Opening words from Their Excellencies:

Welcome! We are delighted to have just spent the weekend at the Investiture of our upcoming Prince and Princess. Our own Master Sigismund completed the Sword of State. If you want to see it, our very own Weylyn carries it as the Summits Defender. The Baroness is working on "Weekends in the Park" - We are looking at possible days, etc. Terra Pomaria will be hosting a camp at West War, so let us know if you are attending. The Baroness is happy she will be able to wash clothes with her scrubby board.

Stefan: [chat] Regarding food for in-the-park events, if I have a weekend notice, I'll smoke a loin of pork to bring, sliced tender and thin and delicious.

Officer reports:

Seneschal – HL Gwyneth Blackthorne (5/22 - 12/22) for Mistress Emma (10/2021 to 10/2023) - Greetings all and thank you to Her Excellency,

Mistress Emma, for offering me the chance to briefly step back into the Seneschal's office. We're just home from Summits Investiture where Terra Pomaria made a very impressive showing in the Summits Defender Tournament. Not only was the incredibly breathtaking new Sword of the Summits crafted within our Barony by Master Sigismund, it was Thegn Clovis' masterfully executed fundraiser kitchen that paid for the sword, and then it was won in glorious combat by our very own Baron Weylyn Middleton. So, the sword will stay within the Barony until the next Defender Tournament. I am in awe and so very proud to be a part of Terra Pomaria.

Their Excellencies and I received a request from Her Excellency Nadezhda Volynskaiia, the An Tir West War Event Steward (and honorary citizen

June 2022 Business Meeting

of Terra Pomaria) for the War to borrow our Baronial pavilion (the yellow and blue pop up). She has offered to transport, supervise during the event, and have it cleaned before returning. As per the Baronial Finance policy, and due to the expediency of the request, I authorized this loan.

Demos –OPEN–

Social Media – HL Maeve SEEKING SUCCESSOR

Apologies for the late submission to my monthly report. I have no additions from my quarterly report- I am still seeking a successor and have not had anyone express interest in the position.

Family Activities Coordinator – HL

Fortune (10/21-10/23)

YAFA- The kingdom is going to continue forward with the YAFA Program but is going to rewrite their worksheets and develop a new tracking system. In the meantime, children and families can continue forward with the old YAFA badges if they have the work-

sheets. I'm working on getting those off a dead hard drive, but I should have most of them. If you want me to look for a specific one, please email me and I will do my best.

Exchequer – HL Melannei– (5/22-5/24)

We received the anticipated PayPal checks from Kingdom for both Bar Gemels and March Coronet, as well as the return of our deposit for the March Coronet site. I sent off the check to the Summits Exchequer for the remaining portion of their share of March Coronet's profits this month, as well.

Ledger Balance: \$9,159.50

Bank balance: \$9,642.17

The difference is due to two checks sent to the Principality

that have not been cashed yet.

Chamberlain– Aurelia (11/19-11/21)

Not a whole lot happened this month, but I do have a few things to report.

We moved a bi-fold SCA sign from storage back to Stonehenge to better direct people, especially newcomers, to archery and fighter practices. Last Monday, Lady Zulaikha, Baronesa Ximena, Thegn Clovis, and I went through the storage unit to reorganize, and to identify items that may no longer be useful to the Barony. Further action will need to be taken before anything can officially be removed.

Lastly, conversations have been had and times coordinated to loan out our Baronial

pavilion to Viscountess Nadezhda for use at gate at An Tir West War.

That's all I have for this month.

We are loaning the Baronial pavilion for An Tir West War and pick up has been arranged. Mhari and a few others will be going through the kitchen stuff and see what we want to keep and inventory.

June 2022 Business Meeting

Li-

brarian – Viscountess Suvia
(9/20-9/22)

Heavy Marshal – HL Captain Randall (11/21-11/23) –
Greetings! I, Lordship Captain Randall Blackwolf, will be taking over the Armored Marshal office for the duration of our new Highnesses' reign. So, if you have concerns or questions, please send them my way.
So, to the best of my knowledge there have been no accidents, incidents, or armor or weapon failures to report.
Practice site and hours will not change. But I will not be holding practice the week of An Tir / West as I will be on my way to war.
We will return to practice the

next Wednesday, with tales of courage and bravery.
I am also repairing and refitting a few pieces of the baronial armory for the Baroness' missile unit.
If you are interested in joining, the gear is first come first serve. But I will strive to assist all.

