The Barony of Terra Pomaria

## Words from Their Excellacies

Greetings to the Barony!

As the days grow shorter and the weather begins to change to cool and rainy, we hope you have scheduled a time to dry out and repair your camping gear for the "long night" of storage.

Speaking of the fall... Anna has apples on two trees, Granny Smith – her favorite – and something red, that really need to be picked, as well as figs. If you would like to come out and gather/pick some, please let her know and we can arrange a ladder and a time! (These are no spray... and honestly nothing else. Next year I will do a better job pruning.)

Anna will be attending Coronet this upcoming weekend and she hopes she'll see some of you there. It should be a fantastic event and tournament.

Stefan misses you all a great deal and here is a specific message from him.

"Expect to see more of me as I recover and we move into the wetter eventing season. The outpouring of support has been heart-warming, I genuinely appreciate the friendship and company that has been given to me, and look forward to seeing you all. I will miss Coronet, but plans on being at Amergin's Revival in Adiantum, and I have space for friends to day trip down in my wagon.

Additionally, I wanted to speak about a few friends who were recently recognized at Long and Short.

Ji'lid, your service to the Baron is such a backbone of support, I know as soon as I see you, that everything will run smoothly. Your roots spread far and touch every part of what we do. Your smile is infectious, and your leadership style, from the front, is inspiring. I look up to you.

Keridwyn, do you remember meeting the first time in the field behind the farm where we ran long and short? You hugged me like family. I wanted to give you this apple from my own hand, but know that I see you and see the support you give to everyone around you. You'll never be "someone's wife" to me. You're a sister.

Aurelia, You're quiet, but you're present. I got a picture of you at acorn war, sitting on the ground, grinning. Quiet but full of life. I know you present that face to everyone you meet. You are one of the barony's most shining apples. Thank you for everything you do.

Duessa, there are four types of people, leaders, instigators, enablers, and followers. You are an instigator of the best type. You always have ideas, suggestions, encouragement. I have to hold back on talking with you because you're like one of those complicated math problems.

## Words from Their Excellencies

I can say one idea, and you produce a dozen more to go with it. Absolutely delightful.

Amelia, present and helping. Always helping. Carrying anything, bringing good cheer, working on projects. It makes me happy to see you at the events. When I see you, I can see how the other youth are doing, too. You're like a weather bell for my barony. Thank you.

Aiden, you're a bard, you're a helper on the field, and a ready friend for newcomers. Seeing you helping at events, comfortable in places many adults would shy away, is inspiring. I wouldn't call you fearless, but you're more brave than many people I know, and that's inspiring.

Elizabeth, I have a hard time seeing you and realizing you're the kid I knew hanging around your father's knee years ago. Your presence at events goes back to the first events I attended in the barony, and I'm happy to call you one of my own populace. Helpers are sometimes the hardest to see, because they're not in front of the crowd, but doing the work. I see you, though. Thank you

Megret, my friend... Some of us do the SCA to escape life, but I feel like the work you've done in life has given the rest of us a chance to escape into our own exploration of the world that might have been. I'm always excited to hear about what projects you're working on next, because I know the person you present in the SCA is a reflection of your and the authenticity you present every day. Thank you for being a leader in living the SCA every day.

Aly Blackthorne, You're always there, willing to help, Willing to step into the roles that tend to be hard to fill. Gate, Lists, Anything else that we might need. I see your service, and I appreciate what you do to help. It's important that you know you're seen and cared for. You're welcome amongst us and we look forward to having you."

We also want to recognize our new champions:

Viscount Sir William Geoffery the Rogue has Fought valiantly and become our Heavy Martial Defender, Certainly

a man of such mirth will protect us from dreary winter days ahead.

His Lordship John Wayland, a man of stout heart and careful aim will keep our tables filled with game even as we settle in for fall, as our Archery Champion.

Korra of Adiantum, a resplendent youth from our friends to the south, has won our Youth Archery Champion and inspires us all with their bowcraft.

Lord Bjorki ShieldBane, a whirlwind of destruction with siege weaponry, now a friend to have at our back with knife and axe, is our Thrown Weapon Champion.

