Bar Gemels Highlights

This year's Bar Gemels was another great cornerstone event for our Barony! Nobles and gentle persons from across the lands gathered in our fair land for the weekend and a great deal of fun was had! Delicious food, household reunions, and songs a-plenty made the event one to remember!

Many friends in Terra Pomaria's fine populace were recognized by Prince Luciano and Princess Tessina of the Summits and Thegn Clovis and Baronesa Ximena.

And most notably, thanks to everyone's generosity the Baronial Auction raised \$1,721 - enough to send two children to Camp Taloali this summer!

A recording of the Royal Court at: <https://www.youtube.com/watch?v=LocGPKy2d-Y>

- Thegn Clovis was presented with the Heart of the Summits.
- Mistress Lindis de Aquisgranno received the Grail of the Summits for Service.
- Friend of TP, Alaina Blackthorn from Dragon's Mist, was also awarded the Grail of the Summits for Service.
- HL Sindri inn harfagri was awarded the Grail of the Summits for Service.

Equestrian Challenges will be hosted in loving memory of Mistress Lady Macha the Determined. And a rapier prize tournament, and a cut and thrust prize tournament, and a youth arts and science prize tournament. Baron & Baroness

- We are so glad everyone is able to join us for the meeting. It's been a busy month and we're going to go into an even busier month. We are looking forward to seeing everyone that

is able to attend Bar Gemels this weekend! That's it for now.

Seneschal

(10/2021 to 10/2023)

- Officers, quarterly reports must be submitted to Summits officers on time.

- Bato won at Summits Coronet, so I am looking for someone to fill the Seneschal role before we step up as Prince and Princess.

- I am talking to Their Excellencies about the change-over, and if you know someone interested, please seek Emma out to discuss the role.

- I hope that by the next business meeting we'll have a plan for transition.

- I hope to have someone with prior experience as Seneschal; I cannot help much during the transition due to many other things needing attention.

- We are still looking for a Social Media and Scribal Officers along with other vacant offices which are all listed on our website.

- We have a lot of new people coming out and also many people returning to Terra Pomaria so there may be people interested in these positions.

- An addition for New Business will be a discussion for Long and Short.

Demos

- Open position.
- Interested parties please talk with Their Excellencies and the Seneschal.

Social Media

(Seeking successor immediately)

- Greetings! I may not be able to join the meeting tonight, as I might be driving- if I can get Bluetooth to behave in the car, I will pop in. The following is my report as Social Media officer for the Barony of Terra Pomaria:

- To recap Terra Pomaria is utilizing Facebook, Twitter, Instagram, and YouTube as our current social media platforms. Soon TikTok will be added to the rotation.

- I will be going through and scheduling reminders for our regular gatherings to be posted to the official Facebook group. I have offered to assist the Summits Social Media officer at Bar Gemels with streaming on site and look forward to getting that up and running. I will also be getting videos of officers at the event for our initial TikTok clip. For the officers that aren't able to send me a video or have their segment done at Bar Gemels, I will utilize the "stealth mode" option.

April 2022 Business Meeting

- I am still seeking a successor. I am happy to train or even do a job shadow to see if folks want to step into the post and I would greatly welcome the help. My eventing schedule is going to be busy soon as I am on staff for Kenric and Dagmar when they step up as King & Queen of the West.
- No issues to report. Thus ends my report 😊

Family Activities Coordinator

(10/2020-10/2022)

- Nothing to report.
- We have games for kids but no in-person activities yet until more adults have background checks.
- I know of two people that would want to make that happen, but they have to send their information to Emma to initiate a background check.

- We will have several board games at Bar Gamels for youth and families.

Exchequer

(05/2022-05/2024)

- Ledger Balance \$2,471.77
- Bank Balance \$4,578.87
- I have two reimbursement checks in process of being signed and expect to be drafting the check to Principality for their 50% of the profit from Coronet and closing out the event report once the Kingdom sends us the confirmation on the PayPal costs & revenue collected, which should happen this week.
- We had two more requests come in for reimbursement/payments (for Bar Gamels expenses).
- I have a replacement for Exchequer coming on board next month - Melannei Athenaios.

