

# The Driry

The Barony of Terra Pomaria

## Words of Their Excellencies

Greeting unto the Populace of Terra Pomaria!

Oh my! Why are only our knights  
attacking the enemy horde?

It's a new battle tactic I created.

What's it called?

A Sir-Charge!

Yours in Service,  
*Thegn Clovis & Baronesa Ximena*

## Coronet Champion

It is with a happy heart and great pride that we announce Terra Pomaria's former baron and baroness, Timawa Bato (formerly Sir Ruland von Bern) and Mistress Emma von Bern, will be the next prince and princess of The Summits this June!

Timawa Bato competed in the Coronet tournament and faced many skilled fighters. But, inspired by Emma, and cheered on by his family (by blood and SCAdian) he bested all challengers! Bato was raised up on the shoulders of his noble peers (and our king!) and celebrated for his victory in the list. And then he and Emma were announced as Tanis and Tanista of The Summits!

Congratulations, Bato! Our Barony is proud to call you one of our own, and we look forward to working with you as Prince!

### Baron & Baroness

- We're in for a busy month, so we'll leave it for our officers to

give details.

- We were unable to make Twelfth Night in person, but we saw court and the coronation online. We're interested to see how this virtual innovation is used moving forward.

### Seneschal

(10/2021 to 10/2023)

- I have recently returned from Twelfth Night to see the crowning of our new King & Queen, Their Majesties Sven and Raoukinn. It was so wonderful to see! I want to say a huge thank you to those from TP that were able to attend despite all the challenges - it surely wasn't easy and without risks, but it was lovely to see you there! We hope that those who couldn't attend found the virtual information enjoyable and inspiring. All events were recorded and are available on the Kingdom Facebook group – You can see a lot of good stuff.
- As this is the time for quarterly reports, I want to thank all of the officers for their prompt submission of their reports. I believe nearly all of them have been submitted. As for mine, I find myself inspired by such a wonderful officer core, now with new officers and with officers who have continued to serve, some past their term and continue to stay engaged and so helpful to others within the Barony. I'm happy to share that our membership is continuing for a third quarter in an upward trend, which is wonderful to see. We currently have 82 paid members in the

Barony.

- We are struggling to fill our A&S Minister position but hope to have it filled with someone soon – please contact Their Excellencies or myself if you are interested. I believe we have one candidate for Chatelaine.
- The registration for our virtual confidence polling for our Baron and Baroness was supposed to close at 11:59 pm tonight, but it did have some technical difficulties. They have been fixed and it is working again now, so hopefully you can get it in before it closes. If you have technical difficulties, you can email your details to the An Tir Polling Deputy by the end of today and she can manually add you to the registration. The actual confidence polling will take place from 2/14/22-2/21/22.
- Last month we all talked about the storage unit costs and I want to thank everyone for their help as we investigate options to reduce the costs
- Possibly move the TP group to private due to hackers and it needs to be discussed more.

### Demos

- Open position.
- Interested parties please talk with Their Excellencies and the Seneschal.

### Social Media

- I am hoping for a replacement soon.

## January 2022 Business Meeting

- Thank you, Lindis, for correcting the meeting scheduling issue on the Baronial calendar.
- I have the Clovis' Sunday Series classes created through April.
- Regarding the TP Community Group, because Facebook has changed its policies again, we can now make our public community group private again and add administrators to the group. There are several options to help make it a safer space and to cut down on trolls and hacking.
- In person events will be back up on the January 21<sup>st</sup>, and I plan to ensure regular events are updated and accurate.
- We could explore using other social media like Instagram and Twitter more than we are.
  - Fortune: To promote events for kids it's better for the group to be private, and to avoid creepy people.
  - Lindis: I am currently and admin for all An Tir social media pages. Security is a big deal, and many groups are going private for this reason. Facebook pages are a public face, but groups are private. We can promote the group on the public Facebook page.
  - Ximena: If we go private and then the SCA social media policy flip-flops we'd be back where we were before. Maybe wait a year before we change to public. We tried to be compliant but then had more issues. This is a great opportunity to consider other options beyond Facebook

and have the Kingdom Events web page be a central location. Some members of the Barony purposefully avoid Facebook and we should consider them.

- Maeve: We'd get back into the same mess if policies changed. We can see how things go moving forward and we can look at what other groups are doing.
- Clovis: Thank you, Maeve – we are very grateful for all your

work. Is there a way to change archived page back into a public page? Maeve is unsure if that is possible.

- Zulaikha – Redirecting people between pages could be confusing.
- Raven – Our own webpage and calendar should have more information for meetings like virtual meeting links and reporting forms.
- Emma – Look at the Events

## January 2022 Business Meeting

& Gatherings page and there should be links to the Kingdom website for consistency of information.

- Ximena – It would be okay to put quarterly reports and other info on there for officer convenience. A reminder to event stewards and hosts of local gatherings: The Facebook events must be created through the Barony of Terra Pomaria Facebook page, not our community group. There have been some updates since the pandemic put things on hold. The updates are available on the Kingdom website, and I am

happy to provide the info and assist with navigating through it.

### **Family Activities Coordinator**

- Unfortunately, nothing to report. COVID makes us cautious around kids.
- It's possible to do porch drop-off for YAFA activities, but I need ideas from parents for what the kids want to do.
- Melannei – Scribal kits were a big hit with her kids.