We do hope you are planning to attend The Feast of Apple & Song in November! Put November 16th on your calendar now.

We wish you the best and look forward to seeing you soon!

Opening words from Their  
 Excellencies

Anna: I went to Tain Bo and it was really hot and really fun. Jack did retinue and it would be great to get a group to go down next year to complete  
 Congrats to Ainslee for her kingdom award and to Peder for his Sweet 16, we may have another prince coming from TP!

Officer reports:

Seneschal – Christmas Caryl (10/23-10/25)

like to see filled.

Exchequer – HL Melannei de Athanaos – (5/22-5/24) - contingency Roger Greetings!  
 Bank Balance: \$12,535.86  
 Ledger Balance: \$10,489.00  
 The difference matches 14 uncashed checks, half of which were mailed out today.  
 Bar Gemels gate count went well, and the PayPal and Zettle income has been reconciled with Kingdom, so I expect a check will be mailed out shortly.  
 The Zettle machine has been returned to the Summits.  
 I'm still expecting kitchen check requests, so I've given Elovel tentative numbers until the actual check requests are in hand.

The finance committee met via email after Bar Gemels to discuss a large number of pre-reg refund requests that happened within ten days of the event. The committee voted to refund any site fees where cancellation happened prior to the event starting, and to refund meals and bunks if they were resold. I processed those refunds over the weekend. I have received an event bid for

Martinmas over the weekend and have sent that out to the committee to discuss after Business Meeting.

Chamberlain– Lady Aurelia de le Mer (11/19-11/21)

I actually have things to report this month!  
 Bar Gemels went well overall. Championship regalia was passed on to our new champions, and paperwork was filled out for all of them.  
 We did discover that two of our day shade poles are missing. Most likely, they got mixed up in the chaos of packing up from the Canterbury Demo, and we are looking into locating them.  
 We also discovered that a couple of our decorative banners need a little bit of TLC. I will be taking those out of storage soon, assessing what needs to be done, and reaching out for volunteers to repair them.  
 Our List field ropes and poles are currently on loan to Adiantum for Egil's. They were passed off to Pyks Picti, a TP local, who will transport them down for the event, and plans to return them on Wednesday the 29th.  
 The Baronial Pavilion, sans walls, was removed from storage, and is in the care of His Excellency Stefan. He plans to take it to Egil's so that it can be set up as a shade at Egil's.

## May Business Meeting

I will coordinate its return after the event. There was also some concern brought up about some wear and tear it has sustained in our last few events. There are plans to further assess it when it is put up next.

That is everything for this month. Thank you all.

Librarian – HL Adrienne von Brandenburg (5/23-5/25)

Heavy Marshal – Lord Bjorn of Ulster (3/24-26)

For those of you who haven't met him yet, say hello to Lord Bjorn!

Need haybales for BGs.

Winter practice alternate locations for winter.

Practices have been going pretty good – smaller the last few weeks. It helps us focus and do one on one. At BG, the fighting went great with no injuries. The fighters said they had fun and gave good ideas to change it up and improve it for next year.

Regarding the move to Bush Pasture Park, I need to talk to the Rapier Marshal.

Christmas: People are expecting it and Their Excellencies support it.

Alternate locations during nicer weather.

When you believe the weather is ready and we can make that happen we will publish it to

draw fighters.

Anna: A public park becomes an unofficial demo, so we fully support it.

Bjorn: We can probably begin in the next week or two.

Rapier Marshal – Lord Levi von Strausberg (10/21-10/23)  
Extension or Replacement needed.

Nothing to report, practice has been slow. Hopefully things pick up in the suypmmmer

BG went well. We finished before the rains fell

Adrianon was the victor of about 12 competitors. And plenty of pick-up fights

I am under the impression we will move fighter practice along with the heavies, possibly Bush Pasture in mid-June. They Heavy Marshal is looking for alternate sites as well.

Target Archery Marshal – Master Otto Gottlieb (3/24-26)

Good afternoon,

No issues of concern to report.