Chamberlain

(11/2019-11/2021+)

- Not a lot was of equipment was borrowed for Coronet
- Thank you for taking care of it all while I dealt with personal tragedies.
- Things are looking great for Bar Gamels.

April 2022 Business Meeting

Librarian

- Nothing to report.

Heavy Marshal

(9/2021-9/2023)

- The branch did not have a marshalled branch event. However, Summits Coronet was held in the Barony of Terra Pomaria. The Principality was responsible for marshalling activities at the event. We are having weekly practices in Terra Pomaria, and all is going well. We have several new fighters. Because of my recent victory at Coronet, I will be turning over the Baronial marshalate responsibilities to Randall Courtney for my term as Prince. We are in preparations for heavy combat activities at Bar Gemels on April 22-24.

Rapier Marshal

(11/2021-11/2023)

- Nothing new event-wise. We have a pretty good turnout most weeks and some low weeks. We also have new loaner gear!
- Lady Heather twisted her knee a few weeks back – it was only a sprain, and she should return shortly, but it's never any fun for someone to get hurt.

Lists Minister

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

Target Archery Marshal

(08/2019-08/2021+)

- Good Gentles, for the month of April I have little to report.

Practice continues with limited turnout - only 3-4 shooters. But we are starting to see the return of pre-covid archers, so attendance should begin to increase. We gained a new archer last week and we are looking to resuming the Golden Arrow shoot in the summer once attendance rises a bit more.

- We will have our equipment on site at Bar Gemels for the Captain of Eagles archery tournament and the Summits Hunter thrown weapons tournament.

Equestrian Marshal

(08/2010-Indefinite)

- There is not a whole lot to report. Our first Equestrian practice of the year was held on 4/15. We had a total of 6 at gate - 5 riders and 1 ground crew. This included a newcomer equestrian who was authorized for general riding and games! There were no unplanned dismounts, and we missed the rain. Great fun was had!
- The next practice is May 7th!
- My quarterly report will be submitted soon.
- Emma: Petra looks to be a tremendous addition to the Equestrian field!

April 2022 Business Meeting

Youth Armored Combat

- Open position.
- Accepting applicants. Interested parties please send an email to Their Excellencies and the Seneschal.

Herald

(08/2020-08/2022)

- Things I accomplished in the last month:
 - Followed up with four people in the Barony about their devices & paperwork.
- Problems I faced:
 - I'm still trying to balance out life, work, and fun with lingering, and annoying, side effects from medical procedures this summer.
- Victories I've had:
 - I'm getting more familiar with Principality / Kingdom Herald paperwork and who to talk to.
- Things I need Help with:
 - I can't think of anything.
- Things I want to see going forward:
 - Follow all the peoples' and their heraldic trials and tribulations without being a nag.
- Emma: We were looking for the Bar Gamels badge. We have many emails about it being submitted, but did it ever get

finalized? I will keep looking. If anyone has it, please send it to Cassie.

- Clovis: It should be in older Herald emails since it was submitted under Marcus.
- Ximena will look through emails as well.
- Frederick: I could not find old Bar Gamels badge in my emails, but I got an email from the Black Lion Herald that Clovis' device is in the process.

Arts and Sciences

(3/2022-3/2024)

- As part of engaging the fair populace of Terra Pomaria and beyond, a new Facebook Page has been created for TP Arts and Sciences last month. Through this page, we have posted opportunities for populace members to engage in events and classes related to A&S topics. Additionally, people from outside of Terra Pomaria have been cross-posting in various groups, so we will continue to grow a network dedicated to the pursuits of A&S. We currently have 61 members and counting.
- Next weekend, A&S will come to Bar Gamels. We will be offering the opportunity to paint quilt squares that represent our love for Terra Pomaria, enjoyment of Bar Gamels event, and anything else that strikes a

person's fancy. These quilt squares will be turned into décor for future Bar Gamels. Additionally, we will offer space for populace members to showcase their A&S talents for the enjoyment of others. Participants may choose to receive feedback as would be given at a competition, but it is not necessary for participation.

- Classes and the identification of topics is being worked on. We are struggling to find people that are able to give classes specifically to TP with

April 2022 Business Meeting

the season underway, so we are switching gears to focus on classes at events and livestreaming them. However, nothing is set and until then, so we will continue to share events and classes as they arise.

