

The Privy

The Barony of Terra Pomaria

A Call for Aid

The SCA is many things and I hope those things bring you joy in your lives. The things that make the SCA happen both within our Terra Pomaria boundaries and elsewhere do not happen on their own. I have been an officer of Terra Pomaria for several years, as have several of the officers currently serving. I have been the event steward for several events and a supervising event steward a few times. Again so have many of those running our events. The honest truth is we need more people stepping up and taking on these roles.

We have several officer positions open, some that have been open for a while, and we have several officers that are reaching the end of their expected service. Seeing new people step into those roles will help grow our community and the SCA as a whole. Those of us that have been in the role and have been officers are happy to support and train anyone interested.

In addition to officers we are also in need of Event Stewards. We have several events coming up that do not have Event Stewards. While these events are months away it is much easier to plan an event over

time than it is to plan it at the last minute. If you have not been an Event Steward before, there are several of us that are happy to be Supervising Event Stewards to support you in this process. If you have

ever been to an event and thought, "I wish we could have done X" or "This would be an awesome site for X," this would be your opportunity.

Good evening everyone, It feels like it has been forever ago since we have done this because so much has gone on. We have some events thank you Maeve and everyone. I watched the finals and we have a new King, it seems like every 6 months we have a new King. I keep swearing at them and they keep changing. This summer will be grand and we have so much going on.

Welcome, thank you for being here. This is an important part of what we have to do so thank you for being here. Gas is expensive please plan ahead.

Exchequer – HL Luther Gütman – (7/25-7/27) - contingency Melannei

For the Month of May I have a few things to report out. First off, I have successfully set up the new Gmail account set forth by kingdom and so far all seems to be working as intended. Our current finances are as follows: Bank Balance shows \$11,226.40 and Ledger Balance shows \$10,920.40. The difference is from an outstanding check. I am still working through the reports from Bar Gemels and preparing for Robin's Revenge and will be seeking some signatures for

checks this week or next.

I also must report with sorrow and regret that I must seek a successor for this role. It has been a privilege to support the Barony in this role, but if you know of anyone who is interested in the role please let me know. Thank you. There is a bid for a Winter event to discuss at Finance Committee meeting

Chamberlain– Lady Aurelia de le Mer (11/19-11/21)

I have gotten logged into the new Gmail, but have not actually done anything with it yet.

At Bar Gemels, it was observed that the wear and tear on the gate pavilion is continuing to worsen, and we need to start looking into a new one or an alternative option. We get a lot of use out of it, and I think it is a valuable resource to the barony, and that it would be worth putting some money into, but what to do should be discussed further.

I would like to start looking for a replacement for my office. I have only stayed in it so long, because nobody else seemed interested in taking it over, and it was helpful to have someone fill it.

Social Media – Elizabeth Neuton – (1/25-1/27)

May Business Meeting Notes

Nothing important done
Remember if you have Social Media things that you need help on, please reach out to Elizabeth!
Several Social media posts have been made, but handled by the individuals who are responsible for whatever the activity is/was.

Heavy Marshal – Korwin Ariannaid (11/25-11/27)
Korwin will not be in attendance tonight, Egils!
From his message: practice is happening. Our low turnout is 3, high is usually 9. We gave three minors.
No issues or injuries.
Moving to Bush Park on the 27th, starting at 6:30 for the summer.

Rapier Marshal – Lord Levi von Strausberg (10/21-10/23)
I am into the Google email.
Nothing drastic to report. Bar Gamels went well from steel combat tournaments pov.
Practice is at the barn for one more week then at the park.
Hours shift to 630 to 830 to better use the daylight.

Target Archery Marshal – Elovelle (3/26-3/28)
Terra Pomaria archery and thrown weapons are doing well.
There's usually a very robust turnout of shooters and visitors.

