## July Business Meeting Notes

Agenda for TP Business Meeting  
07/15//2018

Meeting starts 7:00

### Opening words from Their Excellencies:

Hello, Terra Pomaria! We've had an eventful month, with His Excellency attending the elevation of TE Stromgard at Grand Thing, Her Excellency attending June Investiture for HAH Antoine and HAH Kathren, and then attending An Tir West War. Our deepest thanks and gratitude to those who acted as our retinue and made sure that we took care of ourselves; we truly have the best populace in An Tir.

A quick touch on some less-fun topics. First, if you see or experience harassment or bullying at an event, please immediately notify someone in charge, such as the event steward or the seneschal. If you feel unable to advocate for yourself (previous traumatic experiences, anxiety, whatever the case), please feel free to approach Thegn Clovis or Baronesa Ximena, and we will advocate for you whenever possible. We in Terra Pomaria and in An Tir take the safety and well-being of our populace at events and wherever else we have authority very seriously. Baronesa Ximena has asked our Web Minister to add a link to the An Tir bullying/harassment policy to the website (should be going up in the next few days).

Second, a quick reminder that the Terra Pomaria baronial encampment is family-friendly, and our expectation is that anyone camping with us will behave accordingly. If you need a guideline, ask yourself "is this something that the Baronesa will want to explain to her precocious preteen daughter?" Third, while Facebook is a blessing in many ways, it also has definite drawbacks. When posting or commenting in the Terra Pomaria group or page, remember that we are, again, a family-friendly page, which in this context includes things like "be nice to each other" and "don't post about things that wouldn't be discussed openly in front of kids." A lot of bad will is floating around in the world right now, and it can be hard to remember that the person on the other end of the screen is indeed a person, but we expect everyone to make that effort. We are not asking people to ignore or sweep-under-the-rug, by any means, just to respond with respect for a person's humanity, even when you disagree

with their opinions or beliefs. If you wish to continue the conversation elsewhere without worrying about that, go for it.

Investiture report:

--September Coronet format has been announced: bring your best, best two out of three every round, and using a great sword for the final round. Models will be available at multiple events for comparison and planning purposes, and Sir Sverre said that he has resources available and spoke of possibly having a couple Knights' Roadshows to help prepare.

--HAH Alpine Antoine would like to have March Coronet no longer be scheduled against Gulf Wars and would like to have June Investiture be moved to the 2nd to last weekend in June, rather than being tied to the solstice (there will be clarification on what "weekend" specifically means in this context).

--Summits is hoping to add banners for Three Mountains, Stromgard, and Dragon's Mist, as they frequently attend Summits events. Also, they hope to have travel thrones with switchable backs made for visiting royals who might not have been able to bring their own thrones.

--Please remain diligent in getting your quarterly reports done on time! Terra Pomaria leads the Principality in many things, and it would be wonderful if reports were one of them. This helps the Principality and Kingdom officers spend more time with the fun parts of their job, rather than chasing us around. I am happy to help program reminders into phones or add them to calendars!

--There will be a Hunter championship (thrown weapons) added to the Captain of Eagles tournament. Pageantry is being greatly encouraged at the Captain of Cats tournament! Has the Terra Pomaria arms badge for the new Captain of Cats cloak been submitted?

--Mountain's Edge has asked for help from archery/thrown weapons marshals at Acorn War. They also really like having help in general, as do we all!

--Viscountess Temperence Trewelove is hoping to move The Echoes to more of an Arts & Sciences magazine with opportunities for citizen journalism. If you are interested, please contact her!

Kingdom reminder! The picnic basket fundraiser at July Coronation, with all proceeds going to support suicide prevention aware-

ness, is still up and running. If you are going to July Coronation, or want to surprise a friend, take advantage of this great opportunity to get a marvelous picnic and support a good cause.

Long & Short is approaching and your baronial coronets need award recommendations! We've received a few verbal recommendations, but we really need to get them in writing so you have the opportunity to tell us all of the wonderful things the person has done, and we have the opportunity to remember them!

Silver Pillar recommendations are also currently being accepted. Thegn Clovis has posted guidelines for the process in the Terra Pomaria group, and both Their Excellencies are happy to answer questions.

We are still looking for bids for the new Youth Archery and Thrown Weapons Championships. If you have an idea, we would love to hear it.

And last but not least! We have several officers seeking replacements and several open offices! If you are interested in a position, please feel free to ask the officer, the seneschal, or Ourselves any questions you might have. Many hands make light work, and service in the Society can look wonderful on a modern resume

### Officer reports

#### **Seneschal** – zulaika

First off, the elephant in the room. We have been notified of undesirable behavior exhibited by one of our local members who has been inactive for several years directed at several people, including other members of our Barony. Both parties have been communicated with and the situation is being handled by myself, Their Excellencies, and Summits Seneschal.

