Why were medieval wars always so serious and bloody?

Well, the armies were playing for keeps!

I am having a hard time locating my missing servant on Google!

What's the problem?

Every website I go to says "Page not found!"

Yours in Service,

## Board of Directors Announcement

At the March 2nd, 2021 conference call, the Board approved changes to Corpora, located within the Governing Documents of the SCA. This latest update includes the recently revised Introduction (commentary having occurred mid-late 2020). The intent of this revision was to better capture the spirit of inclusivity already embedded in our daily SCA lives, as well as to better reflect the ideals of the updated Mission Statement from 2017. Thank you all for your perspectives and input, which were invaluable in producing this final draft.

As a note, I currently intend to propose another minor redline for Corpora that will standardize some of the pronoun usage that has already begun to shift. As changes generally go out for commentary, the update process can feel a bit slow, but please know that we all are constantly working to ensure our governing documents reflect who we are and who we want to be.

The updated document can be found here: <https://sca.org/govdocs>

## Culinary Column

### Makerouns

This recipe is an adaptation of an early – and delicious – version of an American favorite: macaroni and cheese. It appears to have been a favorite dish in England at least 700 years ago (judging by the number of cookery books including it), although their noodles were not tubular as we are accustomed to. The very word ‘macaroni’ comes from the original shape of the noodles – long, straight lines ‘macron’.

**1 lb. broad noodles** (*try making them yourself for more authenticity. You may also use prepared pasta ‘sheets’ available at some grocers. If you use packaged lasagna noodles, I prefer the ‘no boil’ type, as their shape is more appropriate.*)

**1/2 Cup or more grated cheese** (*white cheddar, Parmesan, or jack cheese will be most authentic. If you are really ambitious, fresh, homemade ricotta or farmers cheese or both is especially good!*)

**2 tbsp butter** (*or more*)

**1/4 Cup milk or half & half**

**Freshly ground nutmeg** *to taste*

Boil noodles in lightly salted water until tender. In a buttered, ovenproof serving dish layer half the noodles, half the cheese, the other half of the noodles and the remainder of the cheese. Pour liquid evenly over the top and cover. Bake at 350° for about 30 minutes or until all cheese is melted and most liquid has been absorbed. Let stand for about 10 minutes and ‘serve it forth’.

### Baron & Baroness

- No comments.

### Seneschal

- I participated in a Seneschal Meeting for the Kingdom, got good info and feedback and touched base.
- Their Excellencies and I met with the Event Stewards that have upcoming/delayed events and we all agreed that it would be best to just cancel Baronial events for 2020, so as to not pressure an already full calendar.
- Other than that, things have been quiet

### Demos

- Nothing to report
- Interested parties please talk with Their Excellencies and the Seneschal.

### Social Media

- Nothing to report.

### Family Activities Coordinator

- COVID 19 has taken over our lives and as such not a lot has been happening with anyone anywhere. So for YAFA family interaction there has been NOTHING I've received no updates no information, nothing. We can't be with each other so we haven't don't any interaction. I see Facebook posts of individuals and their families doing things but with schools closed I honestly do not see YAFA as being an active thing right now. Parents are struggling and I think we need to just kind of take a backseat and be an open resource when a parent goes oh crap I have to help with history what do I do and we can step in and say I have a resource for that. I think YAFA will be able to help in that way at this time.
- Background checks are on hold sort of extended for the time being so is membership renewals because of everything being closed. So no worries

about that mine was to expire at the end of April so when we can actually do paperwork again I will get it redone.

### Exchequer

- Bank Balance \$8,872.40

Looking into process to refund all pre-reg fees collected for Bar Gamels.

### **Web Minister**

- It's been a quiet month for the current website. As for the new WordPress site, I keep preparing to get it unpacked, but it seems to get regularly sidelined by mundane priorities. Nevertheless, this month I made a push to get the groundwork ready so the transition will go smoothly. I rounded up some beautiful images for the slideshow, and made sure I had photo releases for each of them. I also finished scanning the photo and model releases I have on file and added them to a shared Dropbox folder. This should make it easier in the future to look up what photos and whose photography can be used for the website

### **Chatelaine/Castellan**

- For the month of April I

have not to report due to social distancing. But for May we look to host a virtual Ceilidh. On the newcomer front, no new inquires to our email and no new contacts .