Rapier Marshal – Lord Levi –
(10/21-10/23)
Practice continues as attendance allows. Things have been slow with our High School friends finishing up classes and whatnot.
No other excitement to report.

Lists Minister – OPEN –

Target Archery Marshal – Lord Lu-

ther– (8/19-8/21)

For the month of June, I have to report attendance is on the rise with a number of new archers and throwers. Practice continues and HL Duncan has re-instated his Senior Marshall certification.

Equestrian Marshal – HL Tassi –
(2010-2012)
Not much to report. Last practice was cancelled due to rain again. Fingers crossed for July 23 practice!

Youth Armored Combat – VACANT –

Herald – Lord Frederick (8/20-8/22)
Nothing to report.

Arts and Sciences – HE Genevieve – (2/22-2/24)
A&S activities have all been virtually based. While we have yet to begin TP-specific classes, there were several Knowne World A&S-related classes and activities shared to the TP A&S page. The A&S Minister posted eleven times in the month of May, sharing five different classes/virtual events and three A&S activities folks could participate in from the comfort of their homes. These included largess making, a call to make coif kits, and the opportunity to

June 2022 Business Meeting

earn coins for completing activities.

August will see a return to virtual offerings as classes are being lined up. Day and time TBA.

Chronicler – Lord Ji'lid ibn Haydar (12/20-12/22)–

I am happy to report that I completed the next issue of The Privy including meeting minutes from April and May, as well as reports and photos from Bar Gemels! It has been sent to the Web Minister for upload and will be announced to the populace once available online.

One item to clarify - Princess Emma requested officer dates of service be noted, and I included these in the business meeting minutes. Would it be preferable to have service dates listed in the primary officer list, in the minutes, or both? If there is any other critical or constrictive feedback regarding the newsletter, please let me know. Seneschal suggested both and if it looks clunky it can be adjusted later

It's still on my agenda to send out questionnaire interviews to my fellow officers and I hope to do that over the coming weeks to include them in the next edition of The Privy. I will also include photos and a

report for June Investiture.

Thank you.

Will not be at the meeting, Kenji will be taking notes/recording

I will not be able to attend

Chatelaine/Castellan – Lady

AnaMartín de Santiago – (2/22-2/24)

During the month of June, I've received inquiries through email from two potential new people. One is a returning SCAdian from the Barony of Western Seas (Hawaii) who has been out of the loop for a while and wants to attend our local A&S nights, local events and away events, and the other I am awaiting a reply from.

One person was interested in A&S - information for them will be on the Facebook and will be added to the website.

Park meetings will start after An Tir/West War, or possibly later in July.

Possibly will be two meetings a month, one weekday and one weekend.

I am requesting business cards or other small handouts that I can carry and hand out. B&B have Coronet business cards that are not specific to them so they will give some to the Chatelaine to start. Discussion on having general Barony of Terra Pomaria cards made. Baroness will look into the provider of the current cards and possibly get some made.

The trifold is outdated and have been disposed of, and there is a discussion of finding the file so it can be updated and used.

Nothing to report this month.

Past Events:

Summits Coronet 2022 – Baronessa Ximena & Ladyship Zu-laikha al-Zarqa'
Final Report – received 6.11.22
Last April, we sent you a tentative report for Summits March Coronet, pending PayPal reconciliation. We were able to resolve that issue shortly before May Crown and received the PayPal payment from Kingdom last week. The reconciliation found an invoice that was not included in our estimate, which means our final profit was higher than anticipated! The Principality share of the net profit is \$482.67. The check we sent previously was \$452.24. To correct that error, an additional check for \$30.42 will be

in the mail tomorrow. SUCCESS!!!! Other than the small money changes listed above nothing else was changed on the final report. The final report is now available for those that want to review it.

Bar Gemels - Mistress Lindis & HE Genvieve -

Unable to attend will report at the July meeting.