Another aspect of the situation was certain verbiage used on post to the Barony's Facebook page. I have since made a post on the page regarding expected proper behavior for posts on any page with the Barony's name associated with it.

We have received a bid for Bar Gemels 2020, I would like to remind folks that the bids session will close at the September Business Meeting, with bid presentations and voting occurring at that meeting.

Chamberlain report:

All items checked out for West An Tir have been returned.

The Baronial pavilion's ridge pole has been developing signs of wear over the last few events. The Chamberlain office is requesting the aid of someone familiar with woodworking to evaluate the pole to determine if it is safe for continuing usage.

**Heavy Marsha** -SEEKING SUCESSOR - Randall Attached is the second quarter Baronial Heavy Marshal report. Please acknowledge receiving this as I am trying to ensure this is getting to all the recipients.

no accidents no injuries to report

Rapier Marsha -Santinu s

This month we had 3 practices averaging 5 fighter. Attached to this report the waiver of consent for Alex Earhart which is required as a minor.

There were no accidents or equipment failures this month.

We had fencing at two demonstrations last month which I did not receive reports for. I would like to find a deputy or someone to take over the office for me since I have held the position for more than 4 years.

2nd quarter report sent out today also.

Lists Ministe Pede

### Target Archery Marshal – Duncan

Archery and Thrown Weapons practice is going really well. We are averaging 15-30 folks every week including children. In fact last practice we had at least 15 children out of the 25 folks that were there.

I think the new Children's Archery Championship is going to be very well attended at long & Short this year and I am excited about that. Thank you to ALL the parents that bring your kids out each week!!!!

Luther and I have been discussing making new thrown weapons stands as our current set is getting a lot of use and are getting beat up. I also need to find out if I can use Baronial funds to repair personal thrown weapons gear that is used mainly as loaner gear for both adults and children. If not, that is OK, I will still continue to provide this as a service to the Barony.

There are no Baronial events that I am required to be at this month.

Equestrian Marsha Tassi-

We have had two practices since the last business meeting. 6/29 practice hosted 7 participants (6 riders/one spectator) with two new participants from Dragon's Lair! The 7/14/19 practice hosted 9 participants (8 riders and 1 spectator). The 7/14/19 practice was a combined equestrian games and rossefecten practice. We had a participant from the Canton of Kaldorness (St. Helens) and two participants from Adiantum. No injuries or unplanned ground testing occurred, which was nice. Next practice is scheduled for 8/4/19. As our group continues to gain momentum with numbers of horses being hauled in, it is very important for those wishing to attend practice with or WITHOUT horses to please let me know you are coming. Parking space is limited (however there is a church close by for parking) and what I really do not want to have to do is turn anyone away from participating due to lack of space or planning. I very much appreciate those who have let me know they are coming or are coming late! Thank you again!

End report

Other information:

We did take some video, however, I have not yet received the information from those who took video, but when received, I will do a web wide search of other appropriate video and seek permission and then work to create a promotional video. There are some aspects that we cannot capture at practice, which has been captured elsewhere (like jousting) and the super cool pageantry.

Also, I have just received Ken's contact number (Macha's husband) to ask permission to host a some type of equestrian event in her name at Long & Short this year. I am waiting to see if we are able to write equestrian into the L&S contract and if I should move forward with planning? I see key concerns of getting the word out ASAP for folks to attend and time for me to get this out in the equestrian community. As this event is being done as a demo, would it be admission free for spectators?

### Web Ministe -adele

This past month has been quiet. I enjoyed the Office 365 Training event on June 17 and was able to resolve some questions I had about the email account. Was able to add the official web minister badge to the account, which makes me happy every time I see it! Her Excellency, the Baronessa, has been going over the content on the website and will be sending me her revisions when she has time. Some of the content has become dated over the years and she has a sharp eye for technical and legal details.

### Castilin-Luther

For the month of July I have to report 2 amazing demos were conducted in the spirit of education and recruitment. The first was a YMCA which hosted 50 kids from the camp. The Second was Sheridan American Legion. A head count shows 80 attendants came through to partake in the demo. Both events featured fighting for both heavy and rapier along with a host of hands on activities such as heraldry and garb. Much excitement and interest was generated. I also wish to pass a reminder that on July 27-28th will be the Canterbury demo.