### **Exchequer**

- Ledger Balance \$5496.07
- Bank Balance \$6,266.07
- The Exchequer's Office has 3 drafted checks that have not yet cleared (1 reimbursement, and 2 payments for event sites).
- The Exchequer's Office is still looking into storage unit options, but the current unit is paid up through April.

Now that events are restarting, I just wanted to send out a general reminder to get your check requests submitted. Payments/reimbursements cannot be drafted without the check request form (or a copy of a contact that contains sufficient remittance and payment info), so get your forms submitted. Since we are still holding remote meetings, remember that it takes time to process the requests and arrange signers (so the earlier you can get the requests submitted the better).

### **Chamberlain**

- Nothing to report.

### **Librarian**

- Nothing to report.

### **Heavy Marshal**

- We have not had any practices since before Thanksgiving, cancelled practices due to a number of reasons (attendance, holidays, weather, injuries), and shut down all activities due to Kingdom mandate prior to Twelfth Night.

## January 2022 Business Meeting

Post Twelfth Night COVID exposure also caused no practices.

- We were looking at holding a heavy prize tournament at the Rapier event on January 22<sup>nd</sup>, but we now plan to skip that portion of the event since heavy fighters want to go to the Ursulmas tournament.

- We have a new fighter transplanted from Adiantum with rapier experience and is now interested in heavy fighting. He has been messaging a lot and wants to know more. His persona is Bronze Age Mesopotamian!

### Rapier Marshal

- We have not had any practices since before Christmas so nothing to report.
- Luther should contact him with any needs before Saturday's Rapier event.
- Luther: No needs, except Levi will be Marshal in Charge.

Victor has also offered to help as a guest marshal allowing Levi to compete.

### Lists Minister

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

### Target Archery Marshal

- For the month of January, archery reports that due various outbreaks we have been on hold

but look to reopen on the 25th.

### Equestrian Marshal

- Nothing to report.

### Youth Armored Combat

- Open position.
- Accepting applicants. Interested parties please send an email to Their Excellencies and the Seneschal.

### Herald

- Submitted Luther's device for conflict check. Followed up and it's a good design. Great job designing the device, Luther!
- I am hoping that Their Excellencies devices are in the pipeline for approval.

### Arts and Sciences

- Due to the ongoing pandemic, there is nothing to report.
  - Emma: GA&S is a greater office and is a required office to maintain as a Barony, so it's very important to get a successor for Rowen.
  - If you're interested at all, please contact the Seneschal, Their Excellencies, or Rowan.

### Chronicler

- Officers, please remember to email in your reports for accuracy in the minutes.
- I published one issue of The

Privy including December's meeting minutes and submitted my quarterly report to the Summits Chronicler.

- To my fellow officers - why is your office important and what makes your events and activities special. I would love to include articles or photos from your monthly activities or other related (at home scribal painting, new heraldry, etc.) and show off more of what we do here in TP. Please send me what you have.

- I will also be contacting each of you to conduct an informal interview to learn more about you, your office, and your time with TP and the SCA. This will help newcomers as well as share more info on what really happens in your baronial role.

- To Event Organizers - Please send me promotional information about your event, or anything beyond what I can pull off the An Tir calendar. I want to adequately promote the event, as well as send that article/information to our neighbors for inclusion in their newsletters.

### Grete Boke

- This is an open position.
- If you are interested, please contact Their Excellencies and the Seneschal.

### Web Minister

- Emma reports: Website is updated and current; Cassie responded to questions from

## January 2022 Business Meeting

Christmas for the event webpage.

- Event stewards can request access from Kingdom to update event information on the Kingdom Event Calendar, and then we can boost the signal using our Facebook groups.

### Chatelaine/Castellan

- I have to report one new inquiry via email and that Ceilidh continues in its online format until summer. Also, I have reached the end of my 4th year as Chatelaine and am seeking a successor.

### Gold Key

- Nothing new to report
- I am still looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward. Please contact me if you would like more info on what this job entails.

### Scribe

- As far as I know, we've had no scribal activity this month. I also did not attend Twelfth Night, as I'm still avoiding gatherings at this time.
- I learned that Scribal is not a greater office as it falls under Heraldry. Can someone be the A&S officer at the same time? I live in Mountain Edge but am in Salem all the time.
  - Emma: Confirmed, yes, it is possible. It's acceptable if he is interested, as long as you're not

your own boss; talk to Rowan and let Emma know; official stuff at the next meeting

- Zulaikha: According to the Baronial Customary, the Scribe is a greater office unless you want to update the Customary so it isn't.

- Lindis: The Barony can be more restrictive than Kingdom, even if Kingdom says it's different. Summits has A&S as a greater office, too.

- Ximena: We may have people willing to step into the Scribal role to perform the

## January 2022 Business Meeting

general admin and management of the office.

- Raven: It was the active scribal people actually do the work; Zulaikha needs to remember to open the virtual room for scribal nights.

- Emma: Nina is tossing around the idea of volunteering for the office.

### Past Events

- None discussed.

### Upcoming Events

#### **Bar Gemels**

- Bar Gemels is happening, and Lindis sent in her report at the last second.

- The contract has been signed and sent to Camp Taloali. The check is in the mail and biffies have been ordered.

- HE Ainslee will run the kitchen and needs volunteers –

- Ainslee: Volunteers will have pre-assigned roles, contact Ainslee (two meals covered, must fill in staff for third).

- Also, if anyone knew Dublin and have suggestions to make the event as much about Dublin as possible, please pass them along.

