Check out my new horse, Stefan! She only does nocturnal equestrian activities.

But isn't riding a horse in the dark dangerous?

Relax! It's my nightmare!

May Crown Update

An Tir, Ulfgar and Juahara send joyous Greetings. We hope this missive finds you rested and ready for the many gatherings to come.

We wish to share **Our fighting format for the upcoming May Crown** to choose Our Successors to the Lions Throne.

May Crown will be a **Double Elimination Tournament**, with each round consisting of a **best of 3**, and the **Finals will be best 3 of 5**.

All Society approved tournament weapons and shield variations allowed.

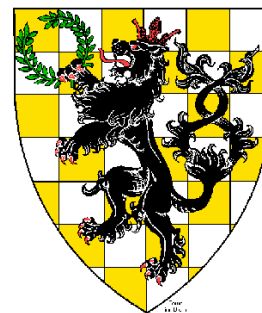

A variable that will be included if necessary is concerning the weather/temperature.

If the forecast for the Tournament is 80F or greater, We would change the format (for the health and safety of all) to a Single Elimination Tournament, each round still best of 3, with the Finals best 3 of 5.

We wish all who would compete a safe and wonderous day. We can't wait to witness the Glory of the Tournament, and greet Your new Heirs of An Tir.

Medieval Recipe

FRYTOUR BLAUNCHED

PERIOD: England, 14th century

SOURCE: *Forme of Cury* | **CLASS:** Authentic

DESCRIPTION: Almond-filled pastries baked in honey & wine

ORIGINAL RECEIPT:

153. Frytour blaunched. Take almaundes blaunched, and grynde hem al to doust withouten eny lycour. Do þerto poudour of gyngueuer, sugur, and salt; do þise in a thynne foile. Close it þerinne fast, and frye it in oile; clarifie hony with wyne, & bake it þerwith.

- Hieatt, Constance B. and Sharon Butler. *Curye on Inghlish: English Culinary Manuscripts of the Fourteenth-Century (Including the Forme of Cury)*. New York: for The Early English Text Society by the Oxford University Press, 1985.

TRANSLATION:

Take almonds blanched, and grind them all to dust without any liquid. Do there-to powder of ginger, sugar, and salt; do this in a thin foil. Close it there-in fast, and fry it in oil; clarify honey with wine, & bake it there with.

INGREDIENTS:

- Finely ground almonds
- Ginger - the powdered spice, not the fresh root.
- Sugar
- Salt - use to taste.
- Pastry dough
- Oil
- Honey
- Wine - red or white & slightly sweet.

DIRECTIONS:

Mix almonds with sugar, ginger, and a little salt - this should be a sweet, slightly spicy blend. Roll out the pastry dough. You may now make the pastry several different ways: by cutting out circles of dough, placing filling in the middle, and folding into a half-circle; by cutting out circles, squares, or triangles of pastry, placing filling in the middle of one piece and then covering with another piece of dough and sealing the edges; or by making small stuffed squares or rectangles, egg-roll style. In any case, make sure the edges of the pastry(ies) are securely sealed. Fry the pastry(ies) in hot oil until lightly browned; remove from oil and let drain. In a pot, bring the honey to a soft boil, then reduce heat. Skim off the scum as it rises. Add just enough wine to make a thick sauce. Thoroughly coat the pasty(ies) in the wine sauce, then place on a baking sheet. Bake in a hot oven for several minutes. The pastry(ies) may be basted with additional sauce during baking or immediately afterward.

History Corner

Many people in the SCA and An Tir have developed English or Saxon personas, and part of the fun of developing a persona and gathering garb is learning about your country and time period. London, for example, is a very old city that has been built and destroyed and built again quite a lot over the past 1500 years, and decades of archaeology have revealed some amazing glimpses into the past - the people, the culture, the warfare, and the influence of Rome, the Norse, and other neighbors! And with new discoveries and information, our knowledge of London across many time periods evolves and changes.

Below is an article and 50-minute video lecture by English historian, Lyn Blackmore, discussing the history and people and what recent archaeology has shown us. Please enjoy!

LONDON IN THE NOT-SO-DARK AGES

Lecture by Lyn Blackmore, given at Gresham College on October 13, 2014

Source: <https://www.medievalists.net/2014/12/london-dark-ages/>

An overview of the results of over 40 years of archaeological research into the origins, development and decline of the Middle Saxon trading settlement of Lundenwic, London.