For archery, we have fairly consistent attendance by about 10 archers, people may be occupied with other life obligations. \_We try to have some type of novelty targets in addition to regular targets each week. \_Everything seems to be running along just fine.\_

For thrown weapons, practices are a bit sporadic due to the availability of authorized

marshals, and attendance by throwers.

We hosted archery and thrown weapons at Bar Gemels on April 27th. \_ Archers had the opportunity to shoot for Royal Round scores in the morning and a novelty shoot & competition in the afternoon. \_

The weather was a bit dreary but we all made the best of it. \_ I would like to thank Lord Nathan for ferrying all the heavy range equipment and Archos Duncan Truheart for backup support. \_

We had additional marshal support by others in the Principality. \_ The only mishap we will correct in the future was a blown over target with arrows in it. \_ Sadly, about 5 arrows belonging to the same archer were broken by the gust of wind.

CHECK RECORDING FOR PEOPLE NAMES

We held our bi-monthly Golden Arrow Shoot on May 7th. \_

\_M'lord Dan won by shooting a clever hand of poker cards at about 17 yards.

Equestrian Marshal – HL Tassi – (2010-2022)  
 Practices for 2024 are off and running. Last practice was held on 5/4/24 with 6 in attendance. Next practice is scheduled for 6/2 and again on 6/8.  
 Equestrian planning for Long & Short is happening. It seems that we will have two challenge courses created by two different people for variety. We should have a great turn out for equestrians. Our Baroness has already alerted the equestrian community that we will have equestrian activities at Long & Short!

 Success-Bar Gamel's went mostly smoothly.

Challenges- Not a lot of buy-in/ interest in A&S days. I want to work on better advertising and reach out to more teachers.  
 Do you have any concerns or questions?  
 Not at this time.  
 What can the Summits Officer do to assist you?  
 It would be great to have a quarterly A&S meeting so branches can share what they have been doing to promote A&S.  
 Additionally, we could create a Summits list of instructors that are willing to teach and what classes they can offer. That way, we can share resources.  
 What is something you would like to see improved in your area?  
 More A&S visibility, and more opportunities for A&S workshops and activity days. I may look into talking to individuals who may be open to hosting classes or workshops from their studios/homes.

I already have another issue prepped with two officer profiles and hope to have it published in the next 2 weeks.

Kenji and I will begin working closely together this summer to transfer Chronicler responsibilities. If anyone wants The Privy to include any new features, please send emails and requests to the Chronicler email.

Web Minister – Lord Cormac O’caseigh (5/23-5/25)

This month I uploaded the most recent copy of The Privy, there were not other requests.

I will be down at the Cor Du Val fighter practice on Monday and will miss the TP Business Meeting.

Chatelaine/Castellan – OPEN – Interim: Deputy Luther Reporting (9/23 -)

Replacement needed. Required Office.

For the month of May I have to report we hosted our final Ceilidh of the season. A wonder group discussion where many snacks were shared. Thank you to all who attended. Ceilidh will return this fall. Overall attendance has been low this year, early events held in

community pubs had steady attendance, but later gathers had a noticeable drop. I would request suggestion to help drive attendance or consider alterations to the schedule as events are scheduled nearly year-round. If anyone has ideas to drive attendance, please let me know. I would like to speak to Their Excellences about possibly condensing the Ceiligh schedule to only the winter months. Thank you again for the support of those who helped this year or attended.

Gold Key – Lady Elovel of Avalon – (2/23-2/25)

I owe you a report, but I never manned it. I know some people wore it. Surprisingly when I packed up on Saturday, and someone had ripped through all the packaged clothes, not sure if anything was stolen. I don’t think so, only very strange. I plan on setting up Gold Key at Long & Short, if requested. Feedback – Treat your garb like your regular clothes, unless really dirty soak them in a tub.

Thank you to everyone who helped out. My report is mostly done, and there are still some check requests out for the financial statement. It will be done within a week or so.

Christmas: Great job to Elovel for your first time.

Anna: Thank you, Elovel, since this was Stefans and my first event as B&B. Everything was moving like intended. I was not able to make it to the archery field, but thank you to everyone for a great event!

Christmas: I'll take the blame for the scheduling SNAFU. If you have any questions for Elovel and how the event was run, she'd be happy to share her experience. It was a very challenging event.