- Pre-registration will open on February 1<sup>st</sup>.

- Baroness Genevieve, co-event steward: We want to promote diversity, equity, and inclusivity at the event. There will be discussions to display

pronouns, provide large print materials, etc. We want to set the example, and we should take pride in TP being the best and most inclusive barony.

- Anyone attending the event has needs or needs accommodations, please inquire

#### **Summits Coronet 2022**

- Good evening! Information for The Crier is in, and I am hoping to get the event in The Echoes (Summits newsletter). Our bid for March Coronet has been accepted, and the dates are March 25-27th, which is a weekend later than normal, and the event will be held in Turner at the Oregon Christian Convention Center. The site does not allow alcohol or smoking.

- Lady Gwyneth is our pre-reg contact and we are working to fill other roles, including gate steward (this could be a little trickier than previously, in that the gate steward will be dealing with COVID protocols). She plans to begin Pre-Reg February 1<sup>st</sup> and we're waiting for the Facebook event page to be created.

- It was suggested that we might offer the opportunity to Summits to run the kitchen as a fundraiser for the Sword of State project, and I have emailed the Summits Seneschal and Exchequer regarding that possibility. It can only be run as a private fundraiser and cannot be officially sponsored. We'll double check with His Excellency to be sure. We would have to be careful of

any online payments and must comply with Oregon fundraising laws. We will let you know as things change.

- The event is on the Kingdom calendar, I am updating it as we receive updates, and Crier copy is in! Lady Zulaikha and Lady Melannei are hoping to visit the site tomorrow (Tuesday) to get a better idea of the bunk/RV situation, and also to take some measurements for possible decorations! We have some ideas for how to make Court more accessible, and we're looking forward to implementing those. We're looking to avoid the raised dais.

- If you are interested in helping with the event, please contact myself or Lady Zulaikha.

- Zulaikha: Coronet is usually the championship for cut and thrust, so we may need to consider that.

#### **Rapier Championship – Luther**

- This Saturday is the Rapier Championship and we're looking to have good attendance.

- Contact Stephan to help with gate

- Events are down to just the bardic and Rapier Championship

- Theme for the bardic is heroic deeds – we want to hear your inspiration.

- We're looking forward to seeing everyone!

- Fortune: Be sure to contact the person with the food drive barrel since the prize tourney isn't happening. Luther plans to still

## January 2022 Business Meeting

have the food drive.

- I submitted the final comp list for the event to the Finance Committee along with a check request.
- Wystan: The check is drafted, and Financial Committee members will review the list.

### Old Business

#### **Baronial Storage Unit**

- Luther sent Wystan information and prices for units in Stayton - \$150/mth (10x18ft shed) (\$14 less than current storage unit)
- Research on trailers – Matching shed size would cost \$24k-\$30k!
- Downsize trailer (8x12) -\$3k-\$6k.
- Ximena: Prefer we consider any other option than a trailer because another group had their trailer stolen.
- Fortune: Even the boy scouts are being targeted now.
- Emma: The Kingdom trailer had a leak and things got damaged. Our unit is paid up through April, so we have time to plan and discuss further.
- Ximena: We have downsized a lot already and other things (gold key, etc.)
- Melannei: We wanted something bigger than the shed we had for better accessibility, but we may not need quite as much space as now but more than we had.
- Emma: I totally understand not wanting to have that stuff at

your house.

- Zulaikha: Future planning needs to consider if Gold Key, Marshal, and others don't have the ability to transport gear.
- We seem to be hesitant to get rid of things because we used them ten years ago; we should seriously look at our inventory.
- Emma: We need to set a deadline to move and plan for before April.

### New Business

- **Facebook Community Group – Public vs private access** – Already discussed
- I hope to discuss this more at next meeting and have a stance where we should go. We need to make a decision and implement it.

#### **Candidate for Chatelaine - Lady AnaMartin**

- I moved to Terra Pomaria the beginning of last year and have held offices in other baronies.
- I am not afraid to talk to people.
- Ximena – She already has plans to get people together
- Emma: We're excited to have you be more

active and take on this role. We'll do the paperwork and get her in barring anyone else speaking up or vying for the office. By the next meeting we'll have that taken care of.

**Meeting ended at 8:07pm**

### Baron & Baroness

- Today is the last day of polling for the Baron and Baroness using the link to the Kingdom website.
- We look forward to having new officers!

- Thegn Clovis is composing a recruitment statement for the Social Media and Scribe offices. We recognize that the current officers in those roles have hung in there and are doing great!

### Seneschal

(10/2021 to 10/2023)

- Focusing on supporting the officers in finding successors and filling vacancies right now. Incredibly excited for our upcoming events and the wonderful people joining our officer team and the ability for our officers who have served long past their term to be able to choose to do other things that they enjoy, even if it's a different office, but no pressure at all. While I know Social Media is officially a lessor office, I believe in our current times it's an essential office and am very thankful for Maeve continuing. It's not an easy office to hold. If you are interested, please let Maeve, Their Excellencies, or I know. We would love to talk about it. I would also very much like to fill the office of Scribe as Raven has served long past his term. Please talk to us if you are interested in it also. It too is very important for the operations of our wonderful barony. Needed as we begin to hold more events.