Upcoming events:

Long and Short -Stephen and Fortune

The write up for the Children's A&S competition is done and will be put out onto Facebook on Monday so the kids can prepare! Please remind any

6) Contact MIC's and champions regarding tourney format ideas.

7) I need to schedule first meeting. (Before end of the month, via zoom)

8) Start on schedule: Contact Principality/Baronial court Royalty handlers.

9) Meat: Pork loin is <\$2/lb, spare funds will go towards pork. What sort of roast will the Barony boast? (updated price list needed). I would not be a good host if I don't boast the best roast... (rhyming puns continue for several minutes after). Discussion that a chicken option is also needed; Stephen will make sure a chicken option will be available.

Tassi: [chat] I may be able to supply a bird.

10) Prizes for non-championships (cut & thrust, rapier, equestrian - repair kits? Jewelry? Toys? Gaudy statues?)

11) Pre-reg: Set up soonest,

try to get PayPal help.

Open positions:

Rapier MIC: This position includes some pre-planning and some at-event planning.

Pre-reg /Camp Captain: This position is almost entirely pre-planning. Working with me to create a Google form, and filling out gate sheets for pre-reg. Someone with Kingdom PayPal knowledge would be awesome.

Potluck Captain: Some pre-event planning to coordinate who will bring what to the feast, at the event, recruit table set up and food layout.

Lists Captain: Almost no pre-event work needed, during the event, helping the different championships and tournaments organize participants.

Auctioneer: Some pre-planning to recruit and organize donations. At the event, help with laying out and organizing the auction table.

Set-up Captain: Someone to help recruit a brute squad to set up for the event.

Class Coordinator: Someone to help recruit and schedule classes in and around court. If you'd like to help with any of this, please reach out. Helpers will get my unending praise and gratitude. And snacks. And maybe soap.

Summits webminister has requested a copy of the artwork being prepped for long and short in the case of live streaming.

Canterbury Renaissance Faire

2022 Canterbury-

It turns out that this year's Coronation and Canterbury do not conflict, so if the officers here vote yes, the Barony will be the official sponsor of both weekends. Please let me know right after the meeting and I will put out a call for volunteers and get the gate list, display list and such set up and organize this. It should be fun and a great way to get more people involved.

Officer consensus is: Yes, we will host both weekends.

Old Business:

Baronial Customary Update Effort

– Thegn Clovis -

If you want to change/see what your office says, look into it and talk with Thegn Clovis.

We are hoping to put up the updates by the next business meeting

Yard Sale – Zulikha

Zulikha and others went through the storage unit looking at what could be removed

June 2022 Business Meeting

from the Baronial property and possibly used in the garage sale.

Some subgroup items will need to have a look at those items

More information to follow.

New Business:

New Kingdom Merchant Policy – Gwyneth -

<https://antir.org/announcements/from-the-kingdom-seneschals-desk-antir-merchant-policy/> - This only effects Kingdom and Crown events.

Baronial Census – Gwyneth –

In early 2017, HL Melannei and I created a Baronial Census form to gather information about our Populace. About their Marshalling status, Event Stewarding and Staff experience, classes they would be willing/comfortable teaching, and what things they were interested in learning. I would like to see this happen again as I feel it is a very useful resource for our Barony. Plainly put, our Populace is the finest resource within our borders. Officers, if there is anything you want to include, let Gwyneth know.

Requesting Bids for a Fall Feast event 2022 – HL Gwyneth -

In “the before times” the

Barony would gather in the fall for a feasting event and Their Excellencies have mentioned that they would love to see it happen again this year. If anyone is willing to take up the task.

Requesting Bids for a Marshalling Workshop – HL Gwyneth -

In early 2018 we hosted a one day Marshalling Workshop that was well attended, we had marshals for (I believe) every discipline. Their Excellencies and I would love to see it happen again.

Randy: [chat] Recommended reaching out to Sir Jeffery who sort of headed up the marshaling track for previous workshops.

Requesting Bids for Bar Gemels

2023 – HL Gwyneth -

At this time I am opening the three-month bidding period for the running of Bar Gemels 2023. The bidding period will close at the September Meeting.

Please reach out if you have any questions as to what running these events entails.

Note: If you are interested in any position seeking a successor or vacant, please contact their Excellencies and the Seneschal. We would love to talk to you about it.