Populus attendance:
4/14 archery 8, TW 4
4/21 archery 10, TW 3
4/28 everything was canceled because the practice barn was being painted
5/5 archery 7, TW 0
The broken spear tip has been ordered and when it arrives I'll fit on a handle which is another unknown expense. I've been holding off on the check request so that I can combine all the expenses into one check request, hopefully it'll be submitted within a week or so.
I'm attending Egils and I plan on calling into the meeting but I'm unsure about the phone service or being able to keep track of time.

Equestrian Marshal – HL Tassi – (2010-2022)
As far as updates go-just minimal. Senoid just updated me that Robbin's Revenge will have 6 horses at least-perhaps a few more. So 6 spend will be needed at this time
I've received no updates or needs from Connel or Dominico regarding Long and Short. I did reach out to all to ask of what assistance I could provide.

Lists Minister – Alyna Trewpeny (9/24-9/26).
We had lists at Bar Gamels, three competitions went well.

Youth Armored Combat – OPEN

Herald – HE Ximena - (3/25-3/27)
I have submitted the Bar Gemels award report and begun work on my hopeful contribution to updating the ceremonial. An inquiry on name/badge has been submitted from a gentle in a shire and I just saw the email today, so will follow up on that.

Arts and Sciences Lynelle – (3/26 - 3/28)
NEEDS HELP WITH EMAIL ACCESS - Wystan is on it!
Will not be in attendance tonight.
A&S gathering on Sunday, May 3rd went well. 10 in attendance.
A few projects were worked on, some general art occurred, and we established a long list of possible classes folks would like to see.
Join us next month Sunday, June 7th for Caps, Coifs, and Coverings, Oh My! We will be talking about some basic styles of head coverings and how to make them. Supplies will be there for the class. We plan to have kits folks can take with them as well, so that they can complete the head coverings and return them to be added to the Principality of the Summits Newcomers Caps offering.

Chatelaine/Castellan – Adele
Neuton (1/25-1/27)

We had 22 people at our final
Ceilidh of the season, and had
a fun garb and gear swap. We
had one returning newcomer
whose last event was 30 Year,
and she's considering trying
Egils again, after all these
years.

At Bar Gemels, I ran Gold Key
in a popup next to Gate.
Several people borrowed garb,
and most of it came back. I
laundered the items and they
have been returned to the
Chamberlain.

I went to Crown and attending
New Comers Tea and talk with
other Chatelaine's learning
more about welcoming new
comers

Scribe - HL Wystan Albryght –

The scribal activities within the
barony since the last month's
meeting included:
Principality and kingdom level

awards being produced within
the barony
refer to the Principality and
Kingdom reign scribes for
details.

There are several projects
needed for upcoming events in
2026 including:

Multiple Charters (illumination
only).

2 Originals (illumination and
calligraphy)

Numerous Thank-you Cards
(illumination only).

If you are interested, please
contact the scribal office and I
will coordinate with you on
getting the supplies/ materials
needed.

The Summits Scribe is also
looking for contributions. If you
are interested in the design
process. Reach out as they
have some new ideas for how
these awards will look.

Past Events:

Artifacts of a Life March 2026 –
Sunna Reignbo, OL
Artifacts of a Life, West Coast
2026 was a well-attended event
with a total of 11 competitors
and two displaying artisans.
100 people (according to the
report sent by the exchequer)
attended, with 9 people
compensated.

The winner of the elite category
was Edmund Courtcuisse, the
winner of the typical category

was Þóra in fróða, and the
Steward's Choice winner was
Muirenn inghean Uí Cléirigh.
There was a wide variety of
persona entries, with a great
amount of interest and
conversation between
competitors and the audience.
His Highness Summits was able
to attend and hold a small court,
which was lovely, and Their
Excellencies Terra Pomaria also
held a court (I cannot remember
who was awarded and what
their awards were, but they
were both lovely).

The judges gave their entire day
to judging and making the day
flow easily.

I would change a few things:

1. There should be co-stewards
to organize and run the event.
 2. There should be more time to
judge and tabulate scores.
 3. There should be more
physical space to display,
preferably in a quieter space.
- We already have potential
stewards for the next Artifacts of
a Life, which is so exciting!
All in all, it was a successful and
rewarding event to run and to
witness.