Elovel: If you're going to be in the SCA you should try running an event. I wanted the experience and I'm happy I did. And you won't do it all by yourself – Thank you, Christmas!

Martinmas Bid – Kenji/ FortuneGood Genteels of Terra

Pomaria,

Her Ladyship Fortune verch Thomas and Lordship Morikawa Kenji Katashige would like to present to you a bid for hosting our Martinmas event this November 2nd. Our plans would include a one-day event held at the Oregon Christian Convention Center in Turner, Oregon. Activities would include: Arts & Sciences competition to determine our Barony's new champion, a Rapier tournament for our next Rapier Champion of the Barony, a pot luck lunch to feed the masses, and a soup and bread feast for dinner, Competitions such as period bread and finger foods (to be added to a day board and meals), entertainments from the past (including a possible return of the great sword Extra Crispy), and classes to expand you skills and knowledge. Electronic site copy will be available for participants to stay abreast of the day's happenings.

Our Financial expectations are listed as below:

Liability
Cost
Site:
\$1,000.00
Food:

PayPal Fee:

Misc (toilet paper, tape, pens, etc.):  
\$100.00

Income Amount  
Adult-Member \$17.00  
Youth/child \$0.00  
Adult-nonmember \$22.00

Expected Break even point: 78 paying adults  
Number of paying attendees for Martinmas 2022 (at this location): 79

Comps as listed in the Baronial Financial Policy with the additional event staff of: Gate Steward, Kitchen Steward, A&S Champion, Rapier Champion, MIC, A&S competition coordinator, and any Landed Coronets in attendance.

Possible expected changes to the above: We do not yet have a firm price on the building so the estimate above is \$300 above our last use of the hall, as we expect to use it, but would also cover the cost of a possible backup location we have considered (McNary High School about \$1,000.00).

If the site cost is lower than expected we will look at how the budget can be modified and

coordinate with the financial committee.\_\_\_\_

There are some Kingdom level items for 2026- watch for future updates.

Closing Words

Stefan: I apologize for being late and will work to fix that in the future. The last event I attended was BG and I had a delightful time. It was amazing to give awards to my own populace.

Christmas: Thanks to all who attended BG and all those who came back to the SCA and came to the event!

Meeting ended at 7:59pm

(Finance Committee MTG) - HL Melannei -

Christmas asked about past attendance:  
2022 – 79 paid adults  
2023 – 164 paid adults, but it was not a comparable event – A Kingdom event and Baronial changeover.  
It's better to look at 2022 event. If we had 80 paid adults we'd have a \$20 profit over the site budget estimate.  
Elovel: For soup and bread, are we asking for the populace to donate soup or using a kitchen

## May Business Meeting

team? I'd be happy to prepare something if desired. It would not be part of the budget if people donated it.

Kenji: The food budget will go toward some soup being prepared and ingredients to have extra pots available. But we may want to include soups from a planned cooking competition. At the very least, we will request additional crockpots.

Some details needs to be worked out still

Stefan: I made a budget for the kitchen during the Martinmas I ran, but it was mostly for incidentals, not actually soup. But we can have people donate soup. There are many people that make delicious soup and food, so I tried to get the populace involved in soup-making and it was a big help.

Kenji: I will be looking for someone to be the feast steward. I would also expect the event to be BYOB.

Christmas: Whoever runs gate, remember the non-member fee is \$10 now.

Kenji: There is no kitchen in the tabernacle (the big building). There is a snack area we do not have access to.

Christmas: But we should be able to run a good dayboard from there, and bring enough surge protectors.

Ji'lid: Are there any restrictions

on food and where it could be eaten, or additional fees due to food? Melannei: There were no past restrictions on food in the building at previous events.

All voted to approve and accept the event budget.

## June Business Meeting

### Opening words from Their Excellencies

Not too many things going on, we had 1 small event in a near by barony – Egil's memorial trouniment, I (Baron Stefan) attended that. We quite entertained and well taken care of. Surrounded by friends, and saw a variety of awards presented. I watched fighting, stick ball, archery, that said it was a delightful time. I will look into a Baronal encampment next year. I attended the Egils wrap up briefing and that was interesting to learn how they manage a sizable event.