### **Upcoming events:**

#### **Bar Gemels 2020**

- Duessa: Bar Gemels is cancelled. I have already contacted the sight and let them know that we as a barony have discussed this and we are not having any events for the rest of the year. The financial impact to our community alone is too

much. People are not employed and can't afford to go to an event let alone not having a vaccine, the age of our participants and many who are immunocompromised people are not going to feel safe going to an event until maybe next year at the earliest anyhow. Even though the Bar Gemels site we have now is one of the best for sanitation with multiple real bathrooms and showers and sinks there is still the possibility of cross contamination and

sickness. We can work on it happening next year. Bigger Better Bar Gemels part 2.

### Known World Fiber Symposium

- Duversa: The bid was submitted to be looked over so it could be analyzed for proof reading and updates made before it was actually submitted. Well, it's not going to happen in 2021. I honestly feel that with a pandemic people are not going to be financially recovered

enough to want to go to a known world anything soon after. They simply won't be able to afford it plus traveling will be scarce for a while. I'm thinking we might be able to do it in 2022, but absolutely not 2021. It all depends on how the world recovers from this.

### **Old Business:**

- No old business

### **New Business:**

## May 2020 Business Meeting

### Seneschal

- I attended a virtual Seneschal Meeting hosted by the Kingdom Seneschal. We got some updated information regarding the current situation and generally checked in. We also had a quick class on contracts: what to keep an eye out for, good ways to present counteroffers, what terms mean, such as that. It was a good class and I feel better for having taken it.
- Their Excellencies and I have reached out to the Officers whose jobs include gatherings of people to see what plans we think are best for when we get the green light to reopen. These will be announced and published when a green light is given, so as not to confuse anyone into thinking anything has opened prematurely.

### Demos

- Nothing to report
- Interested parties please talk with Their Excellencies and the Seneschal.

### Social Media

- Nothing to report

### Family Activities Coordinator

- For YAFA there is nothing to report, nothing happening

nothing to do nothing going on so can't really report anything. The plague has happened so kids are learning about it.

- Has been requested to make cure of the plague cookies if we can ever do anything in big groups again but that's it.

### Exchequer

- Ledger Balance \$8,847.40
- Bank Balance \$8,872.40
- I have contacted Kingdom PayPal deputy to have funds collected for Bar Gamels issued to us. I also have contacted the pre-reged members to get remittance info for the refund, once all have responded I will work on issuing checks. The barony will be picking up the PayPal process costs which amount to a little over \$5.

### Chamberlain

- Supplies were checked out from the storage unit for the Summits A&S event. After the event, the Eric poles and accessories were sent back with Capt. Randy for some repairs. The rest of the supplies were held on to for easier transport for Bar Gamels. With the event now being re-scheduled, the supplies have been scheduled to be returned to the storage unit this week. No other requests were made this month. Apologies for the late report.

### Librarian

- Vacant position; nothing to report
- Interested parties please talk with Zulaikha and Their Excellencies.

### Heavy Marshal

- Seeking a successor
- We have had an active month we even brought back the Armored golden apple. A field of 8 combatants
- Round robin bring your best format. Sir Svere Tjorkilson won the coveted golden Apple. Soon I will send out the report to summits marshalate.
- Only one armor strap break; no other injuries or incidents.
- We have been offered some additional loaner gear that may need repairs. With Kingdom putting a kibosh on gatherings I will spend the next few practices sorting the armory totes into a more useful format and update my inventory.

### Rapier Marshal

- We have had a few steady participants at practice and at our last practice a new (to us) fighter has just moved to the area. Due to the COVID-19 pandemic practices at this time are suspended. This will be re-evaluated at the end of the

## May 2020 Business Meeting

month. I have discussed having Rapier at Bar Gemels with the event steward and there is a plan, though it may be adjusted as needed.

### Lists Minister

- Nothing to report

### Target Archery Marshal

- For the month of March, I have to report continued steady attendance for archery. Golden Arrow was held and won by our Duncan McCray who successfully fended off the Viking raider to save the populace. I am also glad to report 3 new archers have come to learn our ways brought to us by Lady Keridwyn. As the days grow longer and warmer, I hope to see attendance continue to increase.

### Equestrian Marshal

- Not much to report. Insurance has been requested for the 2020 year with minimal drama.
- The current practice dates are as follows:
  - \* 04/05/2020, 9am-4pm

### Arts and Sciences

- We had February Arts and

Sciences Day on 2/23/2020, at the Ike Box. His Excellency Alail did a presentation on Garb and Costuming, with more than a couple dozen primary source books for reference. There was a lively discussion and Q/A, with 10 or so people in attendance, some from other Branches.