Bar Gemels 2026 - Maeve/
Pumpkin

Bar Gemels happened
It was pretty awesome from
what people told me
I have asked people to send in
reports to me so I can get my

It sounds like overall it went well.

There were some concerns about people missing meals due to portion control Champions, memorial tournaments, classes, and more went on

It was a great experience.

Upcoming events/Possible Events:

Robin's Revenge Event – HL Rafe

Adele is Looking for class instructors, contact her if you are interested in teaching a class.

The Summit Hunter Championship moved to investiture.

Wystan is running gate, contact him to volunteer.

June 6 for Equestrian setup.

Looking into adding a War prep/ practice for Saturday.

To keep things running smoothly, we're going to host the event where we usually hold Long and Short—instead of moving into the tree area.

With the tight turnaround for site prep, it makes the most sense to stick to the ground we know is 100% ready to go. Plus, after looking at the turnout from our first work party, we just don't have the volunteer manpower

right now to safely clear the ground before the event. Also with Otto and Sunna moving back to Maine, the local archery and forester communities are in a bit of a rebuilding phase. While this means we are stepping back from the highly themed, immersive woodland atmosphere we originally envisioned, keeping everything at the front of the property makes the workload more manageable. It scales the event to our current numbers, guarantees a safe setup, and puts us in a spot that everyone is already familiar and comfortable with.

Long and Short 2026 – Jack
Trying to get the online event page updated with fees, location, etc.

With Egils being a big to do with so many of us I have a list of people to contact about rolls for the event

I am looking for a Gate Lead Fall Event (Martinmas/Feast of Apple and Song/etc) 2026 - Proposal received from HE Clovis for a Joint event with the Barony of Adiantum.

I have been in contact with Adiantum already and will discuss details more in the Finance Committee mtg.
Date planned: Nov 6-8, 2026

Canterbury Demo 2027 –

SUMMITS Fall Coronet, September 2027 is the next TP turn -

There have been some shifting of events for Summits so I am waiting on details on what event we will have.

Mid Valley Comic Art Expo 2027 – Kenji

April 17-18, 2027

I have sent an email to the event organizers to get some initial information.

Per their website applications should be available in June or July of this year for next year. Demos? - bids need to be approved if they want reimbursement.

Closing Words

Christmas: Are there any Closing Words?

Joint Fall Event between the Baronies of Terra Pomaria and Adiantum - Clovis Bid
Three different proposals

May Business Meeting Notes

for gate fee (\$25)

We change \$20 gate fee and we don't charge for children overnight

Last is contingency bid for everything falling apart and making it a day event (have to be decided 60 days before the event)

Cor de Valle is wanting to work gate and take a 5% split of profit

Terra Pomaria will have A&S championship and Rapier Championship

Adiantum will have A&S championship and bardic championship

We are projecting 200 people in attendance and I will be advertising heavily

Break even: around 150

If there is a loss, the loss will be split between TP and Audiantum.

Royal comps included for logging and food for the royals and minor children of royals.

Vote: passed for opinion 1 (children not charged for overnight)

Gate pop up:

The roof is in good condition but the metal supports are getting unstable

Folks appear to enjoy having a gate pavilion

With all the use this gets I think it is important to get a replacement.

Would need to get bids

The current one is 10ft x 15ft but that size is not required.

Tassi may have an option for the Barony and will have locate it. It is a shade of some type and it is more period looking.

If it doesn't work for Gate she may still be willing to donate it for another purpose.