Looking into the logistics to run our own larger event such as a crown event. Stefen will be planning to attend investiture and then An tir/West War, there will be an encampment at war. I will probable attend some event in August, the long and short of it I will be there.

Baroness Anna also attended Elgis with her hourse that did well. I received the your old and been in the SCA a long time award, that was awkward. I think my next event will be the long and short.

### Officer reports:

Seneschal – Christmas Caryl (10/23-10/25)

Difference due to uncashed checks.

Not much has happened on the financial front for the past month. The numbers reported for Bar Gemels were finalized (but unchanged) and the deposit for Martinmas was sent off. On May 5th, I was told that the Summits finance committee was discussing the profit share percentages from Summits Festival of Arts by email, but I have not heard anything since. I will follow up with another email.

I am unaware of anything that needs to be discussed by the financial committee after business meeting.

Chamberlain– Lady Aurelia de le Mer (11/19-11/21)

There is not a ton to report this month.

The Baronial Pavilion sans walls was taken to Egil's by his Excellency Stephan, and was returned to the storage unit.

There is some concern about the condition of the Baronial Pavilion, We will be looing at it when it is fully up, there is one

small whole known that we will look into repairing soon but it is not a concern for getting worse at this time.

Adiantum borrowed our list poles and ropes for Egil's, and have returned them. They are currently in my garage, but will be returned to the storage unit once I am recovered from Covid.

His Excellency Waylon has requested use of the Baronial Pavilion for use at Investiture, and has agreed to transport it back and forth. I have no concerns about this, but I believe it needs to be voted on at the business meeting. I may need to designate Cormac or Melannei to get the paperwork to him if I am not recovered in time.

I do not have much to report this month.

The damaged kids' boffers were repaired and will be taken to the demo.

Two games that needed repairs were fixed, and will also be taken to the demo to use there.

We have had archery, Thanks to Luther and Duncan for managing practice while I was gone

Last week was canceled due to heat but was able to hold an arrow making course instead.

Equestrian Marshal – HL Tassi – (2010-2022)

We have had several scheduled practices since the last business meeting.

6/23 had 3 riders and 3 horses.

6/29 cancelled

7/13 became unofficial practice due to technical difficulties (I believe 3 riders and one bystander).

Next practice is 7/28. I believe we will defer the 8/3 practice for a workday at Stonehenge to set up equestrian pens and whatever else needs doing within reason.

Long & Short insurance is requested. Sir William and William Augustine are each planning a fantastic equestrian course. I have asked that my contact info be listed on the event information.

I am looking for teachers for Long and Short, I will not be in attendance so will also be looking for someone to assist with classes in my absence.

Chronicler – HL Ji'lid ibn Haydar (12/20-12/22) (Kenji taking over in Aug)

Good day, Your Excellencies and fellow officers!

The transition to the new Chronicler has begun. Equipment has been exchanged, email access granted, and we conducted an orientation of how the Privy is built and updated. There are some technical issues being addressed with the Chronicler laptop as well as Kenji's access to Publisher.

Progress was made on updating the Privy for publication but personal obligations took precedent. Kenji and I will continue to collaborate to publish this issue ASAP.

I will be present at the Canterbury Renn Faire and will take pictures and notes of the goings-on for inclusion in a future issue. Thank you.

Officer reports:

Seneschal – Christmas Caryl (10/23-10/25)

Huzzah for our webminister for submitting your report first!

I am sooooo happy to be part of Terra Pomaria. These lands are so supportive, welcoming, hard working, creative, inclusive, and so much more. I'm so proud of our Event Stewards this year: Elovel with Bar Gemels that went so well! Luther/Fortune with Canterbury Demo which was a great success! Zulaikha and Luther with the Long and Short of it that was a blast and hopefully didn't burn them out! Kenji and Fortune are doing so well with the Feast of Apple and Song! And Aurelia who has put together a great team and bid for Bar Gemels next year (tbd in finance committee of course).

We have such amazing people! If you've seen someone do something groovy at one of these events or any other,

remember to recommend them for an award. Even if you just want to send a message of gratitude or joy for something they did, send that in!