Chronicler

(12/2020-12/2022)

- I completed an issue of the Privy including a report from Coronet and minutes from January through March. I submitted the issue to the Webminister for posting on TP's website on Saturday. Once posted I will send out an announcement on Facebook with the link.
- If anyone has feedback or corrections, please let me know. I'll be working on the next issue to include April's minutes and publish in a much more-timely manner. Officers, please watch your officer email boxes for a questionnaire from me asking questions about your SCA history and officer role
- Also, I am requested any Bar Gamels photos – court, games, combat, etc. If anyone need model forms, please let me know.

Grete Boke

- This is an open position.
- If you are interested, please

contact Their Excellencies and the Seneschal.

Web Minister

(11/2021-11/2023)

- This month I updated the website with the April copy of The Privy, otherwise nothing else to report.
- Ji'lid: I noticed Archery practice is listed as monthly and Scribal will not be held at Young At Art in the future so that can be removed.
- The Scribal Zoom meetings are still happening.

Chatelaine

(3/2022-3/2024)

- I have heard from some new people when information is passed on from others, but I

need to know how are people finding you all?

- Emma: Two people have emailed Emma; they found her contact information online at the TP website and one went through Facebook.
- Zulaikha: Facebook directs people to the Seneschal and Seneschal is the first person listed on the officer's webpage.
- Since the tone of the email, I received was curt and asked for me to call them, but I don't want to use my own phone number. Is there a different way to call people so not to give out my personal number?
- Emma: I am happy to call to make contact
- Bulan: *67 will block your number and is listed as "No caller ID". Or if you do choose to set

April 2022 Business Meeting

up a Google Voice number, for your own privacy, the website is <https://voice.google.com/>,

- Emma: The person she referred is so excited to come to Bar Gamels!
- Gwyneth: I've gotten a couple newcomers as my email was the only email on pre-reg forms.
- Ji'lid: We also had a family ask about Terra Pomaria and events at the Coronet clean-up on Sunday.
- AnaMartin needs to prepare an email with all info to send to newcomers.

Gold Key

(04/2016-04-2018+)

- Gold Key was at Summits Coronet and was used by at least 8 gentles (apologies for not having a more specific number, I am having trouble locating the sign-out sheet). Gold Key was requested to be at Bar Gemels, and I will be making arrangements for that. Otherwise, nothing new to report.
- I am planning to step down after Bar Gemels. If anyone is interested in learning more about Gold Key, I would be happy to talk with them.
- Step down responsibility falls under the Exchequer since Gold Key is Baronial property,

but having the Chatelaine be responsible makes more sense.

- Emma: Thank you for serving as long as you have. It's an important office you've held.

Scribe

(11/2019-11/2021+)

- This quarter has been really slow, and as already noted I am

looking for a replacement as my time is well over. The Scribal Office is a Greater Office for Terra Pomeria, and thereby I'll not leave the office until a replacement has been selected.

- In future actions, it does look like we will be able to set up virtual meetings in conjunction with TP Arts & Sciences.

Past Events

Summits Coronet 2022

Baronesa Ximena & Lady Zulaikha al-Zarqa

- Reports are ready to go.
- It was a very successful event, and a big thanks to everyone involved!
- Congrats to Bato and Emma on your impending reign! Terra Pomaria will shine brighter than we already do to support you in your reign.
- Thank you to our team and all who helped out. I cannot think of how the event could have gone better!

Upcoming Events

Bar Gemels (Genevieve Choue)

- Bar Gemels is this weekend! And it's looking good.
- We held a site walk through on Friday. The site has multiple improvements including new ovens in the kitchen, new HVAC, and new bunks and mattresses. It's beautiful and we're excited. The event will include three tournaments, arts, a bit of everything.
- Ulf the Wanderer donated two extremely nice prizes of a chess board and a tablero set, and Alail is donating some amazing pewter goblets, as well.
- Baron Pierce volunteered to help with Rapier and Diana de

Winterton is leading lists. Our own Melannei is leading gate – thank you for that!

- Ainslee completed and published the menu, and we are ready for the event.
- I have a check request into the Exchequer for the biffies and a change fund for gate and the kitchen.
- We will be loading at the

ion, clothes items will be hung, and I will have a kitten, so no dogs, please.