Exchequer – HL Melannei– (5/22-5/24)

No new checks or deposits have been made this month.

Ledger balance: \$9,159.50

Bank balance: \$9,611.74

The difference between the two balances is one uncashed check from April. I'll follow up with the recipient. The financial committee has approved a request made by Fortune verch Thomas to print 400 brochures and 250 business

cards in anticipation of the Canterbury demo. These will have the chatelaine antir.org e-mail address but not names, so they will continue to be useful after officer changes. Extras will be handed over to the chatelaine and other officers. The total amount approved for printing was \$271. I just received a financial committee request to purchase a \$1500 previously owned pavilion. I may have more to report on that at the meeting. Has been discussed, debated and not approved due to ongoing financial recovery from the pandemic. Just not at this time.

The 2nd Quarter report has been sent to the Summits Exchequer.

new business.

Chamberlain– Aurelia (11/19-11/21)

With event season now in full swing, we've had a little more activity.

We had three wooden tables loaned out to their Highnesses Bato and Emma for use at An Tir/West War. They were all returned to the storage unit this week; will be sent to Seneschal.

The baronial Pavilion was also loaned out for use at war by

Viscountess Nadezhda. We have scheduled to return it to the storage unit this coming Sunday. During this process, we learned that the barony does not currently have enough large stakes for the pavilion, and not enough stakes in general to put everything up if the day shades are also in use at the same time. The financial committee has been notified, and it appears that we will be looking into com-

missioning some new stakes for the Pavilion, so that we don't have to continue borrowing stakes. Taking bids until Saturday. I am currently in communication with Lady Fortune about what might need to be borrowed for the upcoming Canterbury demo. The game spinner wheel was in need of repairs before the demo, so I brought it home, it was repaired by Cormac, and returned to the storage unit. And, finally, Her Excellency

Ximena, Her Ladyship Christmas, Her Ladyship Alyna, and myself started the process of sorting through Gold Key. 2 bins and 3 paper boxes of materials were deemed unusable by the barony and were set aside for either disposal or donation depending on the conditions of the items.

Librarian – Viscountess Suvia (9/20-9/22)

Heavy Marshal – HL Captain Randall (11/21-11/23) - Greeting !

No incidents, injuries, weapon malfunctions or armor failures to report this month. Two practices cancelled, one due to war and one due to no attendance such is the nature of tourney season. Recent practices included armor construction and Missiles authorizations (by Sir Geoffrey). Will ensure it's cool enough in the area and for fighting and not dusty.

Will submit quarterly report very soon.

Till next month watch out for the off-side wrap.

Rapier Marshal – Lord Levi – (10/21-10/23)

Target Archery Marshal – Lord Luther – (8/19-8/21) –

For the month of July I have to report the enjoyment of more returning archers. Our numbers continue to grow and now average 10 a week with many people coming back to the SCA. It was also brought to my attention that Her Highness used her time on the range well and led a contingent of combat archers to force the forces of the west to "fight in the shade". Starting last practice Archos Duncan has begun an SCA Archery 101 class which thus far is well attended. That is all to report.

Equestrian Marshal – HL Tassi – (2010-2012)

Not much to report! We have equestrian practice scheduled this Saturday 7/23 at 10am that we are looking forward to. I have not received any RSVPs and we may need to look at how this is structured going forward. Additionally next year we will be adopting a more generous schedule that takes into account variable weather. More on that later.

The first August practice is scheduled for 8/6 also at 10am will be left in the capable hands of Anna and Troy as

I will be out of state. I will also be gone unfortunately for Long & Short-but we are celebrating our 10th wedding anniversary in Florida-splitting time between Disney World and Universal.

Youth Armored Combat – VACANT

Herald – Lord Frederick (8/20-8/22)

Nothing to report

Arts and Sciences – HE Genevieve – (2/22-2/24)

Nothing to report at this time.

Chronicler – Lord Ji'lid ibn Haydar (12/20-12/22)–

Several events impacted my availability this month as well as not being able to attend June Investiture and War, but I was able to gather information and photos to publish another issue of the Privy. It's been sent to the Webminister for upload to the TP website. I also sent questionnaires to all TP officers for profiles to be published in future issues. If anyone has questions or issues

with the questions asked please let me know.