If you want to step into a different role, are looking for some guidance, or want to try your hand at a new eventing skill, please say so! We'd love to support you reaching your dream!

The Barony's bank balance is:

\$17,065.78

The ledger balance is:

\$14,750.80

The difference between the two matches the amount in uncashed checks. I'll be replacing one of those checks as lost and am keeping an eye on the rest.

I'm working on getting the storage rental paid through the end of the year. I'll be calling them before the meeting to confirm the rates haven't increased again before getting the check signed.

The Long & Short of It had Prereg paypal and credit card payments at gate. I've contacted the epay deputy to reconcile and confirm the amount we will be receiving, but haven't heard back yet.

The gate count at Long & Short reconciled smoothly. All checks related to the event outside of and event team, insurance, and food reimbursements have been sent. I'm waiting for the check requests and/or receipts for those.

I have received one refund request for Long & Short and a bid for Bar Gemels to discuss with the finance committee after business meeting.

Chamberlain– Lady Aurelia de le Mer (11/19-11/21)

This last month held a couple of activities for us.

We used some baronial equipment for the Canterbury Ren Faire demo. The wheel of Fortune could use some repair

## Aug Business Meeting

after Faire, and nothing was reported missing this year.

Long and Short went well also. The day shade poles that went missing last year were found! Nothing was reported broken during the event. It was decided at the event to gift an outfit from Gold Key to an attendee. The gold key officer did inform me that there were a few other items that were not returned after the event. I do not have a list of these items.

Last week, Gold Key was returned to the storage shed to be kept until we have a new Gold Key officer.

That's everything I have for this month.

Librarian – HL Adrienne von Brandenburg (5/23-5/25)

Report is that due to personal matters at home I haven't had the opportunity to sort through the library and post about the books. Is someone else's passionate about this office I would be happy to hand it over, but I'm hopeful that as my personal life changes I will be able to provide more content through this role

The Library is currently with the Chamberlain so she would be able to assist with getting any

books.

Heavy Marshal – Lord Bjorn of Ulster (3/24-26)

We've been having some success with opening the practice time up at 6:30 instead of 7:00 pm. We've canceled a few practices due to An Tir West War and some heat concerns. No issues or injuries with fighters. I've heard great things about the Canterbury Demo and the Long & Short of it.

Rapier Marshal – Lord Levi von Strausberg (10/21-10/23)

no report

Target Archery Marshal – Master Otto Gottlieb (3/24-26)

We had archery, no injury or paperwork.

New golden apple winner

Report to come in tomorrow.

Equestrian Marshal – HL Tassi – (2010-2022)

Not too much to report.

Long and Short of It equestrian activities were fantastic despite a last minute change in course creation. Connel and Keridwyn creating wonderfully fun "chaos challenges" and let us choose

what order to ride our obstacles. We had 8 horses and 8 and 9 riders. One non equestrian related injury during site tear down.

Next practice is August 24th!

Lists Minister – OPEN .

Bid for Office: Alyna Trewpeny

I believe the Minister of Lists office is currently open. I am interested in that office. I have run lists at various Terra Pomaria events over the years in multiple formats, including both heavy and rapier, both prize tourneys and championships.

I hope you find me worthy to fill this role.

Ji'lid took care of town cries.

Each tournament group handled their own field heraldry, including the outgoing Champions who ran the field for their own style of Championship.

Arts and Sciences – Maestra Agatha – (2/22-2/24)

Report to be submitted tomorrow.

So I have been gone. A Class at L&S had to be cancelled due to family emergency with the instructor. There was a Scribal table at L&S.

We have not done anything in Aug but planning to start of again at the Ike box in Sept.

Looks for ideas for A&S workshops.

Chronicler – HL Morikawa Kenji Katashige (8/24-8/26)

I have officially assumed the Chronicler duties this month.

I have turned in the Quarterly report though it was late.

There are some technical issues that I working to address, specifically the Chronicler has been using Microsoft publisher to create the Privy. I do not

have access to this program but I do have access to a similar program that I will be using but it will take some time to get the format set to run with the new program.

