diverse and welcoming Barony's in An Tir. We truly believe the comfort of the populace is won by the hospitality and welcoming kindness shown by all. Be proud of this legacy.

We step away from you all with heavy hearts as we loved our time with you and we offer you a friendly smile as we transition to our roles beside you.

It has been a true honor to serve in this way.

We will hold the Barony in our hearts.

In service to Terra Pomaria, Summits, and An Tir,

Weylyn and Lindis

7th Baron and Baroness of Terra Pomaria

OFFICER REPORTS

Seneschal – Zulaikha– Greetings!

So many changes coming up!

This is our final business meeting with our current Excellencies overseeing, next month will be the first with words from Clovis and Mindy.

Two more weeks until our first event of the year, and our first event using PayPal at gate! My utmost thanks to Gwyneth for heading that up.

Other than event related things, not much has been happening on my end, although I do find myself needing a new contingency deputy.

Demos– American Legion Post 75

125 N. Bridge St

PO Box 566

Sheridan, OR 97378

April 15, 2019

To Their Excellencies, the Baron and Baroness of Terra Pomaria,
American Legion Post 75 in Sheridan, Oregon has been a long-standing member of Sheridan community and West Yamhill Valley. We are exploring more ways to open our building to the local community and host interesting and exciting events that appeal to individuals and families. One idea proposed at a recent meeting was to hold a SCA demonstration at Post 75 this summer!

I am aware the Society for Creative Anachronism, and especially your Barony, puts on public demonstrations of the various aspects of the SCA and provides a great deal of medieval history in the process. We believe there are many children and families that would be very interested to see people in medieval garb, watch fighting demonstrations, and learn about the Middle Ages! We have two rooms available on our first floor, some open space upstairs, and a large amount of outdoor space in front of and behind our building that could be utilized for the demo. We have a TV and a stereo system for videos or music, as well as Wi-Fi. We can move tables to make room for dancing or display tables. We also have a kitchen to prepare medieval cuisine.

As the American Legion is an organization based on military veterans and past wars, I

think it would be especially interesting (if possible) to have subject matter experts on warfare throughout the Middle Ages to discuss how battles were fought back then compared to what modern Legionnaires experienced themselves. Armor, weapons, models, books, and other information would be wonderful to have present, but I recognize there may be limitations due to safety and availability of volunteers and equipment. Consulting the An Tir Kingdom calendar and Post 75's calendar, the best time to hold this SCA demo looks to be Sunday, June 30th, from 10am to 5pm. Post 75 can provide volunteers to open and prepare the building for you, assist with activities throughout the day, serve concessions, and answer any questions about the American Legion. Just let us know what we need to do to accommodate your group.

I would also like to invite a representative of your group to come speak at our next American Legion meeting May 13th at 7pm in Sheridan. This is an opportunity to tell our group more about the SCA, what you need us to do for a demo, and a chance to evaluate our building and its potential use for the event. Thank you, and take care!

Taking a job in the outlands some time this year so I'm leaving this position at sometime. One post was deleted from s.m and the poster was notified.

TFamily Activities Coordinator – Duversa

Ok here's the I've been working on getting the information out for bar gemels it's been a little trying with me having some medical stuff going in and having entire weeks gone from my memory. But now that my doctors finally have figured out what exactly is wrong with me things will be much better.

I am going to be sending a whole bunch of background requests. I asked for people to send me their info. If they did not send me what I asked for I cannot request the background request. I can't pull out old info I cannot go back to what was previously done.

April Business Meeting Notes

Sorry it doesn't work that way. Background checks are a legal process and to be done as a at that time request period end of story. think everything has been updated in the bar. The game this year is Skittles. This is a change to previous years but is a request per baronesses all championships can be reformatted as the seated baron/baronesses see fit this isn't that big of a change.

the next big event and Ulf and I are heading that up. I am working on possibly starting a children's "inquisitor" guild. It will be an on-going game within the various events that Ulf and I attend that's outside of ya fa in clude s as extra fun stuff to do. Since I am titled executioner I thought teaching the history of spies networks and what all they did might be fun. If you want to play along let me know. There will be quests like find a specific person and get a token from them or ask them certain questions or complete a specific task. The tasks will be part of. It's sort of the next step if what to do to roll the program along. do need feedback on what types of things stuck on. Facebook messages are best right now. I'm keeping a list. aliz and is the society has created a questioner officers mentors and parents of things that need improvement. The website we know is a beast. Worksheets are continually being worked on. I am having a problem marking completed for completed items in the website as an officer it's not always letting me know something has been done.

you are a mentor and you have mentored a child to completion in anyou do not have your metal token let me know at barge-mels. need to order more tokens so we will be working on more fund raisers this summer.

Chamberlaine-

The Barony came together to move our equipment to the new storage facility. I am in awe at how many people came and how quickly we were able to not only move the equipment, but take a quick photo inventory and organize the new storage unit.

During the move we disposed of two obelisks as the finance committee had already agreed.

I have purchased two sets of shelves, similar to the ones we already have to make better use of the space.

I will be re-purposing or disposing of the items that have been in the lost and found for over a year. There's actually quite a bit of period items that will go to the silent auction or largess.

Now that I have more room in the storage unit I plan to get a better look at what we have and what we need. I feel that there are many items that we haven't used in the past ten or more years and others that have outlived their usefulness.

I am still looking for a successor as I've been in office over 3 years. I'd love to have a chance to include a new officer in the process so that the new space works best for them.

Whether I have a replacement I will be stepping down after wrapping up Bar Gemels (May business meeting).

I've enjoyed this job. I love being able to help the Barony in a vital way while still being able to have freedom to do what I wish at events. I'm excited to be leaving it more organized and accessible than before and easier to maintain. I'd love to see someone take up the job rather than adding another responsibility on the exchequer. Please contact me if you have questions about the job.

I have purchased two sets of shelves, similar to the ones we already have to make better use of the space.

I will be re-purposing or disposing of the items that have been in the lost and found for over a year. There's actually quite a bit of period items that will go to the silent auction or largess.

Now that I have more room in the storage unit I plan to get a better look at what we have and what we need. I feel that there are many items that we haven't used in the past ten or more years and others that have outlived their usefulness.

I am still looking for a successor as I've been in office over 3 years. I'd love to have a chance to include a new officer in the process so that the new space works best for them.

Whether I have a replacement I will be stepping down after wrapping up

Bar Gemels (May business meeting). I've enjoyed this job. I love being able to help the Barony in a vital way while still being able to have freedom to do what I wish at events.

I'm excited to be leaving it more organized and accessible than before and easier to maintain. I'd love to see someone take up the job rather than adding another responsibility on the exchequer. Please contact me if you have questions about the job.