During the 1970s and early 1980s, archaeology in the City revealed plenty of evidence for both Roman and medieval London, but Saxon London, the 'mart of many nations' described by Bede, was strangely elusive. Today I want to show how our understanding of the development of Anglo-Saxon settlement

outside the former Roman city of Londinium, ie up to the time of Alfred, has changed over the past 40 years or so, and especially since recent excavations at and near St Martin-in-the-Fields - where, significantly, the discovery of 'treasure' in the 13th century led to a riot - probably making it the earliest findspot of Anglo-Saxon artefacts in London.

The story starts in the Late Roman period. The riverside wall was strengthened c AD 388-402, but London was abandoned by the Romans c AD 410, and until recently evidence for late Roman activity was limited to a few late Roman/early 5th-century buildings, military-

Baronial Vacancies

"Organizations are composed of people, and the more effective those people, the stronger the organization." - Stephen Covey

Every successful organization is structured appropriately to accomplish its primary goals and to respond to the needs of its people. This holds true for the SCA and the Barony of Terra Pomaria. Our Baron and Baronesa rely on the skill and hard work of more than 20 officers and deputies performing regular duties that allow us to hold events, manage our finances, reach out to the community and welcome newcomers, build history and create memories. Without these key roles filled, we can only fulfill a portion of our organization's purpose.

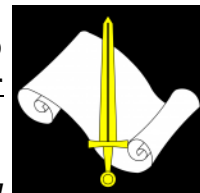

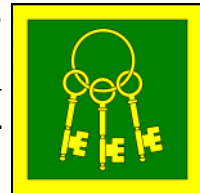

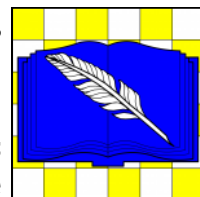

We need fresh faces with new ideas to learn these roles as officers and deputies and to carry the responsibility of each. Are you willing to step forward and help take our Barony into the future?

SOCIAL MEDIA OFFICER - *The Social Media Officer coordinates social medial information and platforms for the Barony.* Everyone uses social media in our modern world - Facebook, Instagram, Twitter, Threads, TikTok, Reddit, and more. Maintaining and managing the Barony's presence and information on these platforms is critical to our exposure, outreach, and connection with current and potential members of the populace.

DEMO COORDINATOR - *Coordinates public demonstrations for the local group.* Keyword: "coordinate." Arrange for locations, fighters, displays, games, and handouts and brochures. The more demos held increases our group's exposure and sparks the interest of adults and children - what we need to continue as an organization!

CHATELAINE - *If you are new to the group or to the SCA as a whole, this is the person you want to talk to. The Chatelaine welcomes those new to the area and the SCA. Provides information on the basics of the local group and the SCA in general.* Hand out brochures, send out information to newcomers, respond to interest and inquiries, and coordinating Ceilidh and other public events. If you are outgoing, able to speak to new people, and send pleasant, informative emails, this is a great opportunity for you!

MINISTER OF LISTS - *The Lists involve who is in what tournament, who is their opponent, who is eligible for said tournament, etc. The Minister of the Lists is the person that coordinates all of that information during the event and reports the results.* This role is critical when Terra Pomaria hosts championships and tournaments and includes all marshal competitions in heavy combat, rapier, archery, and thrown weapons. Without it, the organization and pace of these events could get seriously bogged down and confused.

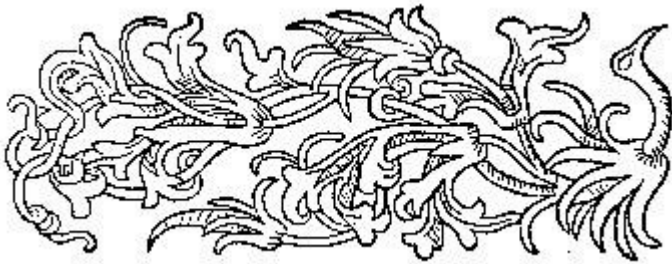

Baronial Vacancies (cont.)

YOUTH ARMORED COMBAT - Also known as YAC. This person is the local authority for youth combat activities. YAC marshals must demonstrate the ability to supervise youth combatants, inspect youth weapons and armor, and judge a youth combatants authorization. To foster interest and skill in marshal events at a young age means our Barony will have capable and honorable combatants for many years.