I will be at the Canterbury Renn Faire over the next two weekends and will get photos and information for the next issue. If anyone has photos or news from An Tir-West War they want to share with me, please email them to me or send a link. I can distribute model release forms to anyone needing them.

Chatelaine/

Castellan – Lady AnaMartín de Santiago – (2/22-2/24)

Had a few new people contact out – no one got back to them. Need to make sure the copmmo chain is done. B's Fancy Time was awesome and could be a tremendous draw

Please wear bright and flashy garb – something noticeable
More than half was in guard but it was subdued. Be bright to attract people

May need signage and flags as well – visible from a distance, something to draw attention
Ximena – Will try to bring banners next time and anyone else can bring something too
Lindis [chat]: A couple of Silk banners would be easy to take and fly

Music may also draw in people

No one person is responsible, but we can add to it to make it more visually drawing.

X: we're working on it

I would love a QR code to portal to direct people to their specific draw. Aim at new-

comers.

Fortune [chat]: The QR code for the to website will be on the brochures

I was able to get into the email, too.

Bar Gemels – Meisterin Lindis & HE Genvieve –

Thank you to everyone who helped out! Especially Melannei at gate taking time to calculate – definitely an asset to the Barony, Principality, and Kingdom. Net profit of \$2,747.94 Full weekend

attendees 121, day trip attendees 110, total 231 on site for youth and comps; previous big one was 180 attendees. An overall successful event.

A lot of new tournaments – Sir Dublin, Aaron won the games competition Summits Hunter Captain of Eagles tournaments – Holding championships brought in

some people

Main issue was confusion at Gate caused by the multiple extensions of the pre-reg cut off dates. There were also several last-minute attendance/invoicing changes after Coronet. In the future perhaps a hard and fast closing date.

And no selling of bunks/cabins on site. Only in advance?

I hope it Continues or someone comes along with a new event idea. I am happy to supervise but I will not be running an event in the near future. I am semi-retiring
HOPE THAT people don't have to recreate maps, signs, etc.
Gwyneth will also add the pre-reg form into the file. Thank you for thing about your self – we want you around forever!

HIGHNESSES:

Attending as members of Barony, sorry we missed L&S, one of our favorite events
We look forward to the meeting and things to cover in new business

OPENING WORDS

It was a fabulous weekend, don't want to take away from anyone's report
A very good time, nice to see cousins – meeting them (Baroness Agatha and Baron Otto) Thank you to everyone who helped to make it a success, especially event steward

Officer reports:

Seneschal – HL Gwyneth Blackthorne (5/22 - 12/22) for Mistress Emma (10/2021 to 10/2023) -
I'm currently still decompressing from Long and Short of It, fantastic event, massive thanks to Her Ladyship Fortune and Lord Stefan as well as the amazing officers and populace who worked long and hard to pull off this event. There are some exciting prospects on the horizon that will be discussed later in the meeting.
Saturday night I received an email from someone who drove past the event site and was intrigued. I answered their questions and referred

August 2022 Business Meeting

them to both the Chatelaine and Target Marshal as I am hoping they will pop by Range Practice on Tuesday. But their opening question keeps running through my mind. "What does involvement in this (the SCA) look like?" I responded that involvement in our organization can look like many things and that the depth of their involvement and experience was up to them to define. Involvement in the SCA can mean going to an event every weekend, it can also mean going to one or two events a year. Involvement can be entering every competition and cramming your time

absolutely full with activities, but it can also be setting up your camp and socializing with friends. Involvement can be diving head first into the organization and holding office after office for the entirety of your time in the Society, but there are also participants in our organization who have never been paid members. And all of that is entirely valid participation. This is a hobby, a game. We should be playing to our personal comfort levels. I hope that you all find a level of involvement that fulfills your heart and brings you more joy than stress. So I put the question

out to the rest of the Barony, and I'll be posting to the Barony's social media; what does involvement in the SCA look like for you?

Ximena: Something we could add to the website for interested people.

Demos – OPEN –

Social Media – OPEN –

Family Activities Coordinator – HL Fortune (10/21-10/23) YAFA- I may not be at the Meeting, because I

have promised some scouts that I would help them finish their merit badges tonight at the meeting.