With a site picked, fancy words will soon be sent out, and preparations shall be made for the event proper.  
I need to make an event page and will be reaching out to the web minister to have information added asap.  
I would like to discuss the possibility of early set up of some tents at Stonehenge Friday evening, so Saturday morning can progress slightly more organically, in proper SCA time.  
There is a veritable muck-cart of stuff to do, and but a single day to do it. Who's idea was it to run this as a single day event?  
I could use help in these areas

Public Outreach - Part of the goal of the event was to keep costs non-existent so we can invite the locals to attend. To that end, I need someone that can design a 8x11 flier, and once printed, post at various places around salem -- such as Canterbury fair! going to work on fancy words for the people

## June Business Meeting Notes

### •Agenda for TP Business Meeting

•06/17//2018

•Attendance: Olaff Beer Gripper, Zulaika Al Zarqa, Luther Guthrie, Santinus Cantarini, Myvanwy verch Robert, Duessa of Movilla, Ulf the wanderer, Gwyneth Blackthorne, Marcus Valerius, Alicia Du Bois, Ximena, Clovis, Christmas Carol, Wystan Albreght, Duncan Mckai, Keridwyn micCionadha, Tass, Randall Blackwolf, Adele Neuton Rafe Neuton

Meeting starts: 7:00

Opening words from Their Excellencies:

Welcome to business meeting! We are excited to see you all at our first business meeting as Thegn and Baronesa. Thegn Clovis has been working on three new youth awards for service, arts & sciences, and marshal prowess, and on modifications to the Silver Pillar. His intention is to not diminish the importance of the award, but to make it easier for the populace to express their wishes (more information will be forthcoming). We attended May Crown and our tent did not blow away! The Kingdom law is being updated, including adding EDI language to the bullying policy and also reducing the number of events required for a barony from three to two events per year. Thorsteinn and Rustam competed in the Crown tournament, Duessa was fought for by Ivan Shieldbane, Weylyn fought in the rose tournament (and protected Her Alpine Highness from the weather during the final bout!), HE Lindis and HE Genevieve had many important conversations about EDI and how the new policies are being implemented in our Kingdom, and Ulf made sure the Baronesa did not wander alone through the foreign lands.

We are working to create a Youth Archery Championship and Throw Weapons Championship, to be included in the festivities at Long & Short.

We plan to respond to emails within 48 hours and ask that all official communications and requests be submitted that way. Also, please continue the dad jokes! We love them and they make the world a better place. On that note, Ximena frequently signs out of Facebook, so if you have a post or something she is tagged in that she needs to know about, please message her and let her know. Thank you and we look forward to the next three years as your Thegn and Baronesa!

Officer reports:

Seneschal – zulaika

So the June Business meeting will be restricted to high priority business due to us hosting the Kingdom webminister to help us with Office 365.

Please bring a laptop or tablet if able.

If you have specific questions, please email them to me so that we can incorporate them into the plan for the night.

We are opening this up to other Baronies and Shires in the area as well.

I have created an event on Facebook as well for this.

Demos -VACANT

Social Media –

Family Activities Coordinator- Duessa- so I am sending this from my personal email rather than the official YAFA email because, new phone I have to reset everything. My computer also ate everything. And my brain is functioning on less than 100% to deal with that today.

So, here's what's been going on.

Egils happened and it was kind of interesting. We didn't have as many participants as years past but I believe it was mainly because of how wet it was. Most of the kids in the Summits have worked on Level 1 activities and most of the kids at Egils aren't really involved in the SCA other than JUST Egils so they don't do SCA events and don't do YAFA. We did have two new families who participated. Working with Adiantum is great for both of our baronies because we have children in both baronies who like to work together and do stuff. It gives both groups a chance to learn from each other and have fun.

Ulf and I (Duessa) were awarded the Baronial Brownie from Adiantum at Egils for our work for the past several years with YAFA at Adiantum events.

Speaking of which, we both need contingency and backup people for our offices. Ulf's tenure as Summits YAFA officer ends in August of this year. I cannot be his replacement. My tenure as Terra Pomaria officer technically ends at Bar Gemels Next year (2020) I can continue my office if needed it's actually really fun.

I am currently working on getting the An Tir Assassins Guild set up. ominous name...it's to get the teenagers involved. Teenagers like ominous names if we called it play group they'd be like really that's boring. The idea is to take individual items from sections 2 and 3

of the YAFA worksheets and incorporate them into different things at various events. Then during the events have the kids that are part of the guild go on quests to complete the tasks. As they complete the tasks they are working on the worksheets. It will take a bit of effort but I really want to have people in different areas who are willing to help me build task sheets, then have adults who are part of the guild help kids in the guild work on this. Adults who are teachers do NOT have to be background checked. Only mentors do. Since Elianna is at the age to work on sections 2 and 3 of the worksheets, she's going to be my primary guinea pig.