- March's Arts and Sciences day is cancelled due to the COVID-19 pandemic.

### Coastal A&S

Groups.io as way to continue including people who used Yahoo Groups and/or don't use Facebook to keep up with news and announcements. We also saw one of our Event Stewards, HL Duversa, work with the Kingdom event calendar team to improve the interface for adding and styling event pages on the Kingdom website. Her efforts have greatly improved the look and usability of the event pages.

- And then, with the arrival of COVID-19 (Coronavirus), there was an immediate flurry of activity and energy put toward helping branches prepare for offering online meetings. Our success in Terra Pomaria, largely due to HL Kenji's efforts, became an example to follow, and he was invited by the Kingdom Webminister to help with training and education throughout the Kingdom.

- By the time the official announcement came out regarding the cancellation of all March events and gatherings in An Tir, an impressive amount of preparation had already been made toward keeping everyone connected digitally. The recommended meeting method is Microsoft Teams, although some branches are still using Skype and Discord.

- It is truly impressive to see how swiftly and smoothly our

Society has risen to the challenge during uncertain times.

### Chatelaine/Castellan

- For the month of March, I have to report another successful Ceilidh host at our new site. The populace was entertained by Lady Zulaikha while site tokens were produced for Bar Gemels. The new site has been secured for the remainder of the season and next month, will be announced later pending the lift of the event band. I am proud to announce 1 new prospect that has begun to come and fight and I returning Scadian who has been using Ceilidh as a jumping in event.

### Gold Key

- I am still looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward. Please contact me if you would like more info on what this job entails.

### Past Events:

#### Summits A&S

- Duversa: We had a total of 101 adult attendees, 9 youth, and a profit of \$868. We had 1 refund prior to event, and 1 request for refund a couple of weeks after the event. We had several people comment that they absolutely loved the site and thought we could use it for a crown event due to size and location. (people who have hosted recent crown tourney and coronations and know the specific requirements of them).

- We had some last minute moving of WHERE things happened because the dividers in the one building had been removed, but everything worked out in the end.

- I'm not sure what the total

number of entrants was (5 and 4 I believe). However, Duchess Elianor won for A&S and HL liuri won Bardic.

- Also, the racial harassment incident. As a follow up to what happened. The kingdom and crown have taken steps to ensure that the individual who made the comments has been asked to not participate in any activities in the kingdom and an announcement was made at Kingdom A&S during court. The case and all information have been forwarded to corporate who will make a ruling regarding possible additional sanctions and other things that may be done such as additional training resources. I am working on a bid for signage for the barony to have for gate for the harassment policy.

### Upcoming events:

#### Bar Gemels 2020

- Date is changing
- Way before COVID-19 was an issue in our area I had a contingency plan for Bar Gemels in case we needed to move dates, something happened etc. I have been working with OCCC about what to do. Basically, we can move the date to dates that are available, currently there are three possible dates which are June 12-14 (another group is booked that date, but they will

most likely cancel), May 29-31 (weekend after Egils) and Mother's Day weekend May 9-11. All of these weekends are past the NOW 8 weeks no gathering over 50 people restriction placed by the CDC (effective today 3-16-2020). Previously there was a 4-week restriction on gatherings of 250 or more, but we (baronets of TP, seneschal and I) had agreed that moving the date further past where it was would probably be a good idea based on current worldwide figures and information knowing that restrictions would be expanded. The site is fine with us moving dates with 0 financial impact on us. If we can't have the event in the spring, the next plan is to move it to the fall. But everything else is still being planned as normal, merchants, tourneys, classes etc.

### Fiber Symposium

- Duessa: I submitted the information to everyone who needed to see it so questions could be asked and have everything looked over hoping to discuss it at the next business meeting and make a final actual revision that could be THE ACTUAL event bid and send it in.
- However, since business meetings are being cancelled, I need input sent to me as soon as possible so I can make revisions. I know that the income

figures are well, to me optimistic and I have talked to society A&S regarding them. The numbers are based on previous known world symposium figures and kingdom event figures and his guidance on how to come up with the figures. I would like to get the bid in place and finalized as soon as possible. With the COVID-19 shutting stuff down this year, next year people will be wanting to travel and do the things they could not this year. So the timing would be excellent.

### Long and Short

- Thorsten: Greetings! I'm writing with some unfortunate news; someone had gotten a reservation request into Fogarty State Park before ours could be received so the site I was looking at has been booked for august I'm going to continue to pursue other options for sites and see what we can do to hopefully still keep it on the coast.