MINISTER OF THE GRETE BOOK - The Minister of the Grete Boke keeps a running archive of the Barony's history. Terra Pomaria's 37 years of history is full of great stories, proud triumphs, and success in the arts and on the field. Recording and maintaining that history is essential so that future generations know where our Barony came from.

"Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible." - Francis of Assisi

Baron & Baroness

- Anna: Double-poisoned at Twelfth Night! I had a good time at the event and met some great people there. Thank you.
- Stefan: I attended Hogomeny in the Grants Pass area, the Shire of Mertyl Holt. It was a wonderful time, a small event, and I plan to attend more of those. It was great to visit a shire and hang out. I hope everyone is able to stay warm and safe on the roads.

Seneschal

(10/2023 to 10/2025)

- We do not have a quorum. We need one to have a business meeting. A meeting was can-

celled once before many years ago because a quorum was not present. A quorum consists of the Seneschal, Exchequer, and at least five other officers, but only at meetings approving event bids, changing officers, or changing official policies.

- We have nothing to vote on tonight, so we will go ahead with the meeting.
- I have several notes from Twelfth Night and what Seneschals are expected to do and requirements for a Barony which we will discuss in the future. Like Chatelaine is now a required office.

- There was no finance committee business over the month.
- Bank account balance: \$12,837.33
- Ledger Balance: \$12,330.37
- The difference matches checks that haven't cleared the bank.
- I'm planning on reviewing the financial policy and proposing some changes to the finance committee soon. I'm also hoping to have a proposal for a tab-

let for Zettles soon. I don't currently have anything for the finance committee to discuss, but that may change before the meeting.

Rapier Marshal
(11/2021-11/2023)

- Not much happening. We've had a few people show up the last couple of weeks. I am considering cancelling this week's practice due to weather and safety concerns; I know archery has already cancelled and I have not heard anything for heavy. Based on what I will see tomorrow, I will likely postpone for the week. No instances and nothing else to report.

Target Archery Marshal
(08/2019-08/2021+)

- For the month of January, the Target office reports that practices continue to be well attended with about 15 shooters a week. Over the holidays practice was canceled for Christmas and New Years. (12/2020-12/2022)

- I am proud to say I was able to publish two editions of the Privy between business meet-

I have sent out a link on Facebook to the newsletter's shared file, but also ask that this issue (and December's) be uploaded to the TP website soon.

- I have sent our former B&B a series of questions to capture their thoughts, experiences, and memories from their time as Baron and Baronesa. This "interview" will appear in a future issue. Along the same lines,

January 2024 Business Meeting

- If there are any great photos of the courts at 12th Night featuring members of our populace, I would love to include those in the next newsletter!
- I have not made progress on finding a replacement or protege yet, but I will continue to search through June.

Web Minister

(5/2023-5/2025)

- Not present. Nothing to report.

Chatelaine

(9/23-TBD)

- Replacement needed.
- For Chatelaine I have little to report other than Chelidh was held at Angel's Share and hosted 20+ attendees to help celebrate Adele's 22nd anniversary of joining the SCA. Next month we will return to the Salem Friends Meeting hall and I would invite our Bards and performers to show their stuff.

- Don't forget to pre-register for Coronet.
- I will be at the Queen's Rapier Championship and A&S so say "hi."
- Stefan: Summits A&S and Alpine Scholar and Bardic and was a delightful event. I appreciated all the moral support from all citizens. Pork belly popsicles were served – Thank you for the pork, Krysta. I like these relaxed social events where we can share stories and time together.

Seneschal

(10/2023 to 10/2025)

- Thank you all for attending.
- A few things:
- How do you think we could help increase attendance at business meetings, particularly for those that are not tech savvy?
- Krysta S: Hang out with a tech savvy friend to attend the meeting.
- Officers, have you thought about our upcoming event Bar Gemels? What will your role be, will you be there doing that role or delegating it? Have you contacted the event steward, Elovel

February 2024 Business Meeting

of Avalon?

- Elovell has been doing a lot of work for planning.
- If you are an officer and have not heard – please reach out to her. Think about your job at an event and make sure the job is covered. Offer any support.
- Long and Short of It bids have been open since last year with no bids yet. The bid window for this event will close at the next business meeting: Monday, March 18th, 7pm via Zoom. We will not be able to have it without a bid.
- Traditionally hosts the Archery, Thrown Weapons, Youth Archery, and Heavy Championship. Can be a day or weekend event. We'd have to relocate these activities to another event if we cancel the event.
- Her Ladyship Gwyneth offered to guide/supervise. Any takers? If you are willing?
- I'm available if you have questions. Please reach out.
- Roger Stockton: This is the first I have heard. Have not seen this announced and should be discussed in more.
- It was actually extended. Per the customary open for bid for three months. Discussed how do we get the info to everyone, especially those not on FB? Previously discussed as a more "loose" topic previously, but it's

now very important.