- As this is the time for quarter-

ly reports, I want to thank all of the officers for their prompt submission of their reports. I believe nearly all of them have been submitted. As for mine, I find myself inspired by such a wonderful officer core, now with new officers and with officers who have continued to serve, some past their term and continue to stay engaged and so helpful to others within the Barony. I'm happy to share that our membership is continuing for a third quarter in an upward trend, which is wonderful to see. We currently have 82 paid members in the Barony.

### • **Deputy Seneschal update – HL Kenji**

- Officer dates of service: I have started including the expected dates of service for each office in the business meeting agenda. Some of these are easier to find than others so if you remember when you first stepped up into an office, please let me know. You can email me at [Kenjisca@gmail.com](mailto:Kenjisca@gmail.com) or the seneschal email address.

- Affecting Scribe and others  
Young at Art update: Talking with the owner of Young at Art she has had to close her studio space at this time so it's unavailable for our events. She is planning on reopening again when she is able but at this time this space will not be available for use.

## February 2022 Business Meeting

### Demos

- Open position.
- Accepting applicants. Interested parties please send an email to Their Excellencies and the Seneschal.
- Fortune: The Canterbury Renaissance Faire will be occurring this summer and they have contacted us to participate. Dates are the last two weekends in July – one of which conflicts with Crown.
- Some unofficial things have helped us be there both weekends, but we must let them know by May 1<sup>st</sup>; we have some time to decide.
- Clovis: Regarding Canterbury, we had a talk with their Majesties, and they are rereading Kingdom Law regarding conflicts with Kingdom events. It may be possible to have a demo if the Kingdom event is far away from the demo - it's being looked into.

### Social Media

- Greetings!
- I am still seeking a replacement and am happy to help with any training or questions interested persons may have. The Barony is able to restore archived Facebook groups, it will restore all previous privileges. For our current official Baronial Facebook group I would like to appoint

admins and moderators to assist with content. I received training today for StreamWorks, the platform Kingdom uses to livestream court, and I will be assisting with Kingdom court this Saturday. Thinking ahead, will we want a livestream setup for Bar

Gemels? – **Lindis is working on it.**

- Regular weekly activities have their event links scheduled to post 24 hours in advance. I am working on getting the weekend class series scheduled, as well. Nothing further to report.

### Family Activities Coordinator

(10/2021-10/2023)

- Nothing to report. Most families and kids are still not comfortable getting together, so activities are on hold unless someone has an idea or need for porch drop-offs.

### Exchequer

(3/2018-3/2022)

- Ledger Balance \$5,781.07
- Bank Balance \$6,361.07
- The exchequers office has two drafted checks that have not yet cleared (1 NMS payment to Kingdom, and 1 payment for event sites).
- The Exchequer's office is still looking into storage unit options, but the unit is paid up through April.
- The financial report for the Rapier Championship is compiled and I'm just waiting on any additional expenses to be submitted prior to finalizing the report. At this time the event is showing a small profit.
- I have attached a copy of the 2022 budget for review and adoption by the Finance Committee, many of the officer budgets have been reduced due to the restricted financial capacity of Barony at this time, as event revenue comes in, we can revisit the budget to expand the officer budgets.

## February 2022 Business Meeting

### Chamberlain

- Several items were borrowed for the Rapier Championship and then returned after the event.

### Librarian

- Nothing to report.

### Heavy Marshal

(9/2021-9/2023)

- We are currently holding weekly fighter practices at Stonehenge Farm on Wednesday evenings from 7-9pm. We typically have attendance of anywhere between 2 -7 fighters, some of which are from outside of the Barony (Coeur du Val). We have had at least two new fighters at practice and several more who have contacted me online but have yet to attend practice; one is interested in combat archery, too.
- We are complying with the requirements set forth by the Society and Kingdom for collecting information related to contact tracing. We have begun the verification of vaccination status or 72hr covid test to attend the practice. All attendees have been complying with the State mask requirements.
- I have not been contacted by the Summits or the event stewards for Summits Coronet next month for any support from

the Barony's marshal ranks. I cannot marshal at Coronet as I will be fighting in the list.

- I have coordinated with Mistress Lindis for the heavy fighting scenarios for Bar Gemels.
- I forgot to add, we are considering cancelling heavy fighter practice on Wednesday due to cold weather concerns – no one wants to get hit when it's that

cold. I'm surveying fighters and will make a decision Tuesday afternoon.

- The queen will be in Vancouver for a fighter practice on Sunday; it may be a better option for fighters than participating Wednesday.

### Rapier Marshal

- Regular practices draw between 3 and 8 people.
- We have a slight issue: One of our loaner rapiers broke. The tang snapped inside the handle. No injuries were sustained. The other loaner rapier has developed a bow.
- We need to update the gear

for loaner use since repair is ineffective.

- Castille Armory is the best deal for replacements – It's about \$400 before shipping, and we may only be able to order one sword.
- Levi won the Gold Apple Tournament last week and will

## February 2022 Business Meeting

hold another tournament next month.

- The original rapier vendor is unknown, so we cannot simply source the blade. It's been repaired multiple times in the past, but it's about time to replace it.
- Lindis: They [the swords] were donated a long time ago.
- Ana Martin might be able to look at them.
- Ana Martin: I used to work at Castile and am happy to make gips for free. I also have an order in and we can work the shipping together.

### Lists Minister

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

### Target Archery Marshal

- Archery practice continues with a steady core of 3-4 archers regularly attending. Practice will continue, and once attendance increases we will resume monthly tournaments.
- Lindis requested both thrown weapons and archery open ranges be set up at Bar Gamels.