Ulf and I were going to try to make it to investiture but that won't be happening. An Tir West War is iffy, if we go it would only be for just Saturday. Having said that, I am currently looking for inexpensive drop spindles for YAFA. If anyone goes to ATWW and finds a merchant who has them, I need 4 or 5 of them to make spinning kits for YAFA. You will be reimbursed.

Summits PEER book. If you've watched the discussion page on facebook you've see information regarding the Peer book project. This is a fundraiser for Summits YAFA. It's going to be a coloring book we've been working on for a while. We are hoping it is ready by ATWW. It will be in a three ring binder format so the pages can be taken out and colored. It will be an educational tool for YAFA but also possibly used for seargentry for any of the baronies within the Summits. So far it's pretty awesome looking. The images have been updated to be Vector format. Pricing will depend on how much it cost to print so that we can actually make some money on it but it won't be ridiculously expensive.

OTHER REPORTS

this is for events

February Summits A&S I sent in the event budget bid paperwork to be looked at by the finance committee. Since we cannot go to investiture I would like to know if the finance committee can look it over, check it for errors and let me know if something needs to be fixed so it can be forwarded to principality so that I can get approval to get the deposit to the site as soon as possible. It is only 8 months away.

Bar Gemels 2020 I have submitted an event budget bid paperwork to be the event steward. I guesstimated the amount for the kitchen because I honestly don't know how much we

## June Business Meeting Notes

generally use for food. However, I am willing and able to be the event steward. I'd like to be the event steward, I can be the event steward. It's a fun event, it sort of but doesn't actually run itself. Yes it's a different site, but it cost way less than camp T. An added bonus, we pay one deposit for the year and can use the site as many times as we want and they give us the deposit back at the end of the year. done deal.

Same site as I would like to use for Fiber Symposium for 2021

WHICH

Fiber Symposium 2021 update....

I am working on updating the bid paperwork to resend to principality before sending along to Kingdom. There were some suggestions and questions that made sense that I am updating and will be amending to send in a few days. Hopefully I can get it updated before Investiture so that it can be looked at and be presented at Coronation.

Exchequer – Wistan –

I am working on finalizing the Bar Gamels event financial report and need the members with outstanding advances to submit their receipts and returns. per the financial policy all receipts need to be submitted with 60 days, so please get them back to me ASAP. The Exchequers office is in need of deputies, Primarily to fill the office of Chamberlain. The office helps keep track of the physical assets of the barony and ensures all equipment taken out for events is returned back to the barony. Being an officer is a great way to support the barony, it takes only a small amount of time, and experience working for a non profit looks good on a resume. If you are interested in either position please contact myself or the seneschal.

Heavy Marshal –SEEKING SUCESSOR - Randall –

The weather is warming up and tourney season is in the thick.

No injuries to report, no incidents to report no armor or weapon failures to report.

We are seeing on a average of 4-6 people showing up but only about 2 are armoring up due to heat injuries or allergies

Our wonderful Baroness is attending learning some of the fighter moves.

Am looking into the possibility to have a

weekend fighter practice out at the coast the weekend before West/ An tir war.

A opportunity to check out coast folks kits and make sure they are authorized pre war if they are ready.

Rapier Marshal – SEEKING SUCCESSOR- Santinus –

Over the last month we have averaged 4 fighters per practice.

There are no new rules updates that I am aware of.

There are no activities in the Barony this month with nothing planned..

Target Archery Marshal – Duncan – report givin orally

Equestrian Marshal – Tassi-

We have had two Equestrian practices since the last business meeting. Both were around 9/10 in attendance. We had two horses hauled in from Couer du Val at the last practice which was a surprise. The last practice on the 16th was cancelled due to lack of RSVPs and on account of it being Father's Day. No incidents to report which is always good. I was contacted by two newcomers by email routed through our website from dragons Mist and one off Facebook (not sure of her location). We are hopeful that they both attend our next practice which is on the 30th. I have provided one printed copy of the Book of Horse to my deputy, Keridwyn.

Herald – Marcus

This month has been sort of quiet. The baronies populace badge, and the baronies defender badge have passed kingdom consultation, and have gone on to laurel for further consultation. This actually happened a while ago, but I was just informed by sinister gauntlet.

For long and Short their excellencies want to give those who interested the opportunity to try court heraldry. If you would like to give this a shot please let me know, or have questions about it please let me know.

Arts and Sciences Minister- Ulf