First is the YAFA Report: The Youth A&S competition at Long and Short was a success. We had 7 total entries, and they were all phenomenal. Discussions are being held about next year's Children's Championship and some possible changes to it. I am currently gathering feedback from parents, and the children about what they would like to see and the best way to help the kids learn to love what they are doing and encouraging them to participate. If you have feedback or suggestions, please email them to me privately for consideration.

The Kingdom is still in the process of adapting the former YAFA program to fit our kingdom's needs. As soon as I hear anything, I will make an announcement.

Exchequer – HL Melannei– (5/22-5/24)

I hope you are all recovering from our weekend event.

Ledger balance: \$8,833.96

Bank balance: \$7,817.61

There are 5 checks and 2 deposits on the ledger balance that have not yet cleared the bank.

August 2022 Business Meeting

The two deposits will be deposited Monday morning. The storage shed is paid through the end of the year, as we discussed at the last business meeting.

Kudos to Aly and her gate team at Long & Short. Gate reconciliation went pretty smoothly for such a large event. The envelope method of pulling money at the end of each gate sheet worked really well. (Gwyneth note: I was told by a Long and Short attendee that ours was the smoothest Gate they've been through in months. Huzzah for HL Blackthorn and her team!)

An addition to my earlier report:

The finance committee approved the long & short comp list, which followed the positions outlined in our financial policy with the addition of gate captain.

One of the benefits of paid membership to our Society is the possibility of being "comped" into events where your presence is required. To be "comped" is to be exempted from Site fees. Please understand that comps are not transferable. If you would prefer to "donate" your comp to another event attendee, please give that person the funds directly. You are not

required to accept your comp, but it is not something that can be transferred.

If anyone has any questions regarding comps, you can direct them to me, or refer to our financial policy on our website.

Chamberlain– Aurelia (11/19-11/21)

Everything borrowed for An-Tir/West war was returned in good condition, and paperwork was submitted.

Baronial items were used for the Canterbury demo. Some small repairs were needed on the wheel of fortune afterwards. It was repaired and returned to the shed. The silk TP banner also sustained some damage during faire. It was repaired by Lady Christ-

mas and is currently in possession of the Baron and Baroness. Everything else was returned to the shed after the event.

Baronial items were used for the Long and Short event. One of the Gate lanterns was found to be not working and will need replaced. The Gate pop-up itself sustained some more wear and tear. It is still in usable condition, but we will need to keep an eye on it for possible future replacement. Also, one of our double-sided directional signs was run over and destroyed. Because it is a sign type that the Barony uses often, it will also need to be replaced. After the event ended, most of the equipment was returned to the storage shed and the rest

August 2022 Business Meeting

was temporarily stored in our storage stall at Stonehenge Farm. It will be returned to the shed on Wednesday. Baronial property forms were filled out by each of our champions for their regalia, and have been submitted to the seneschal and exchequer. Lost and found items from Long and Short were posted on Facebook.

Over the next week, I will also be posting old lost and found items on fb for a "last chance" at returning them before they officially become baronial property. Typically, lost and found items are considered baronial property after one year, but I would like to provide a last chance at reunification now that people are starting to play again after the prolonged shutdown.

No bids for tent stakes were officially made. Several stakes have been donated by Thegn Clovis and have been passed along to Kenji for final shaping. One other person also offered to donate a few, but we have not received them yet. Once we receive them, the exchequer and myself plan to go back through what we have and re-evaluate our needs after that.

Following the publication of July's Privy a month ago I prepared another for publication at the end of July. Family Activities Coordinator – HL Fortune (10/21-10/23) YAFA no activities to report for the past month. I am working out a Children's game activity for the November event. I am also in communication with people to rework the children's championship at Bar Gemels. I am taking into account feedback from Parents, educators, topic experts (Heraldry and such) and most importantly, the children. I hope to have the guidelines out for the basic structure of the contest by November. There will still be a way for the current champion to add their own spin on the contest. If you have any comments, suggestions and such for the children's championship, please let me know.

Exchequer – HL Melannei– (5/22-5/24)

It will be a busy month for the Exchequer office.