### Equestrian Marshal

- No news to report.
- Proposed practice dates as follows which are approved by the practice site owner:
- New proposed:
- March 20 (likely too late to request for this date-I am also out of state for this date)

April 16

May 7

June 11

July 23

Aug 6, Aug 20

Sept 10

Oct 1, Oct 8, Oct 15

Nov 5, Nov 12, Nov 19

Dec 3, Dec 17

- If approved I will submit tomorrow!
- Also waiting for feedback from insurance.
- Emma: Tassi gets the award for holding the office the longest! Thanks for keeping Equestrian alive and going.

### Youth Armored Combat

- Open position.
- Accepting applicants. Interested parties please send an email to Their Excellencies and the Seneschal.

### Herald

- Things I accomplished: Luthor submitted his device. I got my name and device on the An Tir Order of Precedence, partly because I was bored, partly because I felt it was a teensy bit insincere on my part when I'm saying "heraldry is important" but ignoring one of its functions. So, when we get a new person to the barony, I've got the workflow of registering them on the OP. Lady Ana Martin is also getting her device approved.
- Problems I faced: I'm still trying to balance out life, work, and fun with lingering, and annoying, side effects from medical procedures this summer.
- Victories I've had: N/A
- Things I need Help with: I can't think of anything.
- Things I want to see going forward: Follow through with Aurelia and Their Excellencies on their submissions.
- Requested Kingdom polling link be sent out again; anyone registered should have gotten a link in your email after registering. If you don't have a link send an email to Crown (at [crown@antir.org](mailto:crown@antir.org)) with your modern name, SCA name, and comments.

- No new activity for this month. An issue of The Privy with January and February minutes along with a report from the Rapier Championship will be published soon.

for March Ceilidh are in progress. Also working with Ana Martin during transition.

- Hope to be able to put forward a plan for Canterbury.
- Emma: Thank you for staying on past your term and doing such a good job during difficult times.

### Grete Boke

- This is an open position.
- If you are interested, please contact Their Excellencies and the Seneschal.

### Gold Key

- Nothing new to report
- I am still looking for a successor as my term of office has finished. I am willing to stay in an interim basis until a replacement steps forward. Please contact me if you would like more info on what this job entails.

### Web Minister

(11/2021-11/2023)

- Nothing to report, all website updates are current.

### Scribe

- Nothing to report
- I am still looking for a full-time Scribe in Salem since it's difficult for me due to work/time conflicts in the evenings.
- If we cannot find someone to take it fulltime, Raven is willing to keep paper-pushing.
- I will rely on a deputy to make Scribal events happen.
- I handed out some charters to get painted, but null activity for a lot of this year.
- Tassi: Has some random rolls of scribal-type parchment or paper and will not use it. Please

### Chatelaine/ Castellan

(2/2018-2/2020+)

- For the month of February, the February Ceilidh was cancelled due to the Valentine's Day holiday. Plans

## February 2022 Business Meeting

let her know if anyone wants it - Genevieve is interested.

### Past Events

- **Rapier Championship** – Lord Luther

- I bid you a joyous day and send my most heartfelt thanks to all who supported me in the completion of the Terra Pomaria Rapier Championship. The event was modestly attended and the Championship itself was a great success. Six fierce fighters entered the list, and through a trial of arms in the form of a double round robin, Viscount Sir William Geoffrey the Rogue faced Lord Levi in final round, and claimed victory and the honor of serving as your new champion.

- The day also featured a bardic competition featuring Heroic Deeds. Performers brought tales and songs of legends and heroes past. Three people competed, and the court were graced by other performances from our marvelous bards. After many great stories were told, Lady Zulaikha al-Zarqa' claimed victory with her twin tales of Tomaris, Chief of the Steeps.

- The event hosted 43 attendees and succeeded in turning a small profit of \$170. It was thanks to the great efforts of my event staff, marshals, and

Bardic Champion that this event was a success. And a thank you to our Excellencies for creating the

opportunity to put this event together. This served as a test-run for other micro-events.

- Wystan initiated a small discussion about cleaning the biffy prior to events at Stonehenge. It was cleaned and serviced (through Stonehenge) before the Rapier Championship, but we'll see if we need to consider cleaning it on our own.

### Upcoming Events

- **Bar Gemels** - Mistress Lindis & HL Genevieve

- We don't have much to report this month as we have been pretty distracted with real life events.

- The deposit check was returned due to a transposed number on the address and has been sent again to the correct address.

- Pre-reg started Feb 1. The last update I received from a week ago was that over 50 people have registered and three cabins are fully booked. A huge thanks to Gwyneth for creating the pre-reg form and running it. She was a huge help!

- The Baron and Baroness of Three Mountains have confirmed

their attendance as well.

- The Kingdom events page has been updated to include preregistration links and additional information such as the contact for merchants and the heavy fighting scenarios. I am hoping to have all the major activity information posted by mid-March. Send Lindis a write-up.

- We are looking for a volunteer who would be willing to be a contingency steward. After the death of my father and the uncertainty of my mother's housing and care needs, I want to be sure the event will continue if something pulls us away. If you are willing, please contact Lindis directly.

- Thanks to everyone who has volunteered to make Bar Gemels the reunion we are hoping for. I apologize for spotty communications, but we're going to pull it off and it's going to be great!

- Maeve volunteered to be the back-up event steward.