- Zulaikha: Do we know about the general Wi-Fi status or cell coverage on site? In past years we've had some PayPal connection problems.
- Nina: We've never had problems so it should be pretty good.

Old Business

Baronial Storage Unit

Storage Unit

- No new progress
- We're probably not going to change units. Remove from future agendas.

TP Facebook Community Group (Public vs. Private)

- We are waiting to hear what the new Society changes will be, and we don't want to lose sight of it. We may remove it soon.

New Business

Long and Short

- We need bids for Long & Short of It (tentatively 8/12-8/14)
- Their Excellencies and Emma admit Long and Short should have been open for bid a while ago – they are officially opening it today.
- We hope to receive bids by the next business meeting
- The ideal dates are Aug 12-14. Not on Aug 27th due to significant personal conflicts; that's why we asked for the

shed at 10am on Friday and hoping to be on site at noon. Ainslee will be in the kitchen at 10am if anyone wants to help.

- It should be a great weekend!
- Fortune will be handling the Auction
- Fortune: I have some items at home and will receive more on site. I will be going to JJ's house to pick up more, too. Tables will be under my pavil-

- Zulaikha: Heads-up, we are planning on doing some low-key live streaming at Bar Gamels – it's a good event for learning about the technology. Contact her with questions or for more information.
- Ximena: I am proud of Terra Pomaria for handling so much of the live streaming – you all are knocking it out of the park; Scribal is bolstering other areas, too. I am so proud of everyone!
- Emma: Terra Pomaria is

- Tassi: I hope that it will remain the second week of August since the first week is my 10-year wedding anniversary and I will be either out of the states or off this continent.
- Gwyneth: Stefan and I are working on something. But multiple bids would be great 😊
- That weekend belongs to Corvaria on the Summits calendar with the intention to keep events scattered.
- We want bids by the next meeting.

Canterbury Renaissance Faire (Fortune)

- At Coronet Luther and I discussed Canterbury taking place the last two weekends in July
- Our household usually does first weekend – not as much stuff as 2nd weekend
- The demo does not require any Baronial funding - we are considered a “guild” and get in free, and we conduct no sales. But we will need to borrow equipment from Barony.
- Luther and I can get the applications in on time

- We can have games to play, armor, clothing, and food displays, other displays; fighting demonstrations – usually rapier due to heat and dust, and eric space is limited.

- We pass out SCA flyers and postcards – people really want to read the info; the Chatelaine needs to make some new brochures, but SCA.org has some postcards we can use and put our local info on them.

- We can go through 200-300 in a single weekend so we may want up to 600 total. They are easy to get printed.

- Regarding a marshal, we need one on-site, but the event is run as a practice.

- Levi is current Rapier Marshal and Luther should be able to act as heavy marshal, if needed.

- All are welcome to join us!

- Emma: The second weekend conflicts with Tymberhavene Mooselmas event but it's allowed due to significant distance

- Emma will do what she can, but as heirs to the Summits she may not be able to be there.

- AnaMartin: She may be able to make it if can get time off.

- Emma: It's amazing that your household is willing to take the first weekend and it's up to the rest of the Barony to

bear the weight of the second weekend – there are no concerns for the event; let us know how we can help.

- Scribe candidates? None

Baron & Baroness

- We had a delightful time at

Tain Bo in Glyn Dwfn, and it was an honor to attend their first court and new awards. We should all go next year, because we need more stuff to bribe mercenaries and other awards involving the herds of cattle and the court muse.

- We have not forgotten the sergeantry trials, but the last month has been gonzo! Don't panic if you have not gotten a physical letter in yet as you will still have the opportunity to participate.
- We will be going to May Crown and hope to see some of you there!

Seneschal

(10/2021 to 10/2023)

- All practices (Heavy, Rapier, Equestrian and Archery) are all being well attended, with new comers showing up at nearly each practice. Some newcomers have attended five or six practices! We have some great new additions!
- All is well overall. Membership numbers are up, It is good to see our membership numbers increasing – It has been about two years since principal-ity membership was above 400, our barony now has: 94 Members (44 sustaining, 10 associate, & 40 family). Thank you to

May 2022 Business Meeting

all of the officers that made sure to get their 1st quarter reports in last month and their monthly's in this month.