First, I'll go over this last month, and then there is much to report for what is coming. All expenses related to Long & Short have been paid and a financial summary report sent out to the event stewards.

Ledger Balance:
\$7,956.27

Bank Balance: \$8,933.96
Most of those differences are checks related to Long & Short that have not cleared the bank yet.

The storage facility now requires disc locks as they are more secure than other types. I purchased one using the exchequer budget and it is now on the storage unit. The combo remains the same.

The financial committee did approve a \$910 bid for a fall feast event at the Turner Christian convention center with Stefan the Fat as event steward.

On to this month!

We need to have a financial committee meeting this evening to discuss changing signatories and possibly changing banks at the same time. The matter needs to be taken care of quickly, to remove the new

Heirs to the Alpine Thrones from the account.

We will also be selecting new populace and officer at large members of the financial committee at business meeting. I've had two populace members and one officer submit their names as candidates. Those chosen will start as committee members effective October 1st at the beginning of the 4th quarter. I'd also like to thank Alail and Luther for their efforts as committee members.

I forgot to mention that the financial committee did approve a \$910 bid for a fall feast event at the Turner Christian convention center

with Stefan the Fat as event steward.

Christmas: How do we submit our name? Wystan and 2 others sent Melannei emails

Gwynetheth: Selection to new business; anyone interested send an email to the Exchequer before new business.

Chamberlain— Lady Aurelia (11/19-11/21)

Chamberlain has nothing to report this month.

For some reason some emails sent in August are only now showing in my inbox, I will go through those and include them in next month's report.

Librarian — Viscountess Suvia (9/20-9/22)

No report

Heavy Marshal — HL Captain Randall (11/21-11/23) -

There have been no incidents or injuries, weapon failures or armor failures to report at this time. Two weeks of practices canceled for extreme heat over 90 degrees.

We are seeing a large influx of fighters and their families in attendance with approximately 4 to 8 fighters armoring up. His Highness Sir Bato is pushing the format of a new dueling unofficial regional competition rule on this should be finalized next reporting period. In view of this new format and consideration for safety needs I suggest our annual purchase this year of two bucklers.

The safety reasons I would mention that as a barony we have no actual "deadhand" baskets available for tourneys and practices. These currently can be purchased for under our 100\$ year budget. Performed three fighter authorizations and started three marshal authorizations.

Rapier Marshal — Lord Levi — (10/21-10/23)

Nothing much to report — low attendance the last month Everyone in our regular group is ill, recovering or swamped

I hope new folks come out — hopefully we will see a new-comer in the next week or next

No weapons failures or anything to report. Hopefully #s go up as temperatures go down.

Lists Minister — OPEN —

Gwyneth: You usually have a great view of the fighting.

Target Archery Marshal — Lord Luther— (8/19-8/21) -

For the month of September Archery has little to report. Due to covid and life practice has been sporadic. But I am glad to report that we have had multiple transplants joining our ranks.

One new person is a member of the Order of the Gray Goose

I also am to report that on Nov. 1st Golden Arrow is set to return. This event will be a Halloween themed shoot and potluck. All are welcome and please watch Facebook for event details

Equestrian Marshal — HL Tassi — (2010-2012) -

Not much to report. Last practice was cancelled to accommodate a work party and lack of RSVPs however a S. Salem fire had us all on edge- thankfully that died down.

September 2022 Business Meeting

Next practice is October 1. Followed by October 8. Followed by Oct 15. Pretty sure we will cancel the in between practice but will keep all up-date

Gwyneth: Thank you to all the marshals considering the health of the populace and cancelling practices when it is too hot.

Youth Armored Combat – VACANT

Herald – VACANT – Potential Candidates REQUIRED POSITION
My term actually ends this month, but it is my delight to serve the barony and submit monthly reports, and Quarterly ones to principality until someone steps up to be herald. Perhaps if I get to the point where I have the energy to attend in-person events and board meetings I would like an extension as Herald, and get back into helping people filling all the duties of herald, but for now I'm perfectly capable of writing "nothing to report" reports, and attending most online meetings.
I also still have all the barony's Heraldic Bling, and don't mind storing it, as I still sometimes read up on heraldry and we have some awesome references.