Demos Coordinator

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

Social Media Officer

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

Family Activities Coordinator (10/2020-10/2022)

- Open position.
- Interested parties should talk with Their Excellencies and the Seneschal.

Exchequer (05/2022-05/2024)

- Ledger Balance: \$12,394.38
- Bank Balance: \$13,784.38
- Everything balances.
- The finance committee received a bid for Bar Gemels.
- Event Steward: Elovell of Avalon
- Supervising Event steward: Christmas Caryl
- Kitchen Manager: Clovis
- Site: Camp Taloali
- After discussion and consul-

tation with the Kitchen manager, the bid's kitchen estimates were modified and the bid approved with 4 votes.

- Expenses approved total \$5,265. This includes:
- \$3000 site rental (same as last year)
- \$1200 kitchen budget
- \$675 for biffies
- \$390 other misc. items
- Fees approved are:
- \$15 day after member discount
- \$25 weekend after member disc
- \$20 bunk or RV hookup
- \$6 pre-reg meals
- \$7 on site meals
- With an estimate of 150 at-

February 2024 Business Meeting

tendees split evenly between weekend and day-trippers, full cabins, and \$150 meals sold via prereg, the event would have a profit of \$1235. It is my opinion that these are reasonable estimates based on past attendance.

- Terra Pomaria hosted Festival of the Arts this month, we accepted credit cards at gate for

the first time since before the pandemic. We used the tablet purchased last time we accepted cards, and borrowed a Zettle reader from the Principality. The process went very smoothly. Gate for the event was over by \$20, which means a member paid but did not get on the gate sheets. It could have been a lot worse, considering how congested the area around gate was at times.

- The Principality Exchequer has changed. With my contingency deputy and the seneschal changing also, I think this will be a good time to change signers. I will work on that process next month.

- I had to leave town, Wystan can make payments with checks, but if it can wait a week and a half that would be best

- Christmas: Don't freak out when you see Bar Gemels price, but members get a \$10 discount.

Chamberlain (11/2019-11/2021+)

- I apologize for being pretty MIA over the last couple of months. I have had some major health issues that occupied my time.

- This month, our barony hosted the Alpine Festival of the Arts. Baronial gear was used for the event, and returned to the storage shed. Nothing has been reported as missing or damaged.

- The banners that were previously borrowed for Eleventh Night have also been returned to the shed.

- That concludes this month's chamberlain report.

Librarian (5/2023-5/2024)

- Nothing new for the library, the books are safely stored with Anna and I'm hoping to happen out on the shelf in the next few months so I can begin my project of promoting each book to the Facebook page.

Heavy Marshal (9/2021-9/2023)

- Lord Bjorn of Ulster has applied for this position!

- I was hoping for a marshal changeover if he was here. We are on the way to make the change. He is an authorized marshal and got his paperwork back from Kingdom

- We have had a decent turnouts at fighter practice, between 4 to 7 fighters and chivalry heavy. Duke Roger and Master Corwin have been attending,

February 2024 Business Meeting

but Baronial fighters have not been coming. We've had many out of towners. It's great to meet in the middle from north and south, and provide a good place to meet and fight

• We had regional Fighter Practice the Sunday of FOAS, but Bjorn was marshal with a great turnout and lots of people enjoyed fighting. No issues reported, and I will work with Bjorn to get the Marshal in charge form completed and submitted.

• Stefan: I will be attended fighter practice starting Wednesday. I am motivated!

• Bato: Speak to Bjorn – an up and coming fighter, a very consistent attendee at practices. When he takes on the responsibility of marshal he'll be there. Bato will also be available to assist him to navigate the office. He also has a lot of guidance. He is squire to Duke Almorice and the support of the chivalry who attend the practice – a good report. He'll have experts to help. And it's good to get new blood in the office.

• The vote passes to elect Bjorn as the new Heavy Marshal.

Rapier Marshal

(11/2021-11/2023)

• **Extension or replacement needed.**

• We are holding practice as participation allows, about 3-4 regulars.