### **Summits Coronet 2022** - Baronessa Ximena & Lady Zulaikha al-Zarqa'

- We are 32 days from March Coronet! All of the major pieces of the event are in place, pre-reg is open, and we are coming down the stretch before the home stretch. Thegn Clovis will be running a private kitchen serving

## February 2022 Business Meeting

boxed meals with all profits going to help fund the purchase of a new Summits' Sword of State.

- We are looking for a gate captain and COVID captain, along with other volunteers, so if you are interested in helping with any aspect of the event, just let Baronessa Ximena or Lady Zulaikha know.
- We have contacted heavy and cut/thrust marshals for the event.
- Lady Zulaikha has put together a bid for decorations that would stay with the Barony after the event.
- This is going to be a wonderful event to ease back into eventing, and we are delighted at the hope of seeing our friends in person again! We understand that we're not used to being around a lot of people for a long time, so there is lots of open time to break away from the crowd, if needed.

### Old Business

#### **Baronial Storage Unit**

- **Storage Unit** – We are paid up through April; there are no additional ideas or actions at this time.
- **TP Facebook Community Group (Public vs. Private)** - The Seneschal and the Social Media Officer worked together on the

idea of changing our privacy settings on our Facebook but during this last month the SCA appointed a new Social Media Officer, so we want to hold tight and see what they may roll out as they step into their new office.

- Now is not the best time to make changes with a new SM officer. We do not know what the new person will want to do/leverage. We'll use what we have available for now. There are no

anticipated changes.

- **Maeve** – Discussed putting up group guidelines; people are behaving but having it [guidelines] posted for new people and to base decisions off of for moderation may be a good idea.
- **Emma** – Will share draft guidelines by next meeting – this is an important collaboration.
- **Lindis**: Are the old guidelines from the Yahoo group still availa-

## February 2022 Business Meeting

ble? Answer: Possibly.

### New Business

- **Chatelaine candidate** - Lady Ana Martín de Santiago – Emma already pushed out the electronic feedback form between meetings.

- Lady Ana Martin came from Glyn Duffin and seems to be a perpetual “new person.” Now that she will be working from the inside she has plans and ideas. And also happy to assist with working with Castille Armory.

- Emma: We are grateful to have you serve and thankful for Luther for serving for so long.

- A&S candidate - HL Genevieve

- Between meetings HL Genevieve has stepped up to take the office. A feedback form was sent out and collected.

- Genevieve is excited to take position since she loves the arts. And following in the footsteps of Excellencies, she wants to bring in teachers from around the world.

- Daphne has stepped into the Deputy position, and they are discussing what they want to do. Do not hesitate to share your own ideas of what you want to see to target classes.

- Emma needs copies of her membership card.

- Raven: Is she opposed to including Scribal in A&S nights? Genevieve replied no since there is benefit to doing that.

- Baron – We are looking forward to having fresh blood as officers in the Barony.

- Ximena – We appreciate all our officers in general. It’s always fun and interesting, and we appreciate those officers that take the time to come to business meetings. We love our Barony and its people. We appreciate you all very much.

- Names for financial committee participants are selected randomly from the populace (Wheel of Names).

- Lindis and Fortune volunteered to be on the Financial Committee.

**Meeting ended at 8:07pm**

- We had a class by our friend Marcella – ate cheese for the

class

- Apologies for not having talked up our attendance – distracted by other things. Will be going to Baroness War up to an event Fri-thru Sun in Vulpin

- We have the ability to spread the talent and fame of TP artisans far and wide. Please contact the Baron and Baronesa for any largesse you would like to donate or give them any special gifts you want them to take north.

- A note on virtual classes – two more are scheduled, must consult with heavy marshal – may need to shift date of one due to conflict with Easter.

- Classes will be ending at the end of April

### Seneschal

(10/2021 to 10/2023)

- Clarify the COVID sign-in report
- The An Tir Seneschal clarified that we cannot require masks at events
- It should be a personal choice, but we cannot require them
- Thanks to everyone for getting your reports in. Reminder that next month is quarterly reports

- We still need a scribe and social media officer; but the

A&S officer has volunteered to help with scribal nights.

### Demos

- Open position.
- Interested parties please talk with Their Excellencies and the Seneschal.

### Social Media

(Seeking successor immediately)

- Apologies for getting this in at the last minute, things got a bit crazy for me. Our social media platforms are doing well, no issues to report. The barony now has an official A&S Facebook page in an effort to enhance our community's artisans with connecting, sharing, and promoting A&S activities. Baroness Genevieve, and Dafne Fraser are admins on the page.

- The Kingdom Technomancer is looking for volunteers to help with live streaming at Coronet this coming weekend. Even a little help of being a relief person so folks can grab a bite and go to the restroom will be appreciated.

- I have been plotting, and with the approval of Their Excellencies, I am going to put together a fun little video. I ask that all of the officers send me a 5-10 second video of yourselves

## March 2022 Business Meeting

in garb doing a little hop and standing in place slightly weaving back and forth like a character in a video game. For example, the heavy marshal dressed in their fighting kit, without the helm, so your face is visible. The video can be sent to me privately through Facebook or in our group Facebook messenger chat. If you do not wish to participate in the video please email me directly at [terrapmaria.socialmedia@antir.org](mailto:terrapmaria.socialmedia@antir.org)

- What am I plotting with this video? Adding another social media platform to our ranks-TikTok! This is an approved SCA platform that will enable us to showcase local gatherings, promote events, advertise for open office positions, and have some fun.
- I am still seeking a replacement to take over and keep the fun going.
- Nothing further to report.