Gwyneth: HE Sarnac is interested in taking over the posi-

tion. Emailed her contact info to Frederick.

Arts and Sciences – Mdmle Genevieve – (2/22-2/24)

We will begin in person A&S days in October starting the 16th – will post on calendar. Location TBD, will nail one down. Spoke with Clovis about in person speakers/teachers. A time to gather and rejoin community. 12-5pm. Have a good chunk of time after returning events
Not sure of budget yet for space and supplies
A&S champ will be at Martinmas, unable to reach previous champion. ILO write-up we will open it to any medium. Entries representative of the barony since we're on our anniversary- opportunity to be

My deputy will run things in my absence.

Chronicler – Lord Ji'lid ibn Haydar (12/20-12/22)–

Grete Boke – HL John Grove [HL Jean-Jacques Lavigne] (8/22-8/24) –

I am trying to get settled in my role. I don't have things and am trying to track things down. When I have had time I have focused on the TP wiki and making updates and

one person – slow commo. NSTR.

Ximena: Spoke with AM sourcing scouting – how ppl feel about rotating Ceiligh locations every 2 months to include other areas like Woodburn, Rickreal, Silverton, etc. Even if we did find a permanent location we could still rotate to grow visibility

JJ: Keizer Lions hall

Zulaikha: Salem Library, Stayton Library

X: If anyone has ideas or concerns, please contact AM and I.

Z: Virtual hybrid would be hard to maintain – forget about computer

Stefen: 2 laptops could be used for multiple locations, hope from one to the other. Willing to lend systems for the event(s).

Livestream is hard for virtual

to participate

Gwyneth: Just bc Celigh is traditionally on Mondays we can consider mpving it site dependent

Gold Key – OPEN-

Scribe – Lord Duncan–

Reported from A&S for Scribal Activities and Long & Short.

Via HE Genevieve Choue.

The A&S Minister held a small Scribal Salon at Long and Short this past weekend. The decision to run the activity happened the week before, as I had forgotten there was an event. The activities included: charter painting, thank you card painting, and quilt square painting.

I had only anticipated a few participants, as the Salon was open from 10am-2pm during fighting. However, as I was set up next to the Eric, I had over 25 participants.

Participants had an opportunity to enter thank you cards for prizes, which were given out at court. Prizes were A&S related.

We ran out of space, so I pulled the quilt squares and limited charter painting to one table.

Good: being set up by the Eric had more traffic and people could still watch the fighting.

Improve: more supplies, more

September 2022 Business Meeting

chairs, more set-up prep (such as filling the palettes ahead of time)

Let Christmas know if you want to do an original – stretch your arms – we want to use and appreciate your skills

2nd round of charters will be available for distribution and painting – reach out to Scribe's email or scribe or Christmas

Past Events:

Canterbury Demo: Fortune -

Here is my event report for the Canterbury Demo.

We were given round numbers for entry into the fair each day. while there is no way to know the exact numbers that came through our booth it is safe to say that Most of the people through the main gate interacted with us in some fashion.

Day 1: 4000

Day 2: 3500

Day 3: 3000

Day 4: 2500

The second weekend's numbers match the highest numbers they had ever had through their gate, and it was on the weekend of the heat wave.

After talking to my volunteers, we have some suggestions for next year's Demo (if we

choose to do it). We want to figure out a way to shade the Eric. There are some ideas, but it's possible that we will need a work party. We would also like to increase the number of Hands-on examples for people to try. Some of this does require us to have more Day shades available, and more people available to show things off.

I have been in contact with the Canterbury staff, and they would be very grateful if we could help with some site maintenance. They made it clear that this is not required, they just trust us.

As our demo has grown, many of the volunteers have taken it onto themselves to pay for things that we use out there that is also some of our big-

gest draws and supports. To that end, I would like to ask for a modest budget for future Canterbury Demos.

Things that would be paid for by the budget are:

Ice,

Water,

Prizes for the Wheel of Fortune game,

Fabric to create portable shade for the Eric,

Snacks for the volunteers,

and Food for the Food demo Table (Raw veg, fruit, and grains),

Printing of Recipes, Brochures, and such.

Site staff need help – looking for any volunteers – they are happy to have help and they trust us