- Alicia Van De Kop (Gwyneth Blackthorne) has agreed to step in as seneschal during Bato and I's reign, we will discuss this later in the meeting.

- Several people were willing to step up to help, but my hope

was to have someone who has served as Seneschal previously to allow a smooth transition now as well upon Emma's return.

- We're excited and will be back before you know it.

Demos

- Open position.

- Interested parties please talk with Their Excellencies and the Seneschal.

Social Media

(Seeking successor immediately)

- I am having a hard time with my allergies and will not be making it to the meeting tomorrow- no one wants to hear me cough up snot while trying to give my report. What follows is my report for this month:

- I am still seeking a replacement pretty please. In the meantime, event reminders for regular gatherings continue to be scheduled to post to our Facebook group. I am going to make a pointed effort to put the reminders on the TP twitter feed as well. The Terra Pomaria TikTok account will be set up soon... while I wasn't able to get many clips of our officers for the video, I did get enough to put something together. Nothing further to report.

Family Activities Coordinator

(10/2020-10/2022)

- Greetings, There have been several changes since my last report, and unfortunately not all of them are good. While we were all enjoying Bar Gemels, the BOD met and decided to disband the Society wide YAFA

May 2022 Business Meeting

program. but they did leave it up to the individual kingdoms to continue the program if they want to. Our kingdom hasn't announced a decision yet on what they want to do moving forward. I do want to point out that all they have disbanded is the YAFA program, but not the rules regarding background checks and such for youth activities.

- I've been thinking about this since it happened, especially since we have so many families (including new families) that are interested in the program. I have several badges in my office's possession, and copies of several of the worksheets. If the kingdom decides to not continue the program at the Kingdom level, I'd like to continue it as long as possible at the baronial level.

- Also, I will be hosting a Youth A&S prize competition at Long and Short. This is meant to be fun and to show off what the kids have been working on during the shutdown. More rules will be put out shortly. I will not be using the Kingdom judging forms for this competition. I am trying to encourage the kids to show off, not open them to too much judging. There is a time and place for that, but a fun prize competition is not the time.

Exchequer

(05/2022-05/2024)

- Ledger Balance \$4205.59
- Bank Balance \$6024.77
- We have several large checks out that have not been cashed yet, which explains the significant difference in the balances. Kingdom has reconciled the PayPal income from both Coronet and Bar Gemels and we should be receiving checks totaling \$4,559.38 in the next week or so.
- While we were waiting for the PayPal reconciliation to be completed, we reached the 30-day limit for sending in the Coronet report to Summits with their portion of the profits. As we had a good estimate of the PayPal fees, we sent a check with a provisional report for the event before the deadline. During reconciliation an invoice was found that was not included originally, so our estimate was \$30.43 short. We will contact the Summits Exchequer with the corrected report and send the difference shortly.
- Wystan became unavailable right before Bar Gemels, so the Deputy Exchequer, Melannei, filled in as Exchequer for the event. Wystan was already hoping to step down as Exchequer at May business meeting, with Melannei as his successor, so she has been taking care of

writing checks in the meantime. If the officers agree, we would like to complete that transition today.

- Emma – Thank you for stepping up Melannei
- Ximena – I don't there is a better candidate than Melannei – a solid A++.
- Wystan – Melannei has been a great deputy and I feel comfortable passing things onto her.
- Emma – Thank you for serv-

ing so long, Wystan, and finding a good successor. Our Barony will be better for it.

Chamberlain

(11/2019-11/2021+)

- Greetings! Gear was borrowed from the storage unit for Bar Gemels and was successful-

ly returned afterwards. Much thanks to those who helped move and reorganize stuff after the event!

- At the event, there was a box of feast gear donated. Cups from the box were given to Summits for their Cups and Caps Program. The rest of the gear still needs to be gone through to see what is usable before it is added to our inventory, as it contained quite a bit of wooden items that may no longer be safely usable.

- 16-day shade poles were also donated to the Barony this month, and have been added to the storage unit inventory. There are a couple of different sizes, and they should still be measured, so that it is easier to determine how they should be used.

- Items left over from the auction were placed in the shed and will be available for the auction at Long and Short.

- No other requests were made this month.

Librarian

(10/2020-10/2022)

- Nothing to report.