### Family Activities Coordinator

(10/2020-10/2022)

- Right now, I have nothing to report for the previous month. Due to personal obligations nothing will probably happen before the next business meeting. I am looking forward to nice weather to possibly begin to have some activities with the family and youth

for YAFA. I have a LARGE backyard with plenty of room for things to happen in safely, so as soon as the weather improves, we will look into having some activities.

- I would like to find a deputy if possible. Activities need two adults with background checks in order to occur. I need help or we cannot have activities at events.

### Exchequer

- Ledger Balance \$5,486.87
- Bank Balance \$5,486.87

As a reminder, please submit all check requests that may be outstanding as early as possible so we can get reimbursements made and vendors paid in a timely manner. Such as gate seed so cashboxes have

sufficient funds.

### Chamberlain

- Nothing to report.

### Librarian

- I have not been posting much to the Facebook group but hope to get back to it soon.

### Heavy Marshal

(9/2021-9/2023)

- We are currently holding weekly fighter practices at Stonehenge Farm on Wednesday evenings from 7-9pm. We typically have attendance of anywhere between 2 -7 fighters, some of which are from outside of the Barony. Two people contacted interested in fighting, and one has a kit, hopefully he

## March 2022 Business Meeting

can attend a future practice.

- We had been complying with the requirements set forth by the society and kingdom for collecting information related to contact tracing. We have begun the verification of vaccination status or 72hr covid test to attend the practice. All attendees have been complying with the State mask requirements. However, mid-month we discontinued this process as the Kingdom and State lifted those requirements.

- I have confirmed with the event stewards for Summits Coronet that marshalling duties are covered for the event.

- As I reported last month, I have coordinated with Mistress Lindis for the heavy fighting scenarios for Bar Gemels.

### Rapier Marshal

- Regular practices, 3-5 pax,

up to 7.

- We have two new loaner swords.
- Nothing else to report

### Lists Minister

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

### Target Archery Marshal

- Good Gentles, for the month of March I have to report that Archery has gone well and we have adapted to the new policies set forth. I am happy to report that we have gained a new Archer who is returning to the SCA after a 17-year absence. I am also happy to report that I have acquired a set of throwing knives, axes, and a spear for the Barony's use to loan and teach with.

- I have a plan to develop and teach a throwing class for those interested.

### Equestrian Marshal

- Greetings,
- Insurance for the 2022 year had been ordered and practice dates are as follows:

- April 16, 2022
- May 7, 2022
- June 11, 2022
- July 23, 2022
- August 6 & 20, 2022
- September 10, 2022
- October 1, 8, & 15, 2022
- November 5 & 12, 2022
- November 19, 2022
- December 3 & 17, 2022

- No other information to report at this time. I would ask that the Webminister publish the new dates and if the social media deputy could create an ongoing event surrounding the equestrian practices that would be super awesome! I need to connect with the site owners as I am not certain if their requirements for attending practice continue to be the same (vaccine or negative test within 3 days of practice). When I have that information, I will make an additional request according to what information I get.

- I have not yet received the

## March 2022 Business Meeting

insurance rider or receipt yet but will submit my request for reimbursement when I do.

- Lastly, I will not be in attendance of the business meeting as Mike and I will be in Maui on a much needed vacation (we have not been away from the farm since Dec 2019).

### Youth Armored Combat

- Open position.
- Accepting applicants. Interested parties please send an email to Their Excellencies and the Seneschal.

### Herald

- Things I accomplished:
  - Luthor's device was rejected by the Black Lion Herald for not being fimbriated enough. I sketched up a more fimbriated version of his device, and forwarded it to Luthor.
  - Their Excellencies' devices may have gotten lost in the paperwork vortex / Black Lion Herald
  - I learned that Kaitlynn Elena Alba has to submit her device for "Heraldic College Approval"
  - I need to follow up with Aurela on where we

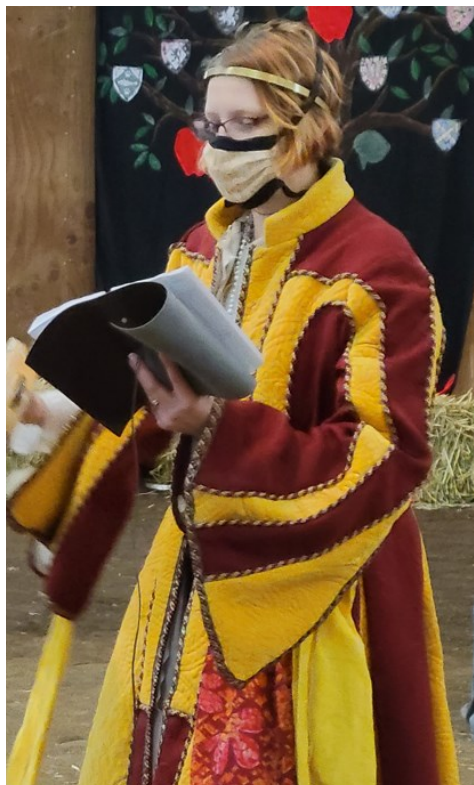

were with her device.

- Fortune: She emailed a device for Samson Guard to the Herald and wanted to make sure it was being tracked.
- Problems I faced:
  - I'm still trying to balance out life, work, and fun with lingering, and annoying, side effects from medical procedures this summer.
- Victories I've had:
  - Things I need help with: I can't think of anything.
  - Things I want to see going forward: Follow all the peoples' and their heraldic trials and

tribulations without being a nag.