WANTED:

Those Interested in Being an Officer of Terra Pomaria

I received the checkbook and

unable to update the ledger in time for business meeting due to a migraine on Sunday. The bank balance is \$11,224.30. I'll keep working on the ledger balance \$8366.42 I have not been able to reconcile yet but there have been several checks sent out this last week. If you had a pending check request and didn't receive it at Robin's Revenge, your check should go in the mail in the next couple of days as I address envelopes and mail them out. If you'd rather pick up your check, please contact me as soon as possible so we can make arrangements. I received a couple of refund requests from the prereg coordinator for Bar Gemels this weekend. The requests were met the requirements of our financial policy, there was delay in communication. Once those checks are written, I'll have Bar Gemels wrapped up and send out an updated financial report. I'll get an initial financial report out to the event stewards of Robin's Revenge as soon as possible as well. I plan on taking some time this week to go to the post office and reopen the PO Box. If they allow me to put additional names on the box, I'll add the Seneschal and two of our signers who have also been

exchequers, for contingency purposes. The finance committee met after last month's business meeting. They discussed 3 different options submitted in a Bid from Clovis for a Joint Fall event between the Baronies of Terra Pomaria and Adiantum. The option selected was a \$25 gate fee and children are not charged for overnight. Cor de Valle is wanting to work gate and take a 5% split of the profits. If there is a loss, it will be split between the Baronies. The finance committee also discussed the need for a new gate pop up or pavilion. The current one is 10 ft x 15 ft and the supports are starting to fall apart. Tassi offered to donate a possible solution to the Barony planned to locate it before Robin's Revenge. If that doesn't work, we would need to research options to discuss specifically. Tassi and Christmas were not able to meet this weekend on this point. Reviewing the inbox, I don't think there are any pending financial committee requests for this meeting. If there is something pending that I missed, please let me know and we'll get that addressed. Thank you from Christmas for taking up the role as contingency.

We have moved to Bush Park with an increase in the number of people showing up.
Practice starts at 6:30 and runs to about 8-8:30
No injuries
I will need to have someone cover for me next week for practice.

Not much to report this month in the Barony. We had one newcomer show up at Archery Practice.

The Chatelaine email account is successfully migrated from O365 to Google, and everything

seems to be working correctly. Additionally, the Kingdom Chatelaine is making changes to how Chatelaines file quarterly reports across the Kingdom. They have supplied a new online form, and an updated schedule.

Robin's Revenge Event – HL
Rafe

The event took place and we enjoyed a full weekend of archery, thrown weapons, equestrian activities, and classes. At this point, the rough estimate is that the event came in at less than a \$300 loss. Through Otto Gottlieb's arrangements, Foresters from the East Kingdom, Gwillim Kynith and Seamus na Coille Aosda, attended the event and taught two well-attended classes related to the Foresters Guild. They expressed their appreciation for the warm welcome and were impressed by some of our unique event customs and Court ceremonies. The range activities ran well, with an excellent setup by Elovel of Avalon. The Thrown Weapons Championship and Archery Championship both went smoothly, and we have new champions: Bjorki for Thrown Weapons and Deva Avdeevicha for Archery.

Otto Gottlieb, Mergret Dyer, and

Adele Neuton helped coordinate the classes, which were all well attended and well run. Classes included Wild Clay Bead Make and Take by Muirenn inghean Uí Cléirigh; A Brief Introduction to the Forester's Guild by Gwillim Kynith; SCA Camping on a Budget: A Foresters Guild Approach by Seamus na Coille Aosda; Cooking a Meal Over an Open Fire and What is Char Cloth and How to Make It by Mergret Dyer; Making Cordage by Sunna Regnbue; and Newcomer Head Coverings by Christmas Carol and Lynelle Holme.

The equestrian activities, run by Sebdann ingen Shinaig, also went well.

Baron Stefan's cooking competition, Hungry Hungry Baron, was popular. Nico won with bacon-wrapped asparagus. Gate was run efficiently by Wystan, with assistance from Zara, Melannei Athenaios, and Luther Gütman. Zara signed up for two shifts and ended up volunteering for the entire weekend.

Congratulations we have new champions: Bjorki for Thrown Weapons and Deva Avdeevicha for Archery.

Closing Words

The Baron has a new work schedule and may miss the next business meeting. I would like to remind everyone to have grace in these times of change. Think of questions for the candidates to be asked. Keep confidence and avoid rumors. Baroness: I was reminded this weekend it is possible to have co-officers so if someone doesn't feel like they can do a job on their own it is different when you have a second person for built-in support.