Heavy Marshal

(9/2021-9/2023)

- Greeting unto their Excellencies of Terra Pomaria and HE Mistress Emma von Bern -

May 2022 Business Meeting

Seneschal,

- We are currently holding weekly fighter practices at Stonehenge Farm on Wednesday evenings from 7-9pm. We are typically having attendance anywhere between 2 -7 fighters, some of which are from outside of the Barony. We are also having anywhere from 2 to 10 populace members present to socialize.
- We are cancelling practice on Wednesday, 18 May, due to the upcoming Crown Tourney.
- At the most recent fighter practice we had 16 heavy fighters in armor. Practices have become more structured including 30 minutes of warmup stretching and calisthenics in the hope we will reduce injuries. We have noticed since practices have restarted across the Kingdom there have been some serious injuries such as Achilles tendon injuries and bicep detachments. Followed

by three minutes of unarmored drills and technique, then we spar for an hour to an hour and a half. The reception of this new structured practice has been very positive by the regulars to the practice.

- We did have the two heavy tournaments at Bar Gemels since the last event. There were no issues in either tournament. The Dublin O'Guinn Memorial Tournament was won by Duke Roger Stockton and the Roving Duels Tournament was won by Weylen Middleeson. The number of fighters for the tourney is inquired to Lady Diana (Lists). The MiC report is nearly complete and ready to be submitted, but I am waiting on the number of combatants from the Lists person from the event.

Rapier Marshal

(11/2021-11/2023)

- Nothing new event-wise. We have a pretty good turnout

most weeks and some low weeks.

- Kenji – We had a new fighter come down from Canada – everyone was very welcoming to them.

Lists Minister

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

Target Archery Marshal

(08/2019-08/2021+)

- I have been on vacation for the past two weeks and archery has been on hold
- We will start again tomorrow, May 17th.
- Captain of Eagles and well-attended with 13-14 combatants and 11 for Summits Hunter thrown weapons tourney. Our own Erik from Terra Pomaria won Captain of Eagles!

Equestrian Marshal

(08/2010-Indefinite)

- Greetings! Not much to report. Practice in May was canceled due to rain and icky weather. Next practice is scheduled for 6/11.
- There's been a fair bit of interest in equestrian even out of Barony. It is highly encouraging.

May 2022 Business Meeting

Barony of Adiantum has invited us to use her track down there.

- I will submit a reimbursement request for insurance for this year now that I've located the receipt.
- I may or may not be at business meeting. My work is keeping me super busy lately!

Youth Armored Combat

- Open position.
- Accepting applicants. Interested parties please send an

email to Their Excellencies and the Seneschal.

Herald

(8/2020-8/2022)

- No report

Arts and Sciences

(3/2022-3/2024)

- A&S Minister set-up an A&S art activity at Bar Gemels. Participants were instructed to create a quilt square that represents Bar Gemels and Terra Pomaria for them. The squares would then be turned into a quilt for Bar Gemels wall decor.
- Unfortunately, there were not instructions that asked folk to leave the squares. There was participation as supplies were utilized, but it is unclear how many participants as no one submitted pieces.
- As such, the A&S Minister repeated the same activity for May. No responses thus far but a call-out to the populace needs

to be completed.

- Classes and the identification of topics is being worked on. We are struggling to find people that are able to give classes specifically to TP with the season underway so we are switching gears to focus on classes at events and livestreaming them. However, nothing is set and until then, we will continue to share events and classes from all over the Known World as they arise.

Chronicler

(12/2020-12/2022)

- My report consists of preparing a shell for the next Privy including past meeting minutes and taking notes and photos at Bar Gemels. I just need to sit down and the time to write up the Bar Gemels report and insert photos. I'll try to knock that out this week. I also submitted my quarterly report on time to the Summits and Kingdom Chroniclers.

Grete Boke

- This is an open position.
- If you are interested, please contact Their Excellencies and the Seneschal.

Web Minister

(11/2021-11/2023)

May 2022 Business Meeting

- This month I updated the officer's page to have the correct name for several officers, as some prior changes seem to have been reverted. I also updated the champion's list to show Zulaikha al-Zarqa' as the Bardic champion.