### Arts and Sciences

- The changeover of Minster of A&S is complete, and we thank the Honorable Lady Rowan Spiritwalker for her service.
- HE Genevieve Choue has entered the role of A&S Minister with HE Daphne Fraser as Deputy.
- This last month has brought much planning to the office. As part of engaging the fair populace of Terra Pomaria and beyond, a new Facebook page has been created for the Arts and Sciences. We wish to provide opportunities to highlight the creations of the populace, provide resources from our lands and beyond, share classes near and far, and build a community of Arts and Sciences that encourages participation.
- In April, A&S will come to Bar Gemels. We will be offering the opportunity to paint quilt squares that represent our love for Terra Pomaria, enjoyment of Bar Gemels event, and anything else that strikes a person's fancy. These quilt squares will be turned into décor for future Bar Gemels.
- Additionally, we will offer space for populace members to

## March 2022 Business Meeting

showcase their A&S talents for the enjoyment of others. Participants may choose to receive feedback as would be given at a competition, but it is not necessary for participation.

- We are starting to line up classes for A&S nights and will be working hard to announce them as soon as possible. The classes will continue to follow in the schedule set by Theign Clovis, with more information to follow when details are set.

Thank you for this opportunity to serve as an Officer to the Great Terra Pomaria.

### Chronicler

(12/2020-12/2022)

- Your Excellencies, no new

activity for this month, with my apologies. I will try to publish The Privy with Jan, Feb, and March minutes soon.

### Grete Boke

- This is an open position.
- If you are interested, please contact Their Excellencies and the Seneschal.

### Web Minister

- Apologies for missing February's report.
- This month I updated the officer's page to reflect our two new officers joining us. I also updated the gathering's page with the 2022 equestrian dates, as well as the correct location for Heavy Marshal practice, and

some other general house keeping.

- Adele Neuton offered to assist if Cassie had any questions working on the site.

### Chatelaine

(3/2022-3/2024)

Halloo Baronymates! During the month of March I've received inquiries through email from two potential new people and know of two more who plan to attend Coronet and likely Bar Gemels as well. I still need to connect with the outgoing chatelaine to make the vital connection of my own feet on the ground, paperwork and responsibility-wise.

### Gold Key

- Gold Key has been requested to be available at Summits Coronet, and I am making arrangements for that. Otherwise, nothing new to report.

### Scribe

- No report

### Past Events

- None discussed.

## March 2022 Business Meeting

### Upcoming Events

#### Bar Gemels

- Bar Gemels is happening, and Lindis sent in her report at the last second.
- Barony of Terra Pomaria
- Supervising or co-autocrat is HE Genevieve Choue.
- We have planned an A&S event and project showcase. Tournament prizes and auction items are being collected. Event schedule and copy underway.

The menu will be decided closer to the event due to changing food costs.

- We still need information and write-ups from bardic, thrown weapons, and archery.
- Additional championship prizes needed.
- Volunteers for set-up, take-down, gate, and kitchen still needed.
- We still need some write-ups for some activities

- The bardic one is being written and needs approval from Their Excellencies
- We need more items for prizes.
- We need more gate volunteers and others to help in the kitchen.
- We are on track to begin scheduling and assembling the site copy
- The new art center will be open for activities. It's more

## March 2022 Business Meeting

spread out, but the new facility looks nice

### Summits Coronet 2022

- Four days to go! Site for Summits March Coronet will open on Friday at 11am for any who wish to help with set up, at 12pm for merchants, and 3pm for all attendees.
- Work continues on the banners and progress is happening! Anyone wishing to help with this project is more than welcome (please contact Lady Zulaikha for information).
- Our camp mistress, HL Melannei Athenaios, reports that lodging space is very limited. She says "We can accommodate everyone that has pre-registered but any late reservations will likely be placed in the loft area that has curtained off areas with bunk beds. People are encouraged to contact me if they would like to free up space by bunking with someone specific." She has also done some number-crunching and we are cautiously hoping for a decent profit from the event!
- We are just under 200 pre-registered attendees, and will have not only Their Alpine Highnesses and Their Royal Majesties, but also the Princess of Draconis Insulae, in Drachenwald.

- A reminder that, per the site contract, no alcohol, drugs, or smoking is allowed onsite. Animals are allowed in all areas without carpet, and since they are planning to re-carpet the main building after our event, this includes most of the building on site.

- They will be recarpeting the Tabernacle; hardwood floors and dogs will be allowed there – fighting on hardwood subfloor
- The weather looks like it will be relatively dry this week, so we don't anticipate any real problems with the RV sites, which are grass.
- We are still looking for help with the livestream team, including an on-site director, and with gate (the online sign-up sheet is posted in the Facebook event). Gate will be in a warm, dry place, with restrooms nearby, sunshine during the day, and possibly even a view of the erics! Help for teardown is appreciate it.
- Officially there is no gate steward – Stephen will love you if you volunteer to help.
  - Warm, dry, by biffies, and a likely view of the eric.
  - Alail said he would help with gate
- Zulaikha and Luther will be

on site Wednesday through Friday putting final touches on the space

- Clovis will be running a kitchen as a private fundraiser and is looking for help. The busiest meals will be Saturday breakfast and lunch. Alail will help with kitchen as well.
  - Ximena will get a request to the Exchequer.