• I am hoping we see an uptick in attendance as the weather improves. Otherwise, nothing else to report.

Target Archery Marshal

(08/2019-08/2021+)

• Practices continue to be well attended averaging 12-15 shooters plus spectators and youth. Next month will be a Golden Apple shoot on the first Tuesday. We hope to see you there.

• After 6 years I have decided to step down

• Master Otto Gottlieb / Arcos has applied for this position!

• Otto: Thank you, Luther, for your years of service. Coming to Terra Pomaria and meeting archers and marshals and people and I have learned a lot. You're a good role model.

• I have submitted a letter of interest. I look forward to the opportunity. I have held many roles, but this is a new one, and I look forward to supporting the group and learning more about thrown weapons.

• The vote passes to elect Otto as the new Rapier

Marshal.

Arts and Sciences

(3/2022-3/2024)

- My position has ended. Magistra Agatha Iris has applied for this position!

- The January A&S day had 6 people in attendance and engagement per the report of Magistra Agatha Iris. Conflict with finding site and date, so we may see the class again at Bar Gemels.

- November A&S featured Baroness Ana de la Sara teaching silk banner painting. More information to be included in the February A&S report. Steamed live and recorded, available now on YouTube.

- At this time, I have a venue booked for March, but no facilitator identified. As Kingdom A&S is the beginning of March, I may just not schedule an A&S Day (there is not an event created or announced on FB).

- I continue to post to the TP A&S webpage various opportunities for our community to engage in. Additionally, I try to highlight any events that our

artisans participate in and post pictures to the A&S page. We had 3 newcomers from TP through the Facebook page. I would love more engagement from the populace. Share pics of your work and pics of Their Excellencies.

- As an aside, I am the class coordinator for Bar Gemels and have more volunteers than I need. The classes vary greatly and will have a great assortment for all folks. Duke Kenerick – Heavy fighting related thing; Archery and throw weapons class, and more. Please attend.
- March is the end of my time as A&S Minister. Magistra Agatha Iris has submitted an email stating she would like to take the position after my term ends. She has been a huge support and taught several classes. She is a Laurel and art teacher. I have full confidence that she can take on this role and will do amazingly. I completely support her for many reasons, of which I would be happy to share if needed.
- Agatha: I am excited to serve TP in this way. It feels natural to me. I have been an A&S deputy in the east. I am excited to learn how we will make things go. I have big shoes to fill. I am confident I will do a good job.
- The vote passes to elect

Agatha as the new A&S Coordinator.

- Thank you all for your support of all things A&S.

Chronicler

(12/2020-12/2022)

- I have not been approached by anyone to serve as a replacement Chronicler. I will continue the search and make a post on the Baronial Facebook page.
- I will assemble a newsletter in the next two weeks including minutes from January and February as well as a report from Summits Festival of the Arts and Sciences and profiles of the new B&B.
- I was away all weekend and not online, so I will submit my quarterly report at the conclusion of this meeting.
- If there are any recommendations for inclusions or chang-

es to the Privy I can make in the next few months, please let me know so I can make those changes and transfer updated formats and contents to my successor, whomever they may be. Thank you.

- To do is to update the front page with new B&B and nobility info updated.
- Christmas: Adele is willing to support if you need help with photos and coding, etc.

Chatelaine

Deputy (9/23-TBD)

- **Replacement needed for this required Office.**
- Thank you to everyone for your hard work.
- We had a bardic event, and a shoutout to Cormac and Aurelia's kids for keeping us entertained.
- A site has been located for Ceilidh and the Salem Friends Meeting Hall will host us for the remainder of the season. Last week we enjoyed the musical stylings of some of our young bards, while some projected and others played games. See you next month for our next Ceilidh. Let us know if you have any activities or themes!
- On a personal note, I am looking to step away from being an officer. After six years I am looking for a successor. I would welcome suggestions for Chatelaine. It has been an honor.
- Luther and Zulaikha have consulted, and he will put in a bid for Long & Short.

- Fortune and Keji may, as well.

Gold Key

(2/2023-2/2025)

- The Alpine Festival of the Arts held 10 February in Albany, OR, requested a small amount of Gold Key items for the event which was delivered and fully retrieved. Two new people used the Gold Key garb. I received a good report that it was there, along with the variety available.