Chatelaine

(3/2022-3/2024)

- Nothing to report
- Emma: Are we planning for Ceilidh for the summer?
- I am happy to continue on if we want to and if people want it
- Emma: Ceilidh normally starts up again in October.

Gold Key

(04/2016-04-2018+)

- Gold Key garb was used by at least ten people at Bar Gemels – it was much appreciated
- Most garb is back at the Baronial shed, and I will contact the Chamberlain to get the garb worn back to shed soon after washing.

Scribe

(11/2019-11/2021+)

- Nothing to report this month.
- I hope Scribal will be included in virtual A&S activities.

- Emma: We are trying to get more artists.
- Fortune: Scribal questions can also be directed to me.

Past Events

Summits Coronet 2022

Baronesa Ximena & Lady Zulaikha al-Zarqa

- 244 people came through the door!
- After expenses and the split with Summits we made \$482.67! It may not be the largest but not shabby.

- Baron Clovis' kitchen raised enough to buy the sword of state, so congrats TP – we rock!
- Not only did His Excellency's effort raised enough money for the sword of state, but it is also made by a member of the Barony!

- Bato – It will be ready for Investiture. We will arrange the schedule so the Summits Defender Tourney will take place prior to step up so Clovis will be able to present it

- Emma: Thank you for that fundraising! We appreciated everyone's hard work.

Bar Gemels (Mistress Lindis de Aquisgranno)

- The complete Bar Gemels report will wait until the next meeting,

Upcoming Events

Long and Short (Bids Due)

- Stephan: He wanted to put in a bid after Coronet and read it for Their Excellencies.
- Bid viewable here: https://docs.google.com/document/d/1FOHflogjMKFwkVsHP-vSP-bzWGDNGLO0JyY3ZFghPE_A/edit?fbclid=IwAR1kA7YKzlrviAsZ5J6mHAI9xC45j-lp2f1dmm4fkh0rnJMGm0AAbzdlYzW
- Ximena: There have been many sergeantry requests, but I have never seen one embedded in a bid
- We have concerns
- This event will be about two weeks after Canterbury and so

May 2022 Business Meeting

we should expect several newcomers visiting.

- Do we know if there will be enough parking at Stonehenge Farms? We should have a conversation with the site-owner. The church we have used in the past is not an option - there have been changes to that in the past 2 years.
- AnaMartin: I volunteer for a cut and thrust organizer.
- Zulaikha - You can park on both sides of street. Just let Ursule know to notify the Aumsville police.
- The back field should still be available - try to balance cars and tents
- Clovis: We are impressed with the bid, and it is accepted.
- Emma: We all support the bid, and we look forward to learning more about the event.
- Tassi - I can probably volunteer our dump trailer for the event for trash only - easy unloading.

Old Business

- None

New Business

Baronial Yard Sale

- Gwyneth: It happened in 2016 and 2017, and funds paid for Ceilidh and the PO Box. We have not done it in a while, but

it could do a lot to support us.

- Gwyneth's dad wants to give stuff to the barony to raise money
- Duessa and the Earhart's have volunteered space.
- Zulaikha: It's a good idea and a great chance to clear some stuff out of the storage shed.
- We should look at dates and discuss further at the next meeting.
- Ximena: Does anyone want to take charge of the shed inventory?
- We must discuss what we're getting rid of per the customary. Go there with the Chamberlain and one coronet, then make a list of what can go.
- Thumbs up from Chamberlain
- Ximena: It's a finance committee meeting because it deals with expenditure - relatively easy to put together and get past
- Alyna - An advantage of a yard sale is getting funds from outside our populace.
- Consider calendar for max benefit and volunteers
- Emma: Thanks to Gwyneth's father for remembering the yard sales and for those volunteering.

Interim Seneschal: Alicia Van De Kop (Gwyneth Blackthorne)

- Setting up to continue through about January 1st.
- Gwyneth: I have chronic pain issues and I can sound angry, but I am not really angry - please ask if you feel I am upset
- Emma: She has done an incredible job with lists, pre-reg, and everything else.
- Bato and Emma will still be attending business meetings since they want to remain active in the Barony.
- Edits to the customary - You will see news for that coming up
- It has been an effort on the back burner for a while. Please provide edits and feedback as you see updates and messages come out.
- Remove gender specific language and address other necessary changes.