The Chronicler computer is another issue, that computer does have a standalone edition of Publisher but the screen is fractured. I will be putting in a bid for the finance committee to assess the value of the Chronicler computer and if it is worth repairing at this time.

As I work on the next edition of the Privy if anyone has information they would like to include (upcoming events, classes, research, recipes, etc.) please send them to the chronicler email and I will work to include them.

Web Minister – Lord Cormac O'caseigh (5/23-5/25)

The only update for this month is that I updated the Champions page with changes from The Long and Short of it.

I am planning to attend Three Mountains practice Monday and will miss the meeting, I will plan to attend in September.

Chatelaine/Castellan – OPEN – Interim: Deputy Luther Reporting (9/23 -)

Replacement needed. Required Office.

For the Month of Aug we have an exciting report. Thanks to the efforts of the Canterbury Team we have 7 new contacts for the local barony and helped generate over 40+ for An Tir.

Long and Short saw a number of new comers (around 12) see us for the first time. I am still getting hard numbers but appeared to be near a dozen.

Looking to the future we have chelidh season around the corner, so again I ask if you have any request for activities or venue please let me know.

Last bit is a reminder that I am seeking a successor and hope to pass the office before the Chelidh season begins.

Her excellency noted that after moving out of the Pubs attendance did drop last year. This was confirmed by Luther.

There is a discussion about an alternating schedule between sites.

Gold Key – OPEN

Lady Elovel had had to step away from the role at this time.

Long and Short happened, a profit was made. There was one injury during takedown.

We will get a full post event report together for the September meeting.

Canterbury Demo – Lord Luther Gutman and Fortune verch Thomas

Canterbury went great this year. We changed up some things and luckily, we're back in our old spot.

We came away with 43 contacts from people who left their name and email address. Many more people took our brochures and we had several newcomers at Long and Short from the Demo. I also know we have had people coming to fighter practice already as well as newcomers joining the Facebook group.

We will be having a meeting for

the Canterbury debrief soon and at that meeting we will figure out the reimbursements and finalize our report.

We are planning a potluck lunch as a soup and bread dinner to be available. We will also be hosting a food drive and a bread competition (bread will be included with dinner) in addition to A&S Championship and Rapier Championship. I am pleased to announce we will have live music during the event and would welcome a dance master if the is one that wishes to attend.

## Bar Gemels 2025

Event is scheduled for 04/25/25 to 04/27/25

## Event Bid: Aurelia de le Mer

I would like to formally submit my bid for Bar Gemels 2025. Please see attached form.

My supervising Steward will be Lin Dis de Aquisgranno.

I am proposing a standard Bar Gemels held at Camp Taloali filled with games, music, fighting, fencing, archery, competitions and classes.

Ainslee Goldhart is my kitchen lead. She is building teams to take care of each meal. I will have more information about

kitchen budget and meal plans once her teams are in place.

I do not yet have a gate steward lined up.

In general, I am assuming that officers will be performing their jobs or finding a suitable replacement. I will be reaching out to each of them.

Pre-Reg will be run by Gwyneth

Godwyn will be running Lists

Lucas will be our RV organizer

Adrienne will be organizing our benefit auction

Fortune will be working together with our youth champion to organize the youth championship.

Marcello will be coordinating music.

Jobs I still need filled include:

Parking

Set up/Tear down

Merchant Steward

Decorator

Game coordinator

I am hoping to have some sort of activity each of the three days.

Friday night: I am hoping to host a game tournament, and a reprise of the Silly Bardic Competition introduced at Long and Short.

Saturday would include our bardic and youth championships along with archery, fighting, and A&S. I have not yet worked out with our officers what these will entail. I have been approached about a cooking competition that will take place on Saturday.

Sunday morning, I am hoping that we will be able to host a regional fighter practice of some sort. I understand that weather can be a determining factor in this, and I am hoping to be able to secure Stonehenge Farms as a backup location for this practice if weather determines that it cannot be held at the event itself. Having this practice as part of the event would also be, in part, determined by whether or not we get permission from Taloali to stay past noon.

## Long and Short 2025

Will open for bids next month.