Scribe

(2/2023-2/2025)

- The scribal activities within the barony since the last month's meeting included:
- Principality and Kingdom-level awards are being produced within the barony; refer to the Principality and Kingdom reign scribes for

details.

- The office has projects that need for a few artisans to work on some projects for upcoming events including:
 - 1 original scroll or scroll like object (Calligraphy & illumination).
 - 1 original scroll (Calligraphy only).
 - 3 charters (illumination only).
 - Numerous Thank-you Cards (illumination only).
 - Hope to have all done by Bar Gamels.
 - If you are interested, please contact the scribal office and I will coordinate with you on getting the supplies/ materials needed.
 - I am looking to add some more pre-printed charters to the bank. Welcoming new designs.
 - Currently there are no

February 2024 Business Meeting

charters / thank you cards and (2) originals out for processing by the local artisans.

- The scribal office keeps a bank of pre-painted charters, so we have available supplies on hand when they are needed. If anyone is interested in painting a charter to be added to the scribal charter bank, please contact me at the scribal e-mail address or via messenger. I will then develop a plan to get you the materials and supplies needed to get started.

Largesse Coordinator

(11/2023-10/2026)

- HE went to Kingdom of the West, the event had a lot of nobility, and talent of TP was distributed to many.
- We could always use many things – Gwyneth has been helpful getting together strings and clasps – award necklaces or gifts from their Excellencies.

- Du vessa and Eliana contributed several bags and Stefan's mom is making knitted and crocheted things.

- If you no longer want or need something, or enjoy making cool stuff, feel free to contribute it to largesse.

- There will be a Thank You Card Largesse derby or competition at Bar Gemels – 5 painted, blank on the inside thank you cards. All sizes welcome. Please contact the Scribe for paintable blanks or files you can print & paint. You can also design and paint your own.

- Anna: It could be simple cards, not thank you. A stack of 5 with a ribbon tied around. Bookmarks could work too.

- Stefan: I had a great time distributing Ainslee cookies to the King of the West, along with strange meats, wine and dined the populace with many gifts. A fine time – thank you for all the

largesse donations. Really enjoyed handing them out.

- Kids chest of loot – yes, we could always use more stuff for the youth, a variety of fun things. Give any contributions to Stefan.

- have walked around site, but the camp clean-up has not been announced yet. There is a Facebook page for the clean-up; it's open to anyone to help and knocks off \$2,000 of the usage fee. Spread the news!
- Work will include raking, sweeping out cabins, cutting back brush, and more. We are first users of the camp.
- Pre-reg for meals available. There is a possible double listings for cabins that is being worked out.
- Mia in Dragon's Mist said she is willing to help run lists.
- Christmas: Notify Bjorn to help with coordination and to

reach out to Mia.

- Melannei: You may do a call for set-up or tear down crews; a lot of people pitch in to tear down, but the set-up is most important.

- We have had people say they will give what hours they have.

Long & Short 2024

- Her Ladyship Zulaikha Al-Zarqa and Lord Luther Gutman have submitted a Long & Short bid.
- We will be using Stonehenge Farms as in years past, and the site owner is on board. We will also plan for a clean-up day.
- The event will feature our archery championship, youth archery championship, thrown weapons championship, Terra Pomaria's heavy defender tournament, a rapier tournament,

equestrian activities, and bardic activities.

- We may also possibly include Hunter and Eagle for the Summits.

Canterbury Demo (Lord Luther Gutman)

- Fortune: Application status update: We had initially missed the application deadline for Canterbury this year due to life events and the date changed from previous years. Luther contacted the event, and they approved us turning in our application late this year. Fortune has sent an initial bid to the finance committee for water, snacks and such.
- This is our largest recruiting event/demo, so the more people to donate time is appreciated. We will double-check the Kingdom schedule for conflicts.
- The Canterbury Renaissance Faire is held the last two weekends of July (20-21 July, 27-28 July). July Coronation is a possible conflict in Glymm Mere - more to come.

Additional Events

- **Martinmas or something new?**
- Christmas: Fall event dates are still open for Martinmas? Something New? The first weekend in November - 1st

ple fight at the Rapier tournament including Levi and Allejandro. Ainslee presented baroque cloth – gorgeous material. If you don't know her, you should.

- I enjoyed the event, and thanks to all those who helped out on the event. It was nice to see so many from the Barony helping out, competing, and presenting.
- I debated going, but a friend convinced me to go, and it was a wonderful time!
